Since I have been doing the research I have wondered how different our lives might have been if our ancestors had not chosen the directions that they did. These directions have made us who we are, and landed us in so many different places.

I wonder at the courage of our ancestors - getting on those ships and sailing to far flung foreign lands, with little or no hope of returning to see their families again. How brave they must have been, or perhaps they were just desperate.

We cannot forget those who stayed at home and kept the home fires burning and gave our intrepid travellers a point of reference.

Whether they stayed in places old or travelled to places new, and whatever the reason for their remaining in, or departing from those homelands, we should continue to thank them for being our parents, grandparents and great grandparents and for helping to make us who we are today.

With this in mind, this book is

For my children and grandchildren
and broader family
so they know all where we came from.

Copyright

This book has been produced for the express use of family members and should not be reproduced, but can be used for research purposes. However, please respect the privacy of living family by keeping their information confidential.

Thank You

I would like to thank all the members of the family who have continued to supply me with information. There are too many to name, but you know who you are. Without that information, this book would not exist.

Special thanks go to my late aunts, Pax Towt (Blackwell) and Eve Johnson (Blackwell) and my mother Nancye Blackwell, without whose collaboration, enthusiasm, encouragement and advice, I may never have continued with this research.

My research is also interlinked with many other researchers whose families are linked to our own. Thank you to those people who have carried out research into these other family branches. Please see the bibliography and sources at the back of this book for this information. (As a paper saving measure I sometimes omit this information, but it can be supplied on request).

Introduction

Many strange and interesting facts are discovered in the process of family tree research. It can be costly and frustrating, but the results are so worthwhile, all the negatives disappear.

Sadly, there are some facts that will never be known, and a certain amount of supposition then comes into play, but a fact is not a fact without written evidence, so where ever possible, that evidence has been included in the sources section of this book. (As a paper saving measure I sometimes omit this information but it can be supplied on request).

I have carried out this research mostly at my own cost, and in my own time, but I believe that the more people this information is shared with, the longer it will last. I am happy to share this information with the family and I hope that you get some benefit out of my 30 plus years of research.

My motto is "always ask the questions". Sometimes you don't get the answers you want and would like, but if you don't ask, you will never know.

Research can be dry and boring to read and can only go so far, conversations round it all out. Over the years the conversation becomes less and the research becomes greater. It is important to try to have some family stories included amongst the research to make the family seem alive.

DNA has opened up a whole new realm of research and DNA has helped me solve, or put to rest, some family mysteries and dead ends. Without DNA, one entire line of my own tree was incomplete and incorrect. We now know more about our past than we could ever have hoped for. I am sure that DNA research will continue to solve some mysteries, and possibly even create some new mysteries.

I only ask one thing, and that is for all the family to continue to contact me with any information that is missing or incorrect, and that you all continue to contact me regarding any births, deaths and marriages. This is a BIG family, and I can't know it unless you tell me.

This book is a work in progress and will never end, as births deaths and marriages continue down the generations in perpetuity. There are bound to be mistakes in this book and I would appreciate being notified of any alterations or corrections that may be found.

Thank you once again for all your help and please enjoy this labour of love that has taken me more than 30 years to produce.

General Notes: William and Sarah were married by Banns.
Witnesses to the marriage were John Darlow and Mary Ann Fox.

At the 1851 Census, William was living at Rookery, Kimbolton. When he married in 1860, his address was given as White Horse Yard. At 1881 Census he was living at Bridewell Lane, Kettering and his occupation was given as local road foreman, in 1891, he was living at 12 Eden Street Kettering and occupation was Foreman-local road Board.

In 1911 at the time of the census, he had two of his granddaughters staying with him, Doris Blackwell 15 years and Ethel Darlow 24 years.

It is thought that William's wife, Sarah Holland, and her family were Romany Travellers (gypsy).

When William died he was living at 19 Club St Kettering, England. William, Sarah, and their granddaughter Daisy Miles (Darlow) are all buried in a grave number C / 447.

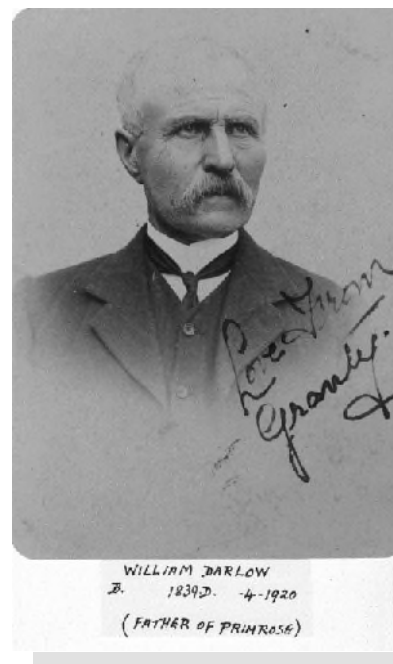

Most or all of William and Sarah's children were mostly referred to by their second names.

FROM THE RECOLLECTIONS OF ROBERT BERNARD BLACKWELL (grandson) in 1987

.....Grandad Darlow. I remember him well, often used to see him walking around the streets of Kettering on his job.....I can see him now walking very straight, shoulders back, and we'd say "good morning Grandad", we were proud to address him as Grandad "good morning, m'boy" always very courteous and very nice. He was a Yorkshire man, he used to do a lot of road work and drain work in Yorkshire and he got a contract to do work for the Kettering Council and he came down there and did drains and roads and he was so satisfactory that when he finished his contract to do work for the Kettering Council offered him the job of Outdoor Overseer of all their outdoor staff. That's when we used to see him, going doing his rounds, supervising the men. He had that till the day he retired. They lived in Eden Street Kettering.....

William married **Sarah HOLLAND** [1292], daughter of **Edward HOLLAND** [1315]¹³⁸ and **Maria SMITH** [819],¹³⁹ on 3 Dec 1860 in Wellingborough, Northamptonshire, England.⁸⁶ Sarah was born on 1 Mar 1838 in Leighton Buzzard, Bedfordshire, England,³² was christened on 16 Feb 1846 in Bedford, , England,¹⁴⁰ died on 19 Nov 1910 in Kettering, Northamptonshire, England,¹⁴¹ at age 72, and was buried on 23 Nov 1910 in London Road Cemetery, Kettering, Northamptonshire, England.¹⁴² The cause of her death was heart disease, dropsy, coma.

General Notes: Sarah was 19 years old at the time of her first marriage which took place at the Parish Church, Wellingborough, Northamptonshire. Her profession at her first marriage was given as housekeeper, and her address was Railway Station.

When she married for the 2nd time her occupation was given as Closer and her address was given as White Horse yard. In the 1861 Census, there is a Thomas and Martha Horn living next door to William Darlow and Sarah. Possibly Sarah's brother and sister in law from her first marriage. Also Sarah's brother Thomas aged 14 was living with William and Sarah in 1861.

