Since I have been doing the research I have wondered how different our lives might have been if our ancestors had not chosen the directions that they did. These directions have made us who we are, and landed us in so many different places.

I wonder at the courage of our ancestors - getting on those ships and sailing to far flung foreign lands, with little or no hope of returning to see their families again. How brave they must have been, or perhaps they were just desperate.

We cannot forget those who stayed at home and kept the home fires burning and gave our intrepid travellers a point of reference.

Whether they stayed in places old or travelled to places new, and whatever the reason for their remaining in, or departing from those homelands, we should continue to thank them for being our parents, grandparents and great grandparents and for helping to make us who we are today.

With this in mind, this book is

For my children and grandchildren
and broader family
so they know all where we came from.

Copyright

This book has been produced for the express use of family members and should not be reproduced, but can be used for research purposes. However, please respect the privacy of living family by keeping their information confidential.

Thank You

I would like to thank all the members of the family who have continued to supply me with information. There are too many to name, but you know who you are. Without that information, this book would not exist.

Special thanks go to my late aunts, Pax Towt (Blackwell) and Eve Johnson (Blackwell) and my mother Nancye Blackwell, without whose collaboration, enthusiasm, encouragement and advice, I may never have continued with this research.

My research is also interlinked with many other researchers whose families are linked to our own. Thank you to those people who have carried out research into these other family branches. Please see the bibliography and sources at the back of this book for this information. (As a paper saving measure I sometimes omit this information, but it can be supplied on request).

Introduction

Many strange and interesting facts are discovered in the process of family tree research. It can be costly and frustrating, but the results are so worthwhile, all the negatives disappear.

Sadly, there are some facts that will never be known, and a certain amount of supposition then comes into play, but a fact is not a fact without written evidence, so where ever possible, that evidence has been included in the sources section of this book. (As a paper saving measure I sometimes omit this information but it can be supplied on request).

I have carried out this research mostly at my own cost, and in my own time, but I believe that the more people this information is shared with, the longer it will last. I am happy to share this information with the family and I hope that you get some benefit out of my 30 plus years of research.

My motto is "always ask the questions". Sometimes you don't get the answers you want and would like, but if you don't ask, you will never know.

Research can be dry and boring to read and can only go so far, conversations round it all out. Over the years the conversation becomes less and the research becomes greater. It is important to try to have some family stories included amongst the research to make the family seem alive.

DNA has opened up a whole new realm of research and DNA has helped me solve, or put to rest, some family mysteries and dead ends. Without DNA, one entire line of my own tree was incomplete and incorrect. We now know more about our past than we could ever have hoped for. I am sure that DNA research will continue to solve some mysteries, and possibly even create some new mysteries.

I only ask one thing, and that is for all the family to continue to contact me with any information that is missing or incorrect, and that you all continue to contact me regarding any births, deaths and marriages. This is a BIG family, and I can't know it unless you tell me.

This book is a work in progress and will never end, as births deaths and marriages continue down the generations in perpetuity. There are bound to be mistakes in this book and I would appreciate being notified of any alterations or corrections that may be found.

Thank you once again for all your help and please enjoy this labour of love that has taken me more than 30 years to produce.

2. Edward BANNAN [92] (*Edward 1st¹*) was born about 1817 in Kings County, Ireland, died on 20 Nov 1882 in Kerang , Vic, Australia,¹ aged about 65, and was buried on 22 Nov 1882 in Kerang , Vic, Australia. The cause of his death was gradual disease of nature.

General Notes: Edward Bannan aged 30 came to Australia on a ship named "Thelis", 460 tons, which sailed from Cork on 9 November, 1841 and arrived at Port Phillip on 17 February, 1842. His trade was labourer, religion Roman Catholic. Also aboard this ship was Patrick Bannan, 31 carrier of Co. Cork and his wife, Mary Anne, 30 and their son John 6. It is uncertain if they were related to Edward Bannan.

Edward and Mary Redmond were married at St Mary's Church, Geelong. Witnesses to Edward and Mary's marriage were Maurice Treheny (?) and Catherine Redmond.

Edward's occupation was always recorded as farmer. In the 1875 Post Office Directory, Edward's occupation was said to be carrier.

Edward married **Mary REDMOND** [93], daughter of **John REDMOND** [224] and **Sarah FARRELL** [223],³ on 4 Feb 1847 in Geelong, Vic, Australia.² Mary was born about 1830 in Ireland, died on 27 May 1913 in Kerang , Vic, Australia,⁴ aged about 83, and was buried on 29 May 1913 in Kerang , Vic, Australia. The cause of her death was senile decay and exhaustion. Other names for Mary were Redman and Redmun.

