Since I have been doing the research I have wondered how different our lives might have been if our ancestors had not chosen the directions that they did. These directions have made us who we are, and landed us in so many different places.

I wonder at the courage of our ancestors - getting on those ships and sailing to far flung foreign lands, with little or no hope of returning to see their families again. How brave they must have been, or perhaps they were just desperate.

We cannot forget those who stayed at home and kept the home fires burning and gave our intrepid travellers a point of reference.

Whether they stayed in places old or travelled to places new, and whatever the reason for their remaining in, or departing from those homelands, we should continue to thank them for being our parents, grandparents and great grandparents and for helping to make us who we are today.

With this in mind, this book is

For my children and grandchildren  
and broader family  
so they know all where we came from.

# Introduction

## **Copyright**

This book has been produced for the express use of family members and should not be reproduced, but can be used for research purposes. However, please respect the privacy of living family by keeping their information confidential.

## **Thank You**

I would like to thank all the members of the family who have continued to supply me with information. There are too many to name, but you know who you are. Without that information, this book would not exist.

Special thanks go to my late aunts, Pax Towt (Blackwell) and Eve Johnson (Blackwell) and my mother Nancye Blackwell, without whose collaboration, enthusiasm, encouragement and advice, I may never have continued with this research.

My research is also interlinked with many other researchers whose families are linked to our own. Thank you to those people who have carried out research into these other family branches. Please see the bibliography and sources at the back of this book for this information. (As a paper saving measure I sometimes omit this information, but it can be supplied on request).

## **Introduction**

Many strange and interesting facts are discovered in the process of family tree research. It can be costly and frustrating, but the results are so worthwhile, all the negatives disappear.

Sadly, there are some facts that will never be known, and a certain amount of supposition then comes into play, but a fact is not a fact without written evidence, so where ever possible, that evidence has been included in the sources section of this book. (As a paper saving measure I sometimes omit this information but it can be supplied on request).

I have carried out this research mostly at my own cost, and in my own time, but I believe that the more people this information is shared with, the longer it will last. I am happy to share this information with the family and I hope that you get some benefit out of my 30 plus years of research.

My motto is "always ask the questions". Sometimes you don't get the answers you want and would like, but if you don't ask, you will never know.

Research can be dry and boring to read and can only go so far, conversations round it all out. Over the years the conversation becomes less and the research becomes greater. It is important to try to have some family stories included amongst the research to make the family seem alive.

DNA has opened up a whole new realm of research and DNA has helped me solve, or put to rest, some family mysteries and dead ends. Without DNA, one entire line of my own tree was incomplete and incorrect. We now know more about our past than we could ever have hoped for. I am sure that DNA research will continue to solve some mysteries, and possibly even create some new mysteries.

I only ask one thing, and that is for all the family to continue to contact me with any information that is missing or incorrect, and that you all continue to contact me regarding any births, deaths and marriages. This is a BIG family, and I can't know it unless you tell me.

This book is a work in progress and will never end, as births deaths and marriages continue down the generations in perpetuity. There are bound to be mistakes in this book and I would appreciate being notified of any alterations or corrections that may be found.

Thank you once again for all your help and please enjoy this labour of love that has taken me more than 30 years to produce.

The children from his first marriage married and settled in England. After arriving in Melbourne Job worked as a carpenter and at one stage worked on the building of St. James Old Cathedral. In the 1869 Directory he is listed as a joiner at 206 Lonsdale St Melbourne. His photograph is included in the Chuck Collection. In approximately 1870, Job and Mary moved to Wesbourne Grove Northcote. <@Godber/Wilson\*1>

I have found a death in 1909 of a Hannah Godber who was in the Castlemaine Benevolent Asylum at the time of her death. Mr T. Sadler, of Northcote, says:

"It is 59 years ago since I left the Creek. I used to stay with Mr Driver, who worked at the Union Mine. I remember Cobb and Co's Coaches. A particular incident which still stands out in my mind was after collecting a box of ladybirds and other beetles their escape in a full coach at Greensborough with a consequent consternation among women passengers. I remember Mr Bill, the teacher; he was a regular savage, and many a good hiding he gave me.