Sarah's mother, Maria Smith, is said to have been a gypsy (sjholmes51-Ancestry.com). Robert Bernard Blackwell used to tell the family a story about someone in the Darlow family being a gypsy (Romany Traveller). He said that the women in the family used to sit around the fire smoking pipes and that the family used to talk in a different language. Dave Darlow, England, in July 2012 advises that they were told that Sarah Holland was a gypsy and his father could speak the gypsy language as could his grandfather and they learnt it from Sarah Darlow (Holland).

In 1872 when Charles Henry was born, Sarah and William were living at Box Meadow, Blatchinworth, Lancashire and William's occupation was given as brickmakers labourer. In April 1875 when Charles Henry died, William and Sarah were living at New Road, Dearnley Wuerdle, Lancashire. Interestingly, Sarah's surname is given as Late Horn, formerly Johnson on Charles Henry's birth certificate.

Noted events in her life were:

- She resided at 12 Eden Street, Kettering at the time of her death.
- She worked as a closer in 1860.
- Sarah was a shared grave to the burial of William DARLOW [1293] 7 Apr 1920 London Road Cemetery, Kettering, Northamptonshire, England.⁸⁵

Nephritis.
General Notes: It appears that Charles was christened twice, once on the 8th April 1872 at Littleborough, Lancashire, England at the Holy Trinity Church. Then Charles was christened again at St John the Baptist Church, in Smallbridge, Lancashire, along with Albert Edward, Arthur William, Walter Herbert, and Primrose. William and Sarah were living at Dearnley and William's occupation was given as labourer.

When Charles was born William and Sarah were living at Box Meadow, Blatchinworth, Lancashire, England. This is noted as the sub district of Blatchinworth and Calderbrook on his birth certificate. I cannot find this town on the map so I presume it no longer exists. According to what I have been able to ascertain, it appears to have been nearby to Rochdale, and quite close to the Higher Chelburn Reservoir.

In 1870-72, John Marius Wilson's Imperial Gazetteer of England and Wales described Blatchinworth like this: BLATCHINWORTH, a township and a subdistrict in the district of Rochdale, Lancashire. The township bears the name of Blatchinworth-with-Calderbrook; lies on the Manchester and Leeds railway, 5 miles NE of Rochdale; contains seven hamlets and Little borough village, the last with a post office under Manchester and a r. station; and has romantic scenery., numerous good residences, a church, five dissenting chapels, an endowed school, eight cotton mills, twelve woolen mills, two collieries, and rich quarries. Real property, £14,551; of which £1,020 are in mines. Pop., 4,860. Houses, 980.-The subdistrict is conterminous with the township.

1901 Census occupation rabbit catcher. Living with wife Annie aged 27 and child Lizzie aged 2

1911 Census Occupation rabbit catcher. Living with wife Anne aged 36, child Lizzie and also relation Anne Bright 75 years widow (possibly mother in law)

1939 Census named as Robert on census DOB given as 21st May 1848, occupation Agricultural Labourer, retired living with wife Annie DOB given as 5th Feb 1873 and daughter Elizabeth DOB given as 8th April 1899

I believe that Reuben may have sometimes been called Robert in later life. I believe I have found him and his wife Annie in the 1939 census, however he is listed as Robert. His wife is considerably younger than him, so I believe this is probably Reuben. This is particularly confusing in view of the fact that Reuben had a brother named Robert.

I have found a possible death for Reuben misnamed Robert, in Shrewsbury in 1944, at the age of 96 at death this would be not too far from Reuben's correct age at that time.

On the death certificate, Reuben is named as Robert aged 96 years, his address was given as Woodbine Cottage, Exfords Green, Stapleton. His occupation is Gamekeeper (retired) and the death is registered by Ada Reece, step daughter who was present at the death. Her address is given as 1 Court Rowshill Bank Shrewsbury. This is certainly Reuben rather than Robert as Reuben's second wife Annie Bright had a daughter named Ada Annie Bright b. 1894, who married John Reece in 1924 but by the 1939 census, Ada was a widow, her husband John Reece died in 1930.

Fishing in Forbidding Waters

Reuben Darlow and David Lilley, both of Kimbolton were both charged with unlawfully fishing in certain private waters occupied by his Grace the Duke of Manchester on the 10th Inst.

The charge was proved by Charles Peckham, son of the Dukes Head keeper, He deposed that on the day in question he saw the two defendants near a stream called the River Kim, which runs near the castle. One of them had a fishing rod with wire attached and it was evident they were snaring for fish. The defendants in answer to certain questions put to them by the witness said they were doing nothing, but had obtained no permission to fish there.

Darlow however, became very violent and threatened (with the accompaniment of certain foul language) to knock witnesses head off. He also said when the opportunity offered he would "do for him".

Descendants of William DARLOW

Defendants said they had fished in the river for years, and nothing had been said to them. They did not know they were trespassing.

Mr. Peckham Snr said he did not wish to be hard on the men, he merely desired to put a stop to the practice of fishing in the river in question

It was proved that both defendants had both been previously convicted, Darlow no less than four times. They were therefore ordered to pay 30/ including costs.

.....And Mum's crowd, there was her eldest brother Albert, Uncle Bill, Uncle Walt, Mum and Uncle Bob, in that order. Uncle Bill I can remember in 1909, he sold up, he had grown up boys and a couple of girls, though we never saw them, never ever visited them, I've never been in his house, I didn't even know where he lived because Mother never visited them. They were more or less at daggers drawn, she and this brother, and she never went there, and he only came to say goodbye. He brought his wife and his two boys [one son and one son in law at the time], well they were young men in their twenties. He went to America, he was a top class engineer in Kettering. They went to America [Canada] the last I heard Geoff, this is what I can't remember, whether it was Chicago or one of those places. He set up an engineering works, because they sent us a picture back, we got a picture back, not from him but from the family, and there's this building with a big board across there "William Darlow and Sons, Engineers", I don't know what they did. I don't know what happened to them, never heard of them from that day to this. That was the only clue we ever had and what became of that photograph I don't know, but it came out.

From the Recollections of Eric Charles Darlow in 2019

"I can recall my Darlow grandparents from when I was about 6 years old. They lived in a terraced house in Kettering - 74 Havelock Street. I recall the house had a lavatory out in the yard and their water came from a well in the back garden. There was no front garden-the front door opened directly on to the street.

I do know that Walter was a part time Orator. He apparently used to work in Fairgrounds (Hollands) where he would be in a big tent and tell stories or recite poetry to the public. He spoke in village halls and the like. Those days there were neither radio or television so good story tellers were apparently much sought after.

Granny (Maggie) Darlow was a Bailey. There is quite a large family of Baileys in Kettering. They are, as I understand it, of Romany extraction. There must have been money in the family at one point because Grandfather and Granny had various businesses - one of which was a fish and chip shop."

Wardle is a village within the Metropolitan Borough of Rochdale, in Greater Manchester, England. It lies amongst the foothills of the South Pennines, 1.8 miles (2.9 km) east-southeast of Whitworth, 2.5 miles (4 km) north-northwest of Rochdale and 12 miles (19 km) north-northeast of the city of Manchester.

Wardle is historically a part of Lancashire, The name Wardle is said to be derived from "Ward Hill", implying "fortified place". Brown Wardle Hill overlooks the village from the north, its name being derived from the Celtic word bron meaning "round".