Mary Redmond sailed on the ship "Argyle" from Liverpool on 11 January 1841 and arrived at Port Phillip on 12 April, 1841. She was 11 years old at the time. In 1914 William is listed as a farmer at Yinnar, Victoria, so he may have returned to Victoria after his brother John's death at Yinnar and farmed there for a while, but it would appear he returned to Queensland at some stage after this. He is listed as living at Thargomindah, Qld in 1925. His occupation at this time is listed as Station manager.

We regret to have to record the death of Mr. William James Fahey, which sad event took place yesterday morning, after a lengthy illness, which was borne with great fortitude.

The cause of death was diabetes. Mr. Fahey was a native of Richmond, Victoria, where he was born sixty nine years ago. He came to this State forty-four years ago, and was engaged as bookkeeper for Mr. J. L. Corrigan, for some time. He after wards went in the same, capacity to Corrong, and it is as bookkeeper for the late Mr. Albert P. E. Tyson, that the deceased was best known in this district. When failing health rendered it desirable that he should come into Hay to reside, he continued to act as clerk and in a confidential capacity to some firms in the town, with much acceptance. He was also a very successful secretary of the Hay Jockey Club, his interest in the club extending beyond his mere clerical duties. Of late years, he had acted as a director of the Hay Butter Factory Company Ltd., and in that capacity he was present at the annual meeting of the shareholders, last month. Mr. Fahey married Miss Mary McKinnon, daughter of the late Donald and Mrs. McKinnon, of West Hay, and his wife and a son, William, and a daughter. Mary (Mrs. James Thomson) survive him. The deceased gentleman was one of the old school of dependable employees whose interest in their work extended far beyond their working hours.

He was an exceedingly careful and neat clerk, and no one who employed him in that capacity ever regretted it.

His host of friends will join in expressing their sympathy with the bereaved wife and family. The funeral took place this afternoon, moving from St. Virgilius' Church. There was a good and representative attendance to pay the last sad offices of respect to an esteemed citizen. Rev. Fr. Carroll officiated.

Children from this marriage were:

- 49 M i. **William James FAHEY** [8957] was born about 1907, died in 1945 in WW2, aged about 38, and was buried in Singapore.

We regret to have to record the death of Mr. William James Fahey, which sad event took place yesterday morning, after a lengthy illness, which was borne with great fortitude.

The cause of death was diabetes. Mr. Fahey was a native of Richmond, Victoria, where he was born sixty nine years ago. He came to this State forty-four years ago, and was engaged as bookkeeper for Mr. J. L. Corrigan, for some time. He after wards went in the same, capacity to Corrong, and it is as bookkeeper for the late Mr. Albert P. E. Tyson, that the deceased was best known in this district. When failing health rendered it desirable that he should come into Hay to reside, he continued to act as clerk and in a confidential capacity to some firms in the town, with much acceptance. He was also a very successful secretary of the Hay Jockey Club, his interest in

Descendants of Edward BANNAN 1st

the club extending beyond his mere clerical duties. Of late years, he had acted as a director of the Hay Butter Factory Company Ltd., and in that capacity he was present at the annual meeting of the shareholders, last month. Mr. Fahey married Miss Mary McKinnon, daughter of the late Donald and Mrs. McKinnon, of West Hay, and his wife and a son, William, and a daughter. Mary (Mrs. James Thomson) survive him. The deceased gentleman was one of the old school of dependable employees whose interest in their work extended far beyond their working hours.

He was an exceedingly careful and neat clerk, and no one who employed him in that capacity ever regretted it.

His host of friends will join in expressing their sympathy with the bereaved wife and family. The funeral took place this afternoon, moving from St. Virgilius' Church. There was a good and representative attendance to pay the last sad offices of respect to an esteemed citizen. Rev. Fr. Carroll officiated.

OBITUARY.

OBITUARY.

Mr. John McKinnon.

During the past six weeks death has removed more well known residents of the district from our midst than during any similar period of time in memory, the latest victim being Mr. John McKinnon, of Benduck Back Station, who died in the Hay Hospital on Friday evening, after three days' illness. Jack McKinnon was born at Werribee Park, Victoria, 59 years ago, and was the younger son of the late Donald and Mrs. McKinnon, of West Hay. He came to the Hay district with the family at an early age, and as he grew up followed the calling of his father, that of station work. As a young man he entered the employ of the late Mr. Gordon Ayre, and later became an employee of Messrs. Stevenson, and Ayre. Being a good horseman he had no difficulty in qualifying for inclusion in the Bushmen's Contingent, which took part in the South African War of 1900-2, and he served 12 months at the front. He came through unscathed, but his horse was shot dead under him in one skirmish with the Boers. He continued with the same pastoral firm and went to Moangul, in the Ivanhoe district, and later to Adavale, near Booligal. ; From there he enlisted for the Great War, and went into camp, where he stayed for some months, but was unable to pass the medical test. To his chagrin he was compelled to return to civilian life and found a berth with his old employers, going to Kaine, in the Western district of Victoria, to look after that property, which was then owned by the late Mr. A. G. Stevenson. About 1920, he returned to Benduck to take charge of the back station, and he has remained there ever since. He was very highly esteemed by his employers, and he had over many years proved his efficiency and his painstaking care for the welfare of the interests of the firm which employed him.