William Wilson

I remember the lagoon on the park and the first hotel. Later I returned to assist in the building of the buttresses on the Catholic Church" Mr Reuben Wilson, of Ardmona, with his brothers Job and Ezra, are enjoying their stay in Diamond Creek Mr Wilson relates many interesting happenings. He says: "I remember the brick portion of Mr Gillie's house It was built by Mr John Wilson, our father, I also remember the back portion or kitchen on Mr Jonas', house. I was born there. This was built by Mr Wm. Wilson and is the oldest building standing. Mr Wm. Wilson had a farm where the Recreation Ground is now. The barn was on the site of the present Horticultural Hall and the dwelling was where the railway cutting is. I have seen many kangaroos and wild horses about the place. One of the most interesting events of the district was the introduction of a mechanised mower, the first of its kind in the district. It belonged to my family, and the school was given two hours off to see Mr Wm. Kidd operate it.

Mr Godber, the father of the present family, was considered the champion cutter of that time, two acres a day; but the machine outdistanced him. Mr Godber worked for my father. When the Diamond Mine caught fire eight men were down below and I gave them directions from the first level as to how to follow the leads and galley ways until they reached the first level, from which a tunnel is cut into the hillside.

When the poppet legs were burnt through I will never forget the crash as the cage fell down the shaft with much burning timber. My grandfather was the first pork butcher in Melbourne. His shop was on the corner of Russell street and Little Bourke street and his cattle run extended from Williamstown to Brunswick.

General Notes: from "**Godbers Wilson: 150 Years of Settlement and Growth**", Leila Simpson, 1988

David Godber was born in Diamond Creek on 29th October, 1863, the second son of Robert and Martha Godber. When he was 24 he married Mary Ann Stewart (born at Bulleen) on 20th October, 1887. I understand that he worked at carting produce from Diamond Creek to Melbourne. In about 1896 David went to W.A. to see if there was work there for his horse team. The W.A. Goldfields were booming and people were flocking there from everywhere.

David took his team to the Swan River Colony by ship to Fremantle. He told my brother once that "he had no time to be sea sick" on a very rough voyage as he had to stay up on deck and control his very frightened horses. He carted goods first from Southern Cross and then up Menzies and Kookynie way.

# Descendants of Robert GODBER

Mary Ann and the three girls followed him in 1898 and Angus was born in 1900. They lived on the Goldfields for 10 or more years. Several of David's brothers came over to the Goldfields too - George, Jim and Robert. Jim and Robert went back to Victoria but David and George stayed in the West.

When David's family left the Goldfields they lived for a time in West Perth and then they bought a little orchard property in Gosnells where they resided until 1920 and then transferred to Victoria Park.

David Godber was a splendid old man; he was interested in everything and full of yarns about the early days. David died in 1954 in his 91st year.

A very distressing and fatal accident occurred to a child of Mr. Job Wilson, of Diamond Creek, on Saturday afternoon last. With other children the child (who was 2 years and 6 months old) was playing near a dray loaded with wood (without a horse attached), and by some means the children interfered with the props and let the shafts down, one of which struck the unfortunate child, causing terrible injuries and almost instantaneous death.

Lavinia married in 1914. Saffrey Simpson's family had been in W.A. (Swan River Colony) since the Foundation year of 1829. He started as an office boy at the Perth City Council in 1900 and worked there for 25 years, resigning in 1926 to go farming in Popenjinning. Before the farm got properly going the depression came (wool 15d a pound, wheat 3/- a bushell, eggs 6d a dozen), and things were tough, but for all that we had plenty of happy times. Lavinia had a lovely singing voice so was in great demand to sing solos, and we had great sing songs around the piano. We got our first motor vehicle in 1936 (before that we had a horse and cart), a wireless in 1938 and we had to wait until well after the War for our first fridge.

When the War came Saffrey joined the Army Pay Corps and we left the farm and lived in South Perth. After the War Saffrey worked in W.A. Forests Dept, and on retirement in 1953 came out to live at Gosnells.