Wardle, the most northerly settlement in Greater Manchester, encompasses small parts of Smallbridge and Dearnley urban areas contiguous with Rochdale. Lying within the historic county boundaries of Lancashire since the early 12th century, Wardle was anciently linked with Wuerdle, and lay within the township of Hundersfield and parish of Rochdale. Wuerdle and Wardle would later split from Hundersfield to form a township of itself, still within the parish of Rochdale and in the hundred of Salford.

Primrose was christened at St John the Baptist Church in Smallbridge in 1874, the same day as all her siblings other than the youngest who was not born until 1878

In 1870-72, John Marius Wilson's Imperial Gazetteer of England and Wales described Smallbridge like this:

*"SMALLBRIDGE, a village and a chapelry in Rochdale parish, Lancashire. The village stands on the river Roch, 2 miles NE of Rochdale r. station; and has a post-office under Rochdale, and numerous factories. The chapelry was constituted in 1844, and curtailed in 1867. Rated property, within the original limits, about £15,000. Pop. in 1861, of the original chapelry, 5,644; of the chapelry as curtailed in 1867, 3,554. The property is much subdivided. The living is a vicarage in the diocese of Manchester. Value, £425. * Patron, the Vicar of Rochdale. The church is good; and there are chapels for Independents and Methodists, and a national school."*

It appears that Primrose's parents moved to Lancashire after the 1871 Census. It has recently been found that there was another sibling Charles Henry Darlow, (not known to us until 2013) who was also born in Lancashire in 1872 and died and was buried in Lancashire in 1875. In 1878, the youngest child of William and Sarah Darlow was born in Northamptonshire so presumably they returned to Kettering between 1875 and 1878.

In the 1881 Census Primrose was living at Bridwell Lane Kettering and her occupation was scholar, with place of birth given as Burnley, Lancashire.

At the 1891 Census Primrose was living at 12 Eden Street, Kettering and her occupation was dressmaker with place of birth recorded as Rochdale Lancashire.

At the 1911 census, Primrose was the head of the house, as William was in Australia. She was living at 6 Upper Street, Kettering, and her occupation was given as shoe trade Eyeleter.

Primrose left England on 9 October 1911 on the Ship Demosthenes on a 54 day voyage to

Some time later, William was seriously gored by a bull and was unable to return to work on the farm, so after approximately 2 years at Allambee, the family moved to Nar Nar Goon where William opened a bootmakers shop.

Descendants of William DARLOW

Ada married **William BLACKWELL** [1283], son of **Alfred BLACKWELL** [1295] and **Ann MILLER** [1294],²⁴³ on 21 Dec 1893 in Kettering, Northamptonshire, England.¹⁶⁰ William was born on 25 Apr 1867 in Higham Ferrers, Northamptonshire, England,²⁴⁴ was christened on 16 Aug 1868 in Higham Ferrers, Northamptonshire, England,²⁴⁵ died on 3 Mar 1953 in Pakenham, Vic, Australia,²⁴⁶ at age 85, and was buried on 4 Mar 1953 in Pakenham, Vic, Australia. The cause of his death was Broncho pneumonia and cardio vascular degeneration.

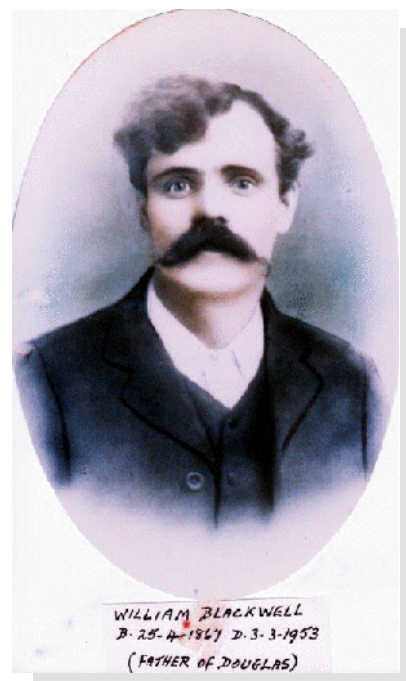

General Notes: William married Evangaline Adams at the Regent Square Wesleyan Chapel by William Johnson. The witnesses to the marriage were Henry Garwood and Beatrice Adams.

William then married Primrose Darlow at St Andrews Church in Kettering by Frederic Llewellyn Dean. Witnesses to the marriage were William Darlow and Sarah Darlow.

At the 1871 and 1881 Census William was living at High Street Higham Ferrers. His occupation in 1881 was given as a shoe clicker. Shoemaker

The family story was that William left England around 1909 on the ship Arawa and travelled to Melbourne, Vic, Australia, where he found work and earned enough money to send for his family about 2 years later. It was thought that William's intended destination was Western Australia, but it now appears that story was inaccurate.

We now know that William Blackwell left London, England on the ship the Arawa which sailed on the 3rd of September 1910 and arrived in Hobart on the 15th March 1911. How and when he arrived in Melbourne is unknown. It is not known if the Arawa docked in Melbourne and William disembarked, or if he went to Hobart and somehow made his way to Melbourne at a later time.

would lie in bed at night and hear the trees cracking and falling down in bad weather. One of the jobs on the farm was to clear the gum trees.

Inez had a dispute with her step mother a few years later and was never seen or heard from by the family again. I was finally able to trace Inez in early 2012.

FROM THE RECOLLECTIONS OF ROBERT BERNARD BLACKWELL IN 1987 (NEPHEW)

.....And then there was Mum's brother Bob, young fellow. She used to like him. He got married, he married a nurse and they had two sons that was the last I heard of him. And he was then, when we left England, we went to see him down at He wasn't home, he was at his work. We went to this factory and out comes this chap with his smart overalls on, badge across the front, cap on his head, Uncle Bob. He was the engineer there, he was a top class engineer, Uncle Bob and he had this job, he used to look after the boiler room and the big main engines, because in those days they didn't have separate motors, they were steam driven and they had one big engine in the basement, and it used to drive all the overhead shafts for all the machines in the factory and every man used to switch on his machine. They used to run all day those machines. Well he had charge of that, had to keep that going. Well I remember him cuddling us and saying cheerio and that was the last I ever saw of Uncle Bob. GARFIELD

On Saturday evening two boys, William and George Pettman, were running behind a cart loaded with chaff. The elder, William Pettman, got right under the cart, holding the axle.

Being ordered by the driver to shift, the boy ran to the front of the vehicle, and endeavoured to climb on to the load, but lost his balance and fell. The wheel passed over his chest, and slightly

grazed his face. The driver carried the boy into the nearest house. He was afterwards examined by Mr. Owen, M.B., who ordered his immediate removal to the Melbourne Hospital.