For some time past he had not enjoyed good health, but he did not complain, and carried on with his work. On Tuesday he had been working at a well, but in the evening appeared as well as usual. About 10 p.m., Mrs. McKinnon heard him searching for mentholated spirits, which blend he wished to rub into an old injury to his knee. As he did not return to bed she went to see what had happened, and found him kneeling on the floor. He said he was unable to get back to bed, and she tried to make him comfortable where he was while she rang for help. She could not raise anybody on the telephone, and as she was alone with her husband, other members of the family being in Hay, she went to catch a horse to put in the sulky. She succeeded in doing this. Her husband by this time was in a state of collapse, but she placed him in the sulky, and then she drove the vehicle over three miles to Mr. S. Milliken's Yarrowa, where the son was employed. Here Mr. McKinnon was quickly transferred to a motor car and driven to Dr. Thompson's, the doctor being informed beforehand on the telephone. The patient reached Hay about 3a.m., and was at once taken to the Hospital, where it was found that he was suffering from a bad paralytic seizure. He revived slightly next day, but complications setting in he relapsed, and died on Friday evening.

Mr. McKinnon was married at Hay over 30 years ago to Miss Lizzie Mitchell, daughter of the late Mr and Mrs J. Mitchell. She and a family of one son and nine daughters survive. They are Mr. John L. McKinnon, Mary (Mrs. Reid, Cooimbil); Sarah (Mrs. F. C. Johnson of Greenvale) ; Victoria (Mrs. H. A. Keys); Flora; Minnie (Mrs. T. Cameron, Benduck) ; Jean, Matilda, Margaret and Ethel, the youngest girl being about 12 years old. General regret is expressed with the sorely bereaved family.

Descendants of Edward BANNAN 1st

The funeral took place on Saturday afternoon, the body being buried in the Presbyterian portion of the cemetery, after a service had been held at the Church. Both the services were conducted by the Rev. H. D. Mackie. There was a good attendance of town and district residents, who took the last opportunity to show their regard for a man who was widely known and highly respected by all who came in contact with him. At the close of the graveside service, 'The Last Post' was sounded by Mr. W. J. Wilkins.

OBITUARY

OBITUARY

Mr. John Connor

The death occurred very suddenly yesterday of an old and highly respected resident of the district in the person of Mr. John Connor, in his 72nd year.

Mr. Connor, who had not been in the best of health for some little time, went out with his son, Mick, to Burrabogie, to pick up some of his tools. Whilst there, sitting in the car, he suddenly collapsed and died before medical aid could reach him. Mr. Connor was the eldest of the nine children of the late Joseph Connor and came to this district at the age of five years from Mount Hope. He has lived here ever since.

He was employed as an engine driver at the irrigation area pumping station for several years from about 1911, but most of his life has been spent in earth moving contract work. He worked his teams over a large part of the Hay district, tank sinking, road building, and other work and he was known not only as a most honest straight forward dealer, but a man who scarcely knew when the day's work was done. His toil was during the days when a man had to plod behind his horses with plough and scoop and a great many of the dams in the district, as well as the roads, resulted from his industry.

During his younger days Mr. Connor, was a keen cricketer, footballer, and swimmer; he won a lot of trophies at the latter sport particularly.

His wife, who was a Miss Minnie McKinnon, one of a very well known family in the district, survives him with their five, children. The family are Sister Gwen Connor (of the Sydney Hospital), John Edward (Mick) of Hay), Thelma (Mrs. Ridges, Hay), Charlie (Hay), and Joyce (Mrs. Connelly, Melbourne). One son and Charlie and Sister Gwen Connor, served in the A.I.F. over seas. Sister Connor served for a long time with distinction in the Middle East with the Nursing Service. He is also survived by one sister, May (Mrs. Reg Hedley, of Hay), and four brothers, Joseph, Les and Fred (of Hay), and Arthur (Sydney).

The funeral will be held tomorrow afternoon at 4 o'clock, from the St. Andrew's Presbyterian Church, Hay. Mr. Ron Wall is making the funeral arrangements.

TROOPER JOHN JOSEPH BANNAN.

Sincere regret was expressed in Berwick and Beaconsfield when the sad news was received that Trooper John J. Bannan, late of Berwick, of the 8th Light Horse Regiment, had died of malaria fever in hospital at Damascus, in Palestine, on 16th October. Trooper Bannan had been in action for three years and five months, and leaves a wife and two young children to mourn their loss. The deceased soldier, who was 29 years of age, was the eldest son of Mr. and Mrs. Denis Bannan, of Kerang, old and highly respected residents of that district, with whom the deepest sympathy is felt, as two other sons, Frank and Willie, were killed in action in France in August, 1916. May their souls rest in peace.