ORCHARD DISPUTE

Area Misrepresented

IMPORTANT DECISION

Mr. Justice Northmore this morning in the Supreme Court gave a judgment which is of interest to purchasers property, and which shows that, in the absence of fraud, untrue particulars even in writing but not included in the contract, give no cause of action for damages or compensation. The action arose out of the sale of an orchard at Walliston, and the parties were Frank H. Turner, purchaser (plaintiff) and Arthur John Hudd, vendor (defendant). In evidence it was stated that a sale was arranged at £900. and the vendor and purchaser set out for a solicitor's office., On the steps Hudd said: 'Why should we pay solicitor's costs. I know where to buy a form, and we can fix up the contract ourselves.'

TROUBLE BEGINS

Turner took possession, and all went amiably until ploughing season, when Turner discovered that the orchard was of only eight acres, being two acres short of the acreage stated in particulars delivered to him in writing during the negotiations; The contract did not refer to these written particulars, but contained a clause providing that if any dispute should arise as to any misdescription or error in the particulars it should be referred to arbitration and compensation allowed. Turner appointed his arbitrator. Hudd ignored the proceedings, and the arbitrator went on and awarded £157 to Turner.

The plaintiff sued for £157. Alternatively he alleged that the vendor had fraudulently 'represented the area of the orchard, and in any case he claimed that the vendor had to make compensation for the shortage.

INNOCENT MISREPRESENTATION

His Honor read the particulars as stated in the contract, and held that, as the matter of acreage was not referred to in the contract the dispute did not come within the purview of the arbitrator. As to the claim for fraud, the acreage was undoubtedly short of that represented, but he was satisfied that the error was unintentional on the part of the vendor. Two years previously Hudd had bought the property from the Agricultural Bank on the basis of nine acres of orchard, and he had himself since added to the orchard. On the facts it was a case of innocent misrepresentation and the law was settled that no innocent misrepresentation gave a right of action sounding in damages. The remedy of the purchaser was rescission of the contract, which had not been claimed. To succeed on the ground of fraud the plaintiff must prove not only fraud on the part of the vendor, but also that the fraud had induced the purchaser to enter into the contract. Turner had inspected the property and expressed himself as being well satisfied with it, and his Honor thought that although the particulars had induced him to inspect, his decision to buy was not based on the acreage stated in the particulars.

Judgment was given for the defendant with costs. Mr. F. W. Curran appeared for the plaintiff, and Mr. W. M. Nairn for the defendant.

WEDDING.

WILSON - ROBINS.

A very pretty wedding was celebrated on Wednesday, 26th ult, at the Willow Grove Mechanics' Institute, when Mr Frederick A. Wilson (eldest son of Mr and Mrs Wilson, of " Mount Speed," Trafalgar) was united in the holy bonds of matrimony to Miss Sylvia Pearl Victoria Robins (second daughter of Mr and Mrs Robins, of Willow Grove).

The Rev. H. G. Trebilco [Methodist minister] was the officiating clergyman. The bride, who was dressed in ivory Japanese silk, trimmed with net, guipure insertion and tassels, and who also wore the orthodox wreath and veil and carried a handsome shower bouquet, was given away by her father.

Miss Robins and Miss Ivy Robins (sisters of the bride) officiated as bridesmaids. Miss Robins was dressed in a maize-coloured voile, over ivory silk, trimmed with ivory silk insertion, and fringe and girdle. She also carried a bouquet of pink roses, white marguerites and asparagus fern. Miss Ivy Robins wore a dress of ivory silk, trimmed with cream lace, and relieved with pale blue ribbon. The latter also carried a crook decorated with white and pale blue ribbon. " Mr Bert. Wilson (brother of the bridegroom) acted as best man. The hall was very taste-fully decorated by friends of the bride, ferns, laurels, ivy and mistletoe being used for the purpose. The ceremony over, about 30 guests sat down to a sumptuous repast, which was prepared in first-class style. The usual toast-list was disposed of. The Rev. Mr Trebilco, in proposing the toast of " The Bride and bridegroom," said that he had known the bride and bridegroom, for some time, and held a high opinion of them both. He wished them long life, happiness and prosperity. The bridegroom (on behalf of the bride and himself) thanked their many friends for their kind expressions and good wishes, also quaintly remarking that if it had not been for himself and his bride they would not be present. (The Chairman created some amusement by remarking that if it had not been for Mr and Mrs Robins, Mr Wilson would not have been there).