Service Number - 2419. Bill enlisted at Tynong on 3 May 1915. His parents were living at Bunyip at the time but later moved to North Melbourne. Bill was 5' 8 1/2" tall, 143 lbs and his complexion is described as fair, with blue eyes and brown hair. Bill was employed as an orderly at the General Hospital at Suez for several months in 1915 and arrived in England in 1916 from where he was sent to France. Bill was detached to a Tunnelling for some time. He was reported as missing in action in April 1917 but was later found to be a Prisoner of War in Germany. He was interned at Soltan Hanover in Germany and had been wounded (gunshot wound) when he arrived there. In the paperwork that was recovered from the prison camp, Bill lists his "home place" as Nar Nar Goon and in June 1917 he wrote to his sweetheart at Nar Nar Goon, Doris Augustus Blackwell.

He returned to Australia in 1919 and married Doris Blackwell in September of that year. Sadly Doris died in 1927. Bill remarried in 1932 to Elsie Muriel Robinson. Bill died at Elsternwick in 1952.

Death of Mr G D Blackwell

Mr Gilbert Darlow Blackwell who passed away in the Heidelberg Repatriation Hospital on August 26th after suffering from poor health over the past 12 months, was an old Nar Nar Goon Resident.

He was the eldest son of the Late Mr. William Blackwell, who conducted a boot and repair shop in Mulcare Street, Nar Nar Goon for very many years.

Gilbert Blackwell was born at Kettering, Northamptonshire, In England in 1895, and migrated to Australia with his parents and brothers and sisters at the age of 15 years, arriving in Australia in 1910. [actually December 1911].

The family took up farming at Allambee in South Gippsland till 1912 and then moved to Nar Nar Goon, where Mr William Blackwell purchased the boot business.

Gilbert worked at various occupations (farm work etc.) around Nar Nar Goon until the out-break of war in 1914, when he enlisted in the A.I.F. and served with the 4th Vickers Machine Gun

Descendants of William DARLOW

Battalion in France for the full period to the end of the War in 1918.

Whilst awaiting repatriation to come back to Australia, he spent leave in England and returned to the place of his birth, Kettering and married a former school pal. He brought his bride back to Australia in 1919 and took up residence at Ormond. He was engaged in the trade of coach painting and sign writing in which he was a top class tradesman, for many years and he took over the business of Grant Bros. body works, coach painting and sign writing in Station Street, Malvern, which he conducted successfully till he retired in 1965.

Whilst he resided in Ormond he and his wife were actively associated with sporting bodies.

His greatest love was his Church, and he was very active in the Church of Christ in North Road, Ormond, from 1922 till his death. He served in every conceivable way - Sunday School teacher, Bible classes, secretary, superintendent - he was indeed a very Christian man which was shown by the huge attendance at the Church service and the wonderful tributes paid him by the Minister.

Mr Blackwell's wife predeceased him two years [actually five years] ago after a marriage lasting 50 years. He is survived by two married daughters - Mrs M Knee, of Ormond, and Mrs J MacMillan [sic] of Yarra Glen; sisters, Miss Phyllis Blackwell, Nar Nar Goon, Mrs E Jones, Dandenong, brothers Mr R Blackwell, Clayton, Mr P Blackwell, Dandenong, and Mr E Blackwell Nar Nar Goon.

Ethel Blackwell who lives at Nar-Nar- Goon, writes. - Dear Aunt Connie-since we have been in Australia we have been taking "The Weekly Times," and I enjoy reading the Childrens page very much. Before we came to Australia we lived in England. This is the first time I have written to you, and I hope I shall be accepted as one of your nieces. I will take for my subject "When we first came to Australia". When we left Kettering, which is the name of a place where we lived, we travelled to London by train, we then took a boat from the wharfs and sailed to Teneriffe, where we stayed for a few hours. We then went to Cape Town, where we stayed a day. We arrived at Melbourne on the 6th of October, after being on the water for five weeks. The first place we went to was Allambee, which is very hilly, and it seemed so quiet up in the country after being so used to a town like Melbourne. We now live at Nar-Nar-Goon, and are now quite used to the country. My father is a bootmaker. My age is 13 years 11 months. I will close, wishing the Young Folks page every success. Please may I write again? [Yes Ethel, I will have you for a niece and you may write again-Aunt Connie]

General Notes: Christened at St Andrews Church, Kettering.

Douglas and his brother Paul married cousins, Theadora Morgan-Dawes and Alma Rose Dawes. Douglas and Dora lived in Dandenong for a short time after their marriage, but later moved to 52 Garfield Road, Garfield to the home of Dora's parents Alfred Dawes and the Morgan sisters to look after them in their old age. They probably had at least 2 children when they returned to Garfield, D. Geoff was born in the house at Garfield so they were certainly living in Garfield by 1933. Dora inherited the house at Garfield when her father died.

Douglas Lancelot Blackwell
(1 May 1926)

According to Douglas's brothers and those that knew him, he was a very intelligent man who was very good at fixing things and working things out. One of the Weatherhead's used to say that Douglas was the cleverest person he had ever met.

In 1937 Dora was expecting her 5th child and her health was not good. Douglas and Dora decided to hire a housekeeper in the short term to assist with domestic duties. They hired Cecilia Ryan, mother of the infamous Ronald Ryan (The last man hanged in the State of Victoria). Pearl Madden recounted a story of the time when Cecilia's Husband Jack came to the house at 52 Garfield Road, Garfield and knocked on the front door asking to talk to his wife. Mrs Ryan did not want to talk to her husband, but he forced his way into the house and, armed with a bread knife, chased Cecilia around the kitchen table trying to stab her and shouting abuse. Pearl Blackwell grabbed her 2 younger brothers, Cliff and D. Geoff and run to the bedroom where the children hid under the bed until the commotion died down. I am uncertain if the police were called or if Jack Ryan simply calmed down and left. Allan Blackwell was born in 25 September 1937 and it is thought that Mrs Ryan left Garfield sometime after that time.

Douglas was blinded in one eye following a childhood accident. He was a dragline/dredge operator and during WW2 he worked for the State Rivers and Water Supply Commission and lived and worked away from home a great deal of the time. He began work at the State Rivers in approximately 1935 and was employed for 1 1/2 years as Fireman on Steam Boilers and then as Operator in charge of Caterpillar Diesel Engine Excavator. In 1939 Douglas began a correspondence course with the "International Correspondence School (A/sia) Pty Ltd. The course was on Diesel engine maintenance and repair which he continued until his death in 1942. There are many "percentage Certificate"s for this course and the lowest mark he ever obtained was 96% which was on the first paper he completed.