'Erratic driving' before two died

A WITNESS in the Coroner's Court yesterday alleged that a truck was being driven erratically before a smash in which two elderly women were fatally hurt in Normanby rd., South Melbourne, on April 15.

George Edward Mair, fumigator, of Brougham Ave., Kew, driver of the utility truck, has been charged with manslaughter.

The witness, John Fortune Conrick, fitter and turner, of Acland st., St. Kilda, was giving evidence at the inquest into the deaths of Mrs. Minnie Veronica Young, 68, of Williamstown rd., Port Melbourne, and Miss Brigid Agnes Frawley, 61, of Raglan st., Port Melbourne.

John Robert Pettiona, 21, taxi driver, said the two women were passengers in his taxi.

"Take it easy"

They told him to "take it easy" and he was travelling at 25 m.p.h. along Normanby rd., when an approaching truck went on to its wrong side.

He added: "I swung on to my wrong side, or we would have 'copped the lot.'"

Pettiona said he had been driving only two weeks before the accident.

Under cross-examination he said later that he had since been in a triple car accident involving Sir Dallas Brooks, Governor, on Beach rd., Brighton.

Mrs. Margaret Ellen Frawley, barmaid, of Blyth st., East Brunswick, who was also in the taxi, and was seriously hurt, gave evidence from a stretcher.

Detective John Duncan McKenzie, read a signed statement alleged to have been made by Mair. Mair's alleged statement said that he swung the truck to the left to avoid an oncoming car, but

Descendants of Edward BANNAN 1st

did not remember anything further until he heard women screaming.

Mr. Burke, S.M., coroner, found that Mrs. Young and Miss Frawley died from injuries received when the truck by misadventure collided with a taxi.

Mr. Burke said he was not prepared to say on the evidence that a prima facie case, of manslaughter had been made out.

FAMOUS BAKER

A Bena Football and Netball Club volunteer and famous Korumburra baker has died.

Leonard George Jones (Pop or Poppy, as he is known to many) was born on December 13 1925 at Bendigo, the second of three children to George and Kath Jones.

Len started school at Red Cliffs primary, then St. Joseph's Catholic school in Red Cliffs until the family moved to Swan Hill.

In his youth, Len was a cub Scout, a roller skater, motorbike and sidecar racer as well as playing harmonica for a regional radio station.

He was even a ballroom dance instructor at a prestigious Melbourne dance academy.

Len left school around the age of 14 and took up an apprenticeship as a baker in Swan Hill.

He continued his apprenticeship in Nhill before finishing up at Kew.

During his apprenticeship year, World War 2 broke out Len enlisted in the Navy.

Len was not taken in, however, as his baker's apprenticeship didn't allow for such under the terms of the Essential Services Act, so he had to stay home and bake bread.

Employment opportunities after the war led Len to Yenda (NSW) where he started his own business as a baker.

He gave this away and followed his father's footsteps, joining the PMG where he worked as a linesman, cable joiner, and jackhammer operator.

It was around this time he met Margaret Sullivan.

Len and Margaret had nine children, Michael, Kathleen, Patricia, Gregory, Susan, Maxwell, David, Fiona and Kellie; then 21 grandchildren, a number which is still increasing.

Len gave away his PMG job in the late 1950's and joined his brother-in-law working on a fruit block at Woorineen, near Swan Hill.

When the block was sold returned his hand back to baking and the family moved to Myrtleford before moving to Korumburra 43 years ago.

Len soon earned fame as the baker at LeGross's in Korumburra, along with his home delivered bread run.

Len left the bakehouse and took up farmhand work, milking cows in the district for Walkers (Korumburra), Castles (Bena), Prossers (Loch), and Lupis (Bass Valley) before being forced onto an invalid pension 24 years ago.

At this juncture (1980) the family settled at Korumburra into what at the time was a rather plain housing commission house.

Len's love of gardening saw him transform the appearance with a very well groomed garden.

But it was not only the front garden that was Len's showpiece, he toiled equally hard in the backyard with his veggie patch, fruit trees and orchids.

As his children grew, Len's interest in life followed them.

For many years he helped coach at the Bena Netball Club and was a team manager thirds and fourths teams for the Bena Football Club.

Len also served on the Bena Football Club Committee.

Descendants of Edward BANNAN 1st

He was also involved in the cricket club at Bena, playing key roles in coaching and team management.

Yet despite all these involvements in things for the kids, Len still managed a bit of time for fishing, cards, a bet or two on the horses, and time to watch the cricket and footy on TV.

After an illness, Len passed away peacefully at Korumburra hospital on April 9, aged 77 years.