The bridegroom then proposed the toast of " The Bridesmaids," which was responded to (on the bridesmaids' behalf) by Mr Bert Wilson. Mr H. Lamont proposed "The Parent- " and mentioned that, he had known them for some considerable time. He could testify as to the very high esteem in which they were held by those with whom they were acquainted.

The Rev. Mr Trebilco, in supporting Mr Lamont's remarks, said he had known Mrs Robins and her family at Nhill, and paid a high tribute to her parents, whom he said were foremost in anything affecting the welfare of all. During his recent acquaintance with Mr and Mrs Robins, and Mr and Mrs Wilson, he had formed a very high opinion of them. Mr Robins, in thanking the speakers for their complimentary remarks, said that he had been fortunate in making many sterling friends in Willow Grove. He naturally felt sorry to lose his daughter, and hoped that the young couple would not regret the step they had taken.

The assistance rendered by Mrs Turnbull, Mrs H. Lamont and Miss Mavis Lamont was greatly appreciated by the parents of the bride.

At the invitation of Mr and Mrs Robins, over 100 friends assembled in the evening, when a Social was held in honor of the occasion. Dancing (interspersed with songs, recitations, and speeches) was the order of the evening. Messrs H. Magnusson [piano] and F. Turner (violin) supplied excellent music.

Mr Albert Harris [Trafalgar] filled the position of Master of Ceremonies in a very creditable manner, the energetic way in which he kept things moving adding greatly to the evening's enjoyment. Mr W. H. Barrage, junr. [on behalf of those present] thanked Mr and Mrs Robins for the very enjoyable evening they had had. In doing so, he wished the Bride and Bridegroom long life, health and happiness, saying that if they accepted Mr and Mrs Robins as their model they would not go far wrong. The speaker concluded by calling on those present to sing " For he's a jolly good fellow," which request was responded to right heartily.

Mr Wilson, in responding, thanked one and all for their very kind wishes, and said he hoped that before long some more of those present would be in the same pleasant position as himself- Mr Robins, in a few well chosen remarks, said that Mr Robins and himself were pleased to think that everyone had enjoyed themselves so much, and were delighted to see such a gathering. He also hoped that it would not be long before some of their young friends would find themselves in the same position as Mr Wilson . [Cheers].

# Descendants of Robert GODBER

Conspicuous among the many useful and ornamental presents was a handsome cruet, from the members of the Tangil Rifle Club, of which Mr Robins is captain; and a lamp, from the members of the Moe Rifle Club, of which Mr Wilson is a member.

During the evening. Miss D. McLaren sang very nicely "The Roses" and "Oro Pro Nobis." Mr F. Wilson's song ["Loch Lomond"] was greatly appreciated- Mr J Franks, who is a decided acquisition to the district, was heard to advantage in "Thora," "True till Death," and "Asleep in the Deep." Mr Walter Rees sang, with his usual vim, "Once more good-bye, Nellie darling." Mr Burgess gave "Where the River Shannon flows " in his usual effective style.

Mr Harris's recitation, "Old Walhalla," was splendidly received. Mr D. Espie's recitation, "A bush christening," was loudly applauded. Mr Lee was heard to advantage in a humorous recitation, "I've been there before." Mr F. Turner caused considerable amusement by his exceedingly humorous recitation, "The Rider and the horse."-Communicated.

### OBITUARY.

### DEATH OF MR VERNON WILSON

It is regret that we have to chronicle the death of Mr Vernon Wilson, second son of Mr and Mrs W. Wilson, of Carrajung, which sad event took place at Lang Lang on Friday last. Deceased, who was 31 years of age, had never been quite himself since his return from the war, where he contracted a serious illness which eventually undermined his health and brought on pleurisy and pneumonia, and finally inflammation of the kidneys set in. All that medical skill could do proved of no avail, and the services of a specialist were obtained, but he pronounced the case hopeless, and the young man passed away as stated above. Deceased was well known and highly respected through out the district, and was engaged in farming on the Caldermeade Estate, at Lang Lang, which had been cut up for soldier settlement. Deceased was very popular amongst the returned soldiers on the estate, who gave every assistance to his young widow in her great trouble. The late Mr Wilson was a son-in law of Mr Con O'Connor, of Gormandale, being married to Mr O'Connor's second daughter just 2 1/2 years ago, and the sympathy of all will be extended to her and her infant daughter in their sad bereavement. The remains of deceased were brought to Gormandale and interred in the local cemetery on Saturday, when a large number of hill settlers assembled to pay their last respects to one who was popular amongst all classes. The funeral service was conducted by the Rev. Father McLaughlin, while the mortuary arrangements were carried out by Mr E. J. Grubb.