In October 1940 Douglas was working at Wodonga, on the Hume Weir. He joined the Federated Engine Drivers and Firemen's Association of NSW and had been a member of that Union's Victorian Branch up until 12 October 1940. His last letter to Dora from Wodonga was dated December 5 1940. In March 1941, Mr F Honeychurch of the State Rivers and Water Supply Commission at Koo-Wee-Rup wrote to Douglas offering him a position as a second Machine operator. It is assumed that Douglas took up this offer as there is a letter dated 23 December 1941 from the SR & WSC, East Melbourne, Koo-Wee-Rup branch signed by the District Officer introducing Douglas to the Captain Superintendent of Training at the Flinders Naval Depot at Crib Point (now known as Cerberus) and another letter dated 1942 from the Department of Defence, Flinders Naval Depot in the form of a Pass in and out of the depot. There is a letter from Douglas to Dora from the Flinders Naval Base is dated Jan 10th (1942). His next letter is c/- the Country Roads Board and is almost certainly sent from Fulham where he worked for a time. His letters continue to say c/- CRB until May 11th, 1942, when the heading changes back to SR&WS,

Descendants of William DARLOW

and the location changes to Sale from May to September 1942. He was working on the sewerage system in the area. After the Sewerage was completed it is thought that Douglas worked on the construction of the Sale RAAF Base, as there is a Special Pass dated 6 July 1942 for the hours of 0730 -1800 hours daily for the purposes of working. It is possible that Douglas worked on this project for the entire time he was in Sale. Douglas left Sale and went to Townsville via Brisbane.

From the website Airforce.com.au establishment of RAAF Base East Sale
"The East Sale aerodrome was named after its location on the eastern side the town of Sale. In 1942, the Commonwealth selected 1,186 acres of land at East Sale for No. 1 Operational Training Unit and a mixture of facilities were constructed between 1942 and 1944. To camouflage its purpose, given its coastal location, East Sale was planned as a village scheme with dummy paths, gardens and dull painting. East Sale Aerodrome was formally established on 22 April 1943." <https://www.airforce.gov.au/about-us/history/our-journey/establishment-raaf-base-east-sale#:~:text=East%20Sale%20Aerodrome%20was%20formally,Battles%20and%20a%20Tiger%20Moth.>

There are several references in Douglas's letters to Dora to Sid Black and his wife. Sid Black was a Power Shovel Driver who also worked for the State Rivers and in 1942 was living at 77 Stawell Street, Sale. Douglas sometimes stayed with Sid when he returned to Sale from home at Garfield and then went out the works camp at Sale the following day. Sid's wife sometimes forwarded Douglas's pay to Dora. It is thought Sid's wife's name was Sheila.

There is an enlistment record on the National Archives of Australia website for the Allied Works Council, Civil Construction Corps Register noting Douglas's enrolment to serve from 4 June 1942 as a Drag Line Operator. The records states that Douglas was 5 feet 6" tall and weighed 9 stone 5 lbs. It noted that he had a weak right eye and on 11 September 1942 was ex State Rivers Sale to Brisbane. Under the general remarks section it states 17/9/1942. Wire from Brisbane re destination (see file Maries) deceased see fileeligible for 2 days service leave.

On the 3rd of September 1942 Douglas received a letter from the SR&WSC Melbourne advising that the Allied Works Council was considering sending operators from Machine No's 21 and 27 to North Queensland and asking if Douglas would be interested in travelling up to his machine. His reply is unknown, but his next letter to Dora dated September 13th is from Brisbane. He spent some time at the Allied Works Camp at Chernside in Brisbane.

He left Brisbane to travel to Townsville on the evening of 1 October 1942 and arrived in Townsville at lunchtime on the 3rd of October and were sent out to "The Black River Camp" about 12 miles out of Townsville on the 5th of October. When he arrived at the camp he decided to try to locate the machines he was supposed to be operating. He found the machines at the Main Roads Camp and was upset to find that they had any number of operators for the machines and felt that his trip to Townsville was a wasted one so he went and spoke to the Engineer. The engineer advised that he would have "them" (Douglas & Frederick Ernest Maries of Shepparton) sent back to Melbourne. Douglas's last letter to Dora from the Townsville camp was dated October 7 1942. His service number was CV26213.

Douglas was in his tent at the Bohle River Civil Construction Corps Camp on the evening of the 9th of October 1942. He and his tent mate Frederick Ernest Maries were to leave the camp to return to Melbourne on the 10th of October. At around 6pm on the 9th, a blast went off from the nearby quarry. Maries was standing at the door of the tent watching the blasting and talking to Douglas about it, and when he did not receive a response from Douglas he (Maries) turned around and saw Douglas lying on his stretcher with a wound to his head. He got help and an ambulance took Douglas to the Townsville General Hospital, but he died from his injuries at around 4.30 am on the 13th of October 1942.

The Bohle River Civil Construction Corps Camp where Douglas was staying was in close proximity to a quarry where blasting was undertaken on a regular basis. It appears that for some time there had been problems with stones from the blasting flying into the camp area and the powder monkey had reduced the charge to try to stop this happening, and discussions had also been held on moving the camp. According to the "powder monkey", Mr Arthur Hill, the camp and quarry were only about 150 yards apart as the crow flies. The powder monkey allowed 15 minutes prior to lighting the fuse and word of mouth and a whistle sounding was used as a warning of the impending blast. The police officer who attended the scene, Arthur Vincent Moylan advised that the tent in which Douglas was located was about 300 yards from No 1 quarry. The stone that was

Descendants of William DARLOW

picked up near the tent was weighed and found to be 2lbs 3 ozs. This is thought to be the stone that hit Douglas in the head and caused the holes in the tent.

Dora received a telegram notifying her of Douglas's death. A second telegram was said to have been sent requesting Dora's decision as to whether Douglas's body was to be shipped back to Victoria for burial or whether he should be buried in Townsville. Dora never received this telegram and consequently the authorities buried Douglas in an unmarked grave in the Townsville cemetery. The existence of this telegram is quite uncertain, particularly in view of the fact that McKimmins Undertakers of Townsville buried Douglas at the New Cemetery in West Townsville on the 14th of October, the day after he died. Mr James Henry Joseph Kelly, the Officer in charge of personnel of the Allied Works Camp in Townsville advised that he sent at least three separate telegrams, to the Police at Garfield, the Deputy Director of Personnel in Melbourne and the Assistant Director of Personnel in Brisbane.

Ironically, all of Douglas's brothers served during WW1 and WW2 and all survived, but Douglas who was in the Civil Construction Corp was killed.

Douglas is buried in the Belgian Gardens Cemetery in Townsville. Many years later, family friends, Hector and Jessie Elliot of Pakenham travelled to Townsville and Hector constructed a concrete headstone at Douglas's grave. Douglas's wife Dora was expecting her 7th child when he died. In 1963 Theadora Fenn (Blackwell) paid the Townsville Cemetery Trust to purchase the plot at the Townsville cemetery where Douglas was buried. She paid 10 pounds for the grave number 3, allotment 387, section F, and 2 pounds 2 shillings for the permit fee. This may have been to allow the headstone to be legally constructed, although this is uncertain.

CCC FATALITY

Struck By Stone

BRISBANE, Tuesday. At the Coroner's inquest into the death of Douglas Blackwell, married, of Victoria, a member of the CCC, held this afternoon, the evidence revealed that deceased on October 9 was sitting in a tent during blasting operations at a quarry 250 yards away. When a companion came into the tent later he found him lying in bed with head injuries. He was taken to hospital, where he died. Police investigations revealed a rent in the fly of the tent and it was apparent deceased had been struck by a piece of blue granite metal. The death certificate showed that death was due to cerebral lacerations and compound fracture.

