Since I have been doing the research I have wondered how different our lives might have been if our ancestors had not chosen the directions that they did. These directions have made us who we are, and landed us in so many different places.

I wonder at the courage of our ancestors - getting on those ships and sailing to far flung foreign lands, with little or no hope of returning to see their families again. How brave they must have been, or perhaps they were just desperate.

We cannot forget those who stayed at home and kept the home fires burning and gave our intrepid travellers a point of reference.

Whether they stayed in places old or travelled to places new, and whatever the reason for their remaining in, or departing from those homelands, we should continue to thank them for being our parents, grandparents and great grandparents and for helping to make us who we are today.

With this in mind, this book is

For my children and grandchildren
and broader family
so they know all where we came from.

Copyright

This book has been produced for the express use of family members and should not be reproduced, but can be used for research purposes. However, please respect the privacy of living family by keeping their information confidential.

Thank You

I would like to thank all the members of the family who have continued to supply me with information. There are too many to name, but you know who you are. Without that information, this book would not exist.

Special thanks go to my late aunts, Pax Towt (Blackwell) and Eve Johnson (Blackwell) and my mother Nancye Blackwell, without whose collaboration, enthusiasm, encouragement and advice, I may never have continued with this research.

My research is also interlinked with many other researchers whose families are linked to our own. Thank you to those people who have carried out research into these other family branches. Please see the bibliography and sources at the back of this book for this information. (As a paper saving measure I sometimes omit this information, but it can be supplied on request).

Introduction

Many strange and interesting facts are discovered in the process of family tree research. It can be costly and frustrating, but the results are so worthwhile, all the negatives disappear.

Sadly, there are some facts that will never be known, and a certain amount of supposition then comes into play, but a fact is not a fact without written evidence, so where ever possible, that evidence has been included in the sources section of this book. (As a paper saving measure I sometimes omit this information but it can be supplied on request).

I have carried out this research mostly at my own cost, and in my own time, but I believe that the more people this information is shared with, the longer it will last. I am happy to share this information with the family and I hope that you get some benefit out of my 30 plus years of research.

My motto is "always ask the questions". Sometimes you don't get the answers you want and would like, but if you don't ask, you will never know.

Research can be dry and boring to read and can only go so far, conversations round it all out. Over the years the conversation becomes less and the research becomes greater. It is important to try to have some family stories included amongst the research to make the family seem alive.

DNA has opened up a whole new realm of research and DNA has helped me solve, or put to rest, some family mysteries and dead ends. Without DNA, one entire line of my own tree was incomplete and incorrect. We now know more about our past than we could ever have hoped for. I am sure that DNA research will continue to solve some mysteries, and possibly even create some new mysteries.

I only ask one thing, and that is for all the family to continue to contact me with any information that is missing or incorrect, and that you all continue to contact me regarding any births, deaths and marriages. This is a BIG family, and I can't know it unless you tell me.

This book is a work in progress and will never end, as births deaths and marriages continue down the generations in perpetuity. There are bound to be mistakes in this book and I would appreciate being notified of any alterations or corrections that may be found.

Thank you once again for all your help and please enjoy this labour of love that has taken me more than 30 years to produce.

Baptized Church of England at ? Carisbrook 6 August 1854.

Susannah's first husband, John Phillip Lucas's great grandparents, Nathaniel Lucas and Olivia Lucas (Gascoine) arrived in Australia, as convicts, on the first fleet on 26 Jan 1788.

Susannah and John Phillip Lucas were married by a Congregational Minister at Maryborough. Witnesses were Martha Jane Allen and Hannah Lucas.

Jessie Jones cuts her birthday cake on Tuesday.
To meet her, you would never guess that Jessie Jones had just turned 99 years old.

Her energetic personality, or how easily she can hold a conversation, points to a much younger lady.

Her easy-to-talk-to nature is possibly why she has formed so many friendships over her life's journey.