General Notes: Gladys lived at Trafalgar until March 1940 and then as per her husband's movements thereafter. She never seemed to mind the constant shifting around.

Family lore states that Gladys and Harold's wedding did not quite go to plan. On the day they were to marry, the Ministers car broke down and he was unable to get to the church to marry them. Wedding photos were taken as everyone was in their wedding gear, but the wedding did not actually take place until the following day. The bridesmaid was Lorna Rodda and the best man was ??? Mick or Mark O'Shea. It is understood that the best man was not able to be present on the actual wedding day due to a previous commitment and Charlie Wallis may have stepped in .

Gladys Bonham (Wilson)  
(1996)

### **Newspaper article from Paper Unknown 1936 (discovered in a box in September 2022 by Coral J Jones)**

Bonham-Wilson

The wedding took place at the Methodist Church, Trafalgar on 7th inst., of Gladys Elsie, second daughter of Mr and Mrs F Wilson, Trafalgar, and Harold William, only child of Mr and Mrs John Bonham of Inglewood and Broadmeadows.

The bride, who was given away by her father, wore a gown of her own design, made of white colette, with a full skirt. It had long sleeves shirred at the shoulder and cuffs and was finished at the neck with orange blossom and diamante initials. She wore a coronet of orange blossom and a tulle veil (lent by the brides aunt, Mrs D Wilson), and she carried a bouquet of white and pale pink roses and maiden hair fern.

The bridesmaid, Miss Lorna Rodda, was attired in a frock of white marocain, patterned in autumn tones and finished at the neck with a posy of matching flowers. She wore a large picture hat to match, and carried a bouquet of autumn tinted flowers.

The duties of the best man were carried out by Mr Charlie Wallis of Moe.

After the ceremony, a wedding breakfast was held at the home of the bride's parents.

Among those present were the bride's grand-father, Mr Job Wilson, and her grand-mother Mrs Robins, of Erica. The bridegroom's mother was also present.

Included in the numerous and useful presents received by the couple was a leather bound bible presented by the officiating clergyman, Rev. D Monkhouse.

.....

She was extremely accomplished at many types of handiwork, particularly, knitting, crochet, embroidery and smocking. She would experiment with many types of handiwork. In later life she turned her hand to painting of many kinds. As her eyesight began to fail she had to stop doing much of the finer work that she had previously done.

She was known as Grandma or Nanna to her grandchildren.

- From 1998 to 2002 she resided at 76 McBride Avenue in Wonthaggi, Vic, Australia.
- In 2002 she resided at Seahaven Aged Care in Inverloch, Vic, Australia.
- From 2003 to 2006 she resided at Armitage House, Wonthaggi Hospital in Wonthaggi, Vic, Australia.

Gladys married **Harold William Slater BONHAM** [244],<sup>228</sup> son of **Harold HALSTEAD** [10072] and **Catherine Mary SLATER** [1271], on 7 Nov 1936 in Trafalgar, Vic, Australia.<sup>229</sup> Harold was born on 4 Sep 1912 in Carlton, Victoria, Australia,<sup>267</sup> died on 4 Jul 2002 in Inverloch, Vic, Australia,<sup>268</sup> at age 89, and was buried on 9 Jul 2002 in Bunyip, Vic, Australia.<sup>269</sup> The cause of his death was Acute myocardial infarction, ischemic heart disease, heart block, congestive cardiac failure, anemia, aortic stenosis, a. Another name for Harold was Harold William Slater.

General Notes: ur: 78 McBride Ave Wonthaggi. Harold spent only 6 days at Seahaven Hostel Inv. before his death.