A coroner's inquiry was held on Tuesday afternoon before Mr. R. H. Allen, Coroner, into the cause and manner of death of Douglas Blackwell, who died at the Townsville District Hospital on 13th. October from injuries received at a Townsville district camp on October 9 during blasting operations. The evidence showed that the deceased had been sitting on the side of his bed whilst blasting operations were being carried out 250 yards away. When a companion entered the tent, he found deceased lying on the bed, with extensive head injuries, and he was conveyed to the hospital. When the police made investigations they found a rent in the fly in the centre and three or four punctured holes in the tent itself. It was apparent that the deceased had been hit by a piece of blue granite metal. Deceased was a married man, from Victoria, and was employed by the C.C.C. A certificate showed death was due to cerebral lacerations, and a compound fracture of the skull. The inquiry, conducted by Sergeant Purtell, was adjourned to a later date, owing to the inability of one witness to attend.

On Tuesday afternoon Mr. R. H. Allen, Coroner, concluded the inquiry into the circumstances surrounding the death of Douglas Blackwell at the Townsville District Hospital on October 13 last. Death was due to injuries received at a camp on October 9, during blasting operations, J. J. Kelly, of the Allied Works Council, gave evidence as to having taken a statement from F. Maries, at the time of the accident. In his statement, Maries stated he, with the deceased, arrived back from town on October 9 at about 5.45 p.m. and were relaxing in their tent. About 5.50, blasting operations were in progress, about 200 yards away. He got off his bed to have a look, and then called out to Blackwell to come and have a look. One blast had blown half the limbs off a tree. Blackwell did not come. Then he heard a thud, and, looking around, he saw the deceased on his bunk, with blood pouring from his ears. First aid was quickly available and the injured man was conveyed to the hospital. The witness stated Maries was not available to give evidence. This

concluded the inquiry, which was declared closed.

BLACKWELL. In memory of Douglas, passed away October 13, 1942, at Townsville, Qld.

- Inserted by his brother, Bob, and his friend, Rita.³⁷⁷

Noted events in his life were:

- He worked as a Dredge operator.
- Circa 1931-1942 he resided at Government Road (later called Garfield Road) in Garfield, Vic, Australia.³⁷⁸
- Burial information: Townsville cemetery grave No 3 / 387 / F, Oct 1942, Townsville, Qld, Australia.

Douglas married **Theadora MORGAN DAWES** [241], daughter of **Alfred Thomas DAWES** [1278] and **Frances Mary Ann MORGAN** [1288], on 1 May 1926 in Bunyip, Vic, Australia.²⁷⁹ Theadora was born on 1 Jan 1906 in Iona, Vic, Australia,³⁷⁹ died on 21 May 1979 in Warragul, Victoria, Australia,³⁸⁰ at age 73, and was buried on 23 May 1979 in Bunyip, Vic, Australia.³⁸¹ The cause of her death was cancer - Dehydration, subacute intestinal obstruction, carcinoma of caecum with secondaries. Other names for Theadora were Dora Blackwell, Dora Dawes, Theadora Dawes, and Dora Fenn.

Marriage Notes: St Thomas's Church. Douglas's occupation given as fireman and Dora's as Home duties. Witness to the marriage were G D Blackwell and A Blackwell.

General Notes: Birth registered as Morgan. Always known as Dora.

Dora lived at Iona with her family and started school at the Iona State School in about 1913. They lived about 1/2 a mile from the Iona Post Office. They moved to Garfield in about 1916 and she attended Garfield State School Number 2724 until at least 1919.

After Dora and Douglas married, they lived in Dandenong for a short time, but returned to the Dawes family home where

Douglas and Dora lived at home with her parents and cared for them until their deaths. She continued to live in the house that her father built, at 52 Garfield Road following her marriage and until her death in 1979. Her son, D Geoff, was born in that house in 1933. This house was sold following the death of Dora in 1979 and has since been renovated and sold several times. The original property was several acres, but part of the land was sold separately to Ken Towt, Dora's son-in-law. This piece of land was sold and a house was later constructed on it. Dora's house was

Dora Fenn (Blackwell nee Dawes)
(Cir 1967)

Descendants of William DARLOW

situated at 52 Garfield Road Garfield, her son Geoff's house at what is now 46 Garfield Road, Garfield, Cliff's house at 42 Garfield Road, Garfield, Pearl's across the road on the corner of Barkers Road, and Garfield Road, and Beryl's later homes were in Archer Road in Garfield. Pax lived in Beaconsfield, Eve in Warragul and Alan at Beaconsfield, Upper Pakenham, and later in Drouin, whilst Geoff moved to Wonthaggi in 1973, he has continued to own the house at Garfield as well.

Dora was very family oriented and her home was always the hub of family visits, by both the Dawes and Blackwell families. Even after the death of her husband Douglas, Dora and the Blackwell family kept in touch with each other.

In 1937 Dora was expecting her 5th child and her health was not good. Douglas and Dora decided to hire a housekeeper in the short term to assist with domestic duties. They hired Cecilia Ryan, mother of the infamous Ronald Ryan. Pearl Madden recounted a story of the time when Cecilia's Husband Jack came to the house at 52 Garfield Road, Garfield and knocked on the front door asking to talk to his wife. Mrs Ryan did not want to talk to her husband, but he forced his way into the house and, armed with a bread knife, chased Cecilia around the kitchen table trying to stab her and shouting abuse. Pearl Blackwell grabbed her 2 younger brothers, Cliff and D. Geoff and run to the bedroom where the children hid under the bed until the commotion died down. I am uncertain if the police were called or if Jack Ryan simply calmed down and left. Allan Blackwell was born in 25 September 1937 and it is thought that Mrs Ryan left Garfield sometime after that time.

According to the book "The Hanged Man: The life and Death of Ronald Ryan by Mike Richards, published by Scribe Publications Melbourne in 2002, Cecilia had a son George b. 1915 by her first husband, George Thompson, she and George Thompson separated and she lived with John Ronald Ryan, known as Jack who was the father of Ronald, b. 1925, Violet b. 1927 and Irma b. 1929. Cecilia and Jack married in 1929 and Gloria was born in 1931.

Jack and Cecilia were both alcoholics and Jack was prone to bouts of violence whilst drunk and the children were neglected. Ronald was taken into care in late in 1936 and the 3 girls were taken into care in June 1937.

Following is an excerpt from the book from pages 25 and 26:-

"After losing all her children [Ron, Gloria, Irma and Violet] to wardships, Cecilia [Ryan] made a brave attempt to improve her situation. She had left Jack [Ryan] at Mitcham and taken a position as housekeeper with Douglas and Theadora Blackwell and their family at Garfield in Gippsland on the Princes Highway, some 80 miles south east of Melbourne. Cecilia moved back to Melbourne, where she took a further position as housekeeper for a man named Croaker living at 29 Park Street, Abbotsford. With her living conditions thus improved, Cecilia sought to have her children returned to her, as she had first done whilst at Garfield. In a plaintive letter to the secretary of the Children's Welfare Department, John Henry, Cecilia pointed out that Croaker was willing for her to have all her children with her, as she had been 'caring for his four little children so well':

Mr Croaker here has plenty of furniture and accommodation and as it is better for me to be earning my keep here and having the use of everything I thought I would write and ask if you would please let me have my children now. If not all of them at once surely you will give me little Gloria as she has such a terrible time with abscesses and I know it is only through fretting over me and she will never be well until you let her come to me.