Jessie, who has lived in Deniliquin all her life, had more than 40 family and friends gather on Tuesday, her actual birthday, to mark her 99th year with an afternoon tea.

Jessie Jones (Maver)
from newspaper article 2013 for her 99th birthday
(2013)

"I've had a wonderful day," said Jessie, who then shared her appreciation of her home town.

"I love Deni and the people in it.

"I've hardly ever left, only to go to Melbourne and to Sydney."

Jessie has worked several jobs throughout her lifetime, which she says has been one of "ups and downs".

"Anywhere I can help, I have done it," she said.

The PASTORAL TIMES reported on Jessie's 90th birthday, referring to her as "an avid bowler".

Her friends of more than 40 years -Tony and Lyn Smith - say she has always been "lively" and "energetic".

Despite breaking her hip one year ago, Jessie still "runs everywhere", Mrs Smith said.

And what was her birthday wish?

"I just wish everybody the best."

Jessie, who never had children with her late husband Ron, announced proudly that she has three nieces. She is looking forward to her centenarian celebrations next year.

from the South Gippsland Sentinel Times Newspaper 23 April 2003 page 11

FAMOUS BAKER

Len Jones 1987

A Bena Football and Netball Club volunteer and famous Korumburra baker has died.

Leonard George Jones (Pop or Poppy, as he is known to many) was born on December 13 1925 at Bendigo, the second of three children to George and Kath Jones.

Len started school at Red Cliffs primary, then St. Joseph's Catholic school in Red Cliffs until the family moved to Swan Hill.

In his youth, Len was a cub Scout, a roller skater, motorbike and sidecar racer as well as playing harmonica for a regional radio station.

He was even a ballroom dance instructor at a prestigious Melbourne dance academy.

Len left school around the age of 14 and took up an apprenticeship as a baker in Swan Hill.

He continued his apprenticeship in Nhill before finishing up at Kew.

During his apprenticeship year, World War 2 broke out Len enlisted in the Navy.

Len was not taken in, however, as his baker's apprenticeship didn't allow for such under the terms of the Essential Services Act, so he had to stay home and bake bread.

Employment opportunities after the war led Len to Yenda (NSW) where he started his own business as a baker.

He gave this away and followed his father's footsteps, joining the PMG where he worked as a linesman, cable joiner, and jackhammer operator.

It was around this time he met Margaret Sullivan.

Len and Margaret had nine children, Michael, Kathleen, Patricia, Gregory, Susan, Maxwell, David, Fiona and Kellie; then 21 grandchildren, a number which is still increasing.

Len gave away his PMG job in the late 1950's and joined his brother-in-law working on a fruit block at Woorineen, near Swan Hill.

When the block was sold returned his hand back to baking and the family moved to Myrtleford before moving to Korumburra 43 years ago.

Len soon earned fame as the baker at LeGross's in Korumburra, along with his home delivered bread run.

Descendants of Susannah CRUICKSHANK

Len left the bakehouse and took up farmhand work, milking cows in the district for Walkers (Korumburra), Castles (Bena), Prossers (Loch), and Lupis (Bass Valley) before being forced onto an invalid pension 24 years ago.

At this juncture (1980) the family settled at Korumburra into what at the time was a rather plain housing commission house.

Len's love of gardening saw him transform the appearance with a very well groomed garden.

But it was not only the front garden that was Len's showpiece, he toiled equally hard in the backyard with his veggie patch, fruit trees and orchids.

As his children grew, Len's interest in life followed them.

For many years he helped coach at the Bena Netball Club and was a team manager thirds and fourths teams for the Bena Football Club.

Len also served on the Bena Football Club Committee.

He was also involved in the cricket club at Bena, playing key roles in coaching and team management.

Yet despite all these involvements in things for the kids, Len still managed a bit of time for fishing, cards, a bet or two on the horses, and time to watch the cricket and footy on TV.

After an illness, Len passed away peacefully at Korumburra hospital on April 9, aged 77 years.