According to Harold's mother, he was born with a heart condition and was the first Glaxo (powdered baby food) baby in Australia. He was fed the formula whilst he was in hospital after his birth.

Harold was born prior to the marriage of his mother to John Bonham. On 25 January 2018, with the help of DNA matches with his daughter Nancye and Grand daughter Coral, some good luck and a great deal of research, it has been established that Harold's biological father was in fact a man named Harold Halstead. Further information is being researched at present, but as Coral and Nancye have strong DNA matches with several people down the Wright, Coup and Halstead lines, and Harold Halstead has been placed in the right place at the right time, there would seem no doubt he was Harold Slater Bonham's biological father. FURTHER RESEARCH IS CURRENTLY BEING CARRIED OUT

Harold Bonham  
(Cir 1992)

I can remember Harold Bonham's occupations as Fisherman at Lakes Entrance and Corinella, poultry farmer at Garfield, shop keeper at Iona, Pallet maker at Longwarry saw mill, Caretaker of the Cardinia Creek Boat Club near Koo-Wee-Rup. I can also remember him milking cows on his farmlet at Garfield and putting the milk cans out on the side of the road for the milk factory to collect. Other occupations included Truck Driver, quarryman, soldier.

Harold lived at Burnley until about 1919, Campbellfield, Broadmeadows East, Inglewood until 1930, Moe until 1936, Trafalgar until October 1936, in Wangaratta working at the filtration plant in 1937, Garfield until March 1940, Jindivick until June 1946, Corinella until June 1953, Poowong for 5 months in 1954, Fish Creek until April 1954, Fish Creek, Iona until January 1956, Lakes Entrance from 1957 until January 1961, Catani February 1961, Scoresby from 1963 to October 1964, the Iona Post Office from 1964 until July 1968, the farm at 14 Mile Road, Garfield from 1969 until October 1972, The Cardinia Creek Boat Club near Koo-Wee-Rup from 1972 until February 1975, the farm at Garfield from 1975 until July 1987, 18 George Street Warragul from 1987 until Aug 1995, 8 Mary Street, North Wonthaggi from 21 August 1995 and finally 78 McBride Avenue Wonthaggi until the time of his death.

Harold was a very private man. He retired when he was 65 and always had a magnificent vegetable garden wherever he lived. At Garfield, then Warragul, and finally at Wonthaggi.

Despite his heart condition, he enlisted in WW2. He enlisted in the Militia Forces in 1932 and gave his address as Post Office Broadmeadows and his occupation as baker. His Army No was 183946. He enlisted in the regular army 28 April 1941 and his number was VX54407. His address at that time was given as Princes Highway, Garfield and his occupation as Quarryman. He was graded as a Group II baker and was sent to New Guinea, and the Middle East, but suffered from serious bouts of malaria and was eventually returned home and discharged. He would rarely talk about his service in WW2 in the 3/3 RAE, with only very scant details being passed on to his family. He never joined the RSL or participated in their activities. In the years before his death, he lived in a small house in Wonthaggi opposite the Cenotaph. On Anzac Day he would walk out to the fence and watch the proceedings, this is the nearest he ever got to participating in Anzac Day.

**142. General Notes: Harry was a very nice little baby and won a baby competition. As a boy the family moved to Mount Speed near Trafalgar.

Later the whole family and the house were moved into Trafalgar and the small three bedroom home now housed two families, his elder sister Gladys and her family were living with them as well. Due to limited space the story has it, that Harry used the bathtub for his bed. During his young adult years, Harry played for Trafalgar local footy club.

Harry used to have a pony called Little Bob to round up the cattle at work. Little Bob preferred to play rather than work which always used to frustrate Harry.

In WW2, Harry wanted to do his army service so he joined the army at age 23 (1941). At Army camp, he and a lot of his army mates got food poisoning from the copper pots they cooked in, and didn't end up going to war. Harry served in World War 2 - WILSON HARRY ALLENBY : Service Number - VX46049 : Date of birth -

After he was discharged he took up work with his father as a slaughterman at the Trafalgar slaughter yard.

Probably about 1942, the family moved to Somerville Rd in Kingsville to find more work opportunities.

In 1944, Harry married his first wife Violet and they built a house together possibly at 17 Salisbury Street, Yarraville in Melbourne.