I am away from my husband and got a good position and home and can give you good references from both the people I worked for at Gippsland and this man here to say how well I looked after both homes and children during the mother's absence....."

Mrs Ryan gave Dora and Douglas Blackwell a photograph of herself, Jack, George, Irma, Violet and Gloria, taken prior to the 3 girls being taken into care. This photograph and copies of it are still in the possession of the Blackwell family, with a note on the back about the bread knife incident written by Pearl Madden (nee Blackwell).

Dora was a very good seamstress, making many garments for her grandchildren. She also sewed, knitted and crocheted toys for her grandchildren as well as booties and baby clothes. She made picture scrap books that she gave away as presents.

Descendants of William DARLOW

She collected salt and pepper shakers for many many years, and her collection was divided amongst her 7 children when she died in 1979. She also collected small bottles. This collection was inherited by her granddaughter Coral Jones (Blackwell) who has continued the collection.

She was referred to as Nanna by all her grandchildren.³⁸²

Noted events in her life were:

- She had a residence in Iona, Vic, Australia from 1906 to 1920.
- From 1920 to 1979 she resided at 52 Garfield Road in Garfield, Vic, Australia.³⁸³

Eric Blackwell - a tribute by a friend

In a fine tribute to Eric Blackwell who died on 20 May, well known Pakenham resident, Bunny Drake, described him as "one of nature's gentlemen".

"We will all miss the kindness, friendship and advice that Eric gave, not by big words but by example." Bunny said. "I cannot recall one mean action by him in all the years I proudly called him my friend."

Eric William Blackwell

Descendants of William DARLOW

Born in Berwick in 1915, one of ten children, Eric lived in Mulcare Street, Nar Nar Goon all his life, was a loyal supporter of Nar Nar Goon Football Club, reared eight children and was a skilled Telecom employee at Pakenham where his friendship with Bunny developed.

During World War 2 he served in the 33rd Australian Heavy Anti Aircraft Battery at Milne Bay.

Now, in the sadness of Eric's passing, Bunny looks over those years since the war.

"I was only a casual acquaintance of Eric prior to the war" he says. "I can remember him as a stalwart Nar Nar Goon supporter, hooting Pakenham players whenever they got the ball."

"After the war when he joined us in the P.M.G., now Telecom at Pakenham, my friendship with him grew and so did my admiration of his lovable character."

"He quickly became skilled in the techniques required by postal people and graduated as one of the best cable joiners. It was my pleasure to experience this in the bad old days of blow lamps which always seemed to fail at critical times."

"Such was the skill of Eric that I cannot recall any disasters happening to him. There would be few cable well pits and ducts in South and West Gippsland that escaped the expertise of Eric Blackwell."

"He was a loyal colleague ever ready to help a newcomer and there are many in Telecom today enjoying good positions who owe much of their success to this delightful fellow."

Eric had simple tastes. With eight children he did not have much choice other than to care and provide for his family. He was never in a position to shower money on them but he taught them to make a decent and honest living for themselves.

Always loyal, Eric would arrive by train for work and wait for one to take him home again. Bunny often said "Why don't you shift to Pakenham Eccca? It would be a lot easier for you." But he always replied, "My heart's in the 'Goon Bun. I will put up with the inconvenience to see my days out in the place I love."

And see them out he did. After his retirement, due to failing health, he spent many stints in the Pakenham Hospital and Bunny recalls it was always a pleasure to visit him, to remember the days gone by and never to hear a complaint from him.

He loved his music and a casual drink with his friends, but behind that quiet facade was a strong determination to leave things better for his fellow man than he experienced himself.

"I know I am speaking for everyone when I extend deepest sympathy to his wife, children and other member of his family in their sad and great loss," Bunny said.

Vale Eric William Blackwell you served us well and faithfully.

"BLOCKS ARE QUAGMIRES"

"I wish the Health Officer would take a birds-eye view of the shocking drainage around these parts," wrote Mrs. V. Blackwell, Nar Nar Goon. Paul Blackwell's property had been under water nearly all the year, she declared. The backs of the blocks in Mulcare street were quagmires. It was impossible to walk into the back of any house. There was absolutely no outlet for the water. There was nothing worse than continual dampness to cause T. B., she added. The engineer explained that Mrs. Blackwell's place was further in from the work already done. The fall from Mulcare street was south. The place could not be drained from the end. Cr. Dore moved that Mr. Moore be written to asking if drain were continued, would he be prepared to take the water. Seconded by Cr. M. J. Bourke.-The motion was carried.

Wedding Bells

Towt - Blackwell

Fortune smiled and the sun shone for the wedding on Saturday of Pax, eldest daughter of the late Mr D Blackwell, and of Mrs Blackwell, of Garfield, and Kenneth, only son of Mr and Mrs P Towt of Bunyip.

The bride who was given away by her grandfather, Mr Blackwell, of Nar Nar Goon, wore a long-sleeved dress of fine french wool with three parallel rows of white embroidered flowers. Her extensive tulle veil was held with fresh flowers matching those that formed her bouquet and trail.

She was attended by Misses Pearl Blackwell and Angela Connelly, who were charmingly frocked in blue net the short veils being held with head-sprays of deep pink rose-buds, carnations and blue hyacinths. The bouquets matched the head-sprays and were finished with wide blue ribbon. Both wore pearls.

The best man and groomsman were Messrs Morris Lobb and Ian Forte respectively, and the service was taken by the Rev. N McLean, who later presided when the guests were entertained to a sumptuous banquet in the Garfield Hall. The bridal party left for Warragul, where the wedding photos were taken in the studio of Mr Frank Prinn.

The many friends of the popular young couple wished them every hapiness for future years, when they will make their home at North Bunyip.

Children from this marriage were:

- 229 M ii. **Christopher Douglas James MADDEN** [1643] was born on 12 May 1955 in Orbost, Vic, Australia, died on 15 Nov 2008 in Berwick, Vic, Australia, at age 53, and was buried on 19 Nov 2008 in Bunyip, Vic, Australia.⁴²¹ The cause of his death was Pneumonia. He had no known marriage and no known children.
- General Notes: Chris was a happy healthy little boy. At the age of about 4 years he was visiting his Grandmother with his family and had a fall and broke his leg. Unfortunately it took some time for the family to realise that he had also suffered a blow to his head during the fall and had developed a clot on his brain. Doctors at the time advised that he was too young to have an operation and would have to wait until he was 7-8 years old for the clot to be removed. The family followed the doctors advice and the clot was removed when Chris was about 7 years of age. Sadly, he suffered complications and brain damage. He remained at home for many years but as his parents aged they decided it would be best for him to be placed into institutional care. He spent many years at the Janefield Centre, in Melbourne. When this centre was closed he was then placed in residential care in Cranbourne.

Christopher Madden

Pearl and Jim had their home at Garfield modified to make Chris's visits easier. Chris came home regularly on weekends, and holidays, and was always happy to see the extended family when they visited. He always knew who his cousins were, and never batted an eyelid when they came in with a new baby, but would always know who that baby was as the years passed, even though he saw them only occasionally.

As his parents health deteriorated it became more and more difficult for him to visit his home and in later years only day visits to his parents home were possible. Whilst he was unable to speak following his operation, he could certainly get his message across. He loved to work in the shed making things, and had a very large collection of keys. His favourite thing to do when he visited home was to watch he Three Stooges and he was extremely fond of sponge cake.

Approximately 10 years before his death he suffered a fractured hip from a fall, and was confined to a wheelchair. His health deteriorated rapidly and he died in 2008, just 2 years after his mother and one year after his father's death.

Children from this marriage were:

- + 231 F i. **Coral Janine BLACKWELL** [2]
Coral married **Michael James JONES** [910].
- 232 M ii. **Douglas Harold Maxwell BLACKWELL** [1326] was born on 12 Mar 1960 in Warragul, Victoria, Australia,⁴²³ died on 5 Dec 1988 in Melbourne, VIC, Australia,⁴²⁴ at age 28, and was buried on 8 Dec 1988 in Bunyip, Vic, Australia.⁴²⁵ The cause of his death was hepato renal failure, multiple trauma including fractured spine received in a motor cycle accident. He had no known marriage and no known children.
- General Notes: Douglas worked at various occupations on leaving school, including for Smith and Nephew at Wonthaggi and Containers Ltd at Dandenong. He gained employment as a communications technician installing radio equipment and towers for PG Wallace until late 1988. He was living in Glenhuntly, Victoria. He then got a position for another communications firm installing car telephones and the like. He had only been working at the job for two weeks and was on his way to work on his on his motorbike about 2kms from his home when he hit a speed hump in the road and was thrown into a fence. The accident occurred in Lyons Street, Glenhuntly at the edge of R M Lord Park or Koornang Park. Douglas sustained serious injuries and was transported to the Alfred Hospital where he remained in a critical condition for one month where he died as a result of his injuries. Douglas did not marry or have any children.

Douglas Harold Maxwell Blackwell and Michelle Jones
(1983)

Douglas was the second child and only son of D. Geoff Blackwell and Nancye (Bonham). He lived at Garfield, Victoria, Australia, until he was 14 years old, when his family moved to Wonthaggi, Victoria, Australia. Douglas spent some time unemployed after he finished school, and later worked at Smith and Nephew in Wonthaggi and at Containers Limited, a packaging factory in Dandenong, driving from Wonthaggi to Dandenong daily. He moved to Glenhuntly in approximately 1985 where he had obtained a job working for P.G. Wallace and Co, a Prahran based company, who installed, serviced and maintained communications antennas. He worked all over Victoria installing these towers, but most of the work was carried out in the Melbourne area.

Descendants of William DARLOW

Douglas was an early adopter of computer technology and was adept at computer programming. He was also an amateur (ham) radio operator and enthusiast. He assisted in the early stages of organising and installing equipment for the formation of a local radio Station in the South Gippsland area, now known as 3MFM. He was undertaking a course in electronics at the Swinburne Institute of Technology.

The Rialto Towers (often The Rialto) is the second-tallest reinforced concrete building and the tallest office building in the southern hemisphere, when measured to its roof (several other skyscrapers in Australia are taller if their spires are included, as are some other structured in Australia such as communications masts and observation towers). The building is located at 525 Collins Street, in the western side of the central business district of Melbourne, Australia.

The Rialto Towers featured Melbourne's first skyscraper public observation deck which operated between 1994 and 31 December 2009 It was also the location of Melbourne's first Tower running event.

At the time of its completion it was the 23rd tallest building in the world and the 2nd tallest outside of the United States (behind First Canadian Place in Toronto, Canada). Construction of the Rialto Towers was completed in 1986.*(Wikipedia Feb 2012)

P G Wallace and Company installed the communications towers on the top of the Rialto building. Douglas, who was initially very unhappy working at height, soon got used to it, and would proudly recount the fact that he and his workmates used to fly paper aeroplanes from the roof of the Rialto building during its construction and the installation of the communications towers.

Douglas left this job with P.G. Wallace and Co in mid 1988 and commenced working for a company called Australnet Communications that installed car telephones that operated from Mount Waverley. This was an infant industry at the time.

In his younger years Douglas played the cornet in the Wonthaggi Citizens Band, and played competition table tennis at Wonthaggi. He also enjoyed archery. As a child and into adulthood he built and flew model planes, eventually branching out into radio controlled equipment including planes, cars and boats. He competitively raced radio controlled sailing boats on the Albert Park Lake in Melbourne.

As children, Douglas and his sisters learned to ride motorbikes, which were ridden at Garfield on Theadora Fenn's land which was about 6 acres. Eventually Douglas obtained his motorbike licence and rode his bike to work in Melbourne trying to save fuel costs. He had purchased a 125cc racing motorbike which he was preparing to race in 1989.

Douglas was on his way to work at his new job at Australnet Communications, where he had been working for only 2 weeks, when his motorcycle hit a speed hump in the road, only about 2 kms from his home in Glenhuntly. He lost control of the machine and was critically injured and taken to the Alfred Hospital in Melbourne, where he remained in a critical condition for one month, but finally succumbed to his injuries on the 5th of December 1988.

Douglas did not marry or have any children but loved his nieces and nephews dearly.⁴²⁶

When she was an adult she wrote letters with her right hand and ALWAYS swapped the pen to her left hand to write numbers.

At 2.15pm on July 26, 2022 the world lost a very special person. This person was our beautiful, courageous, strong and brave daughter Laura.

Right from her first breath to her last she was our gorgeous baby girl. We were so proud of what she achieved in her short life. She lived it to the full and for the past 8 years shared her love of travel and adventure with her wonderful husband Marco.

3.5 years ago she was diagnosed with aggressive breast cancer and fought a hard fight then but was getting back to enjoying life doing the things she loved. Both she and Marco were back home in Australia in March excited making plans to come home to live in the near future. We were all very excited. Not to be tho. Her cancer returned in April and after a very hard and courageous fight she lost her battle.

Her 3 brothers flew over and we had some good times together as a family. Then her 4 best friends flew over and she was able to spend some time with them.

Laura Dunk
(1986-2022)

Descendants of William DARLOW

Sadly she deteriorated slowly each day then very fast the last 24 hours.

We have lost my best friend, my confidant and one of the most loving and fun loving girls you could imagine and to me the most beautiful girl in the world.

Laura and Marco were the perfect couple. They were both full of love for each other and life in general. They would pack their van and head off wherever with their two beloved rescue dogs Bailey and Cleo.

I will never forget the most beautiful, gentle and caring way Marco looked after his beloved wife right to the end. He was and is amazing. We love him so much for that.

Laura may be physically gone from us but her spirit and memories will last forever. Our hearts are totall broken.

Sleep peacefully my baby girl. You are no longer in pain.

We love you forever. XXXXXXXX