Harry often visited his sister Gladys and her family when they lived at Jindivick and shot rabbit, quail and kangaroo. He enjoyed riding motorbikes and had an accident in Melbourne, with a bus which caused him to be out of work for a while. His jaw was wired shut after the accident and he had to be fed through a straw.

After the war, while living in Port Melbourne, Harry tried to teach his nieces and nephew how to swim.

Harry enjoyed travelling and in 1954, after the break up of his first marriage, Harry purchased an around the world ticket and travelled by ship to Europe for first time on his own, visiting London, Rome, Holland, France, Scotland, Ireland as well as New York and Chicago. The first part of the ship's journey from Australia to Rome took 3 to 4 weeks by sea. While overseas, he was always in search of family members he had never met.

Harry and Violet divorced in the early 1960's, possibly about 1962. It appears that Harry may not have been contactable during the divorce proceedings and his mother was subpoenaed to appear at the divorce proceedings.

Harry loved and owned cats throughout his life. He always took in strays and used to bring meat home for the cats and the family from work.

Around the mid-1950s, Harry and his brother Ken rented a farmhouse on the farm next door while building a 3 bedroom shack on the bush block brought by Harry in Carrajung Lower with nephew Max Bonham. Harry drove every 2 to 3 weekends in his Chrysler ute from Melbourne to Carrajung Lower until the shack was built.

While living with his brothers, Ken and Eric, their niece Nancy Bonham was married in 1957. The three brothers brought Nancy a wedding gift but made sure the appliance was well run in before Nancy received the gift. This gift was an electric frypan.

Harry eventually sold the bush block and moved to Hedley with Ken to a share farm. Harry continued to work part-time as a slaughterman for a local butcher in Foster and travelled all over South Gippsland region as well as working on the dairy farm.

In the mid 1960s, Harry and Ken brought a farm together on Billy Creek Road in Stacey's Bridge. In the 1970s they lost the farm to the Federal Government and drought. Harry moved to Devon North in the mid 1970's and worked for the Shire of Alberton until his retirement.

Harry attended Yarram church services and participated in many church events, and in 1970, Harry met Ada, a widow with four children. On the 4<sup>th</sup> of March 1978, Harry married Ada and moved a Yallourn house to Yarram where they lived for the rest of their years. Gert, Ada's eldest son would regularly spend time on projects with Harry which included the building of two sheds.

Harry loved to tinker in his large shed. He also enjoyed collecting things and regularly visited the "free local supermarket" otherwise known as the local tip, in his ute. The tip also provided the parts for 2 bikes which he made with Ken for Ken's two daughters. He was very resourceful and loved to use the welder. Eventually the local tip changed to a transfer station where items had to be paid for, which made Harry most unhappy. Trash and Treasure was another favourite place to visit while visiting family in Footscray Melbourne.

In 1979, Harry and Ada and two of Ada's children, Helen and Ria went over on a working holiday

# Descendants of Robert GODBER

for a few weeks in England and in 1985 they visited Holland and Ireland together. Ada and Harry would be the support crew for many cycling trips with Ada's family. These bike rides took them to Hall's Gap, across Gippsland, as well as Tasmania and New Zealand, which Harry thoroughly enjoyed.

Harry and Ada, by this time, well into their 80's, purchased a camper van for their annual camping trip with Ada's family. They also visited Corowa, NSW on a number of occasions where Harry's younger brother Eric and his wife ran a motel.

Visits to Ada's children, Gert and Janet on a Sunday afternoon often lead into tea. Harry and Ada enjoyed a game of cribbage and cards, particularly euca.

Harry enjoyed his food and loved to eat. Throughout their marriage, before every meal Harry and Ada would traditionally hold hands, say a prayer and give each other a loving peck before eating. In the last 4 or 5 years, Harry took on the role as head chef in the Wilson household and regularly cooked three meals a day for Ada. Once Ada went into Crossley House, Harry visited her every day to show the deep love and care that he had for her over their 35 years of marriage.

After Ada's death Harry's health deteriorated and Harry moved into the Grand Ridge Aged Care Facility in Mirboo North, where he had many visits from friends and family and celebrated his 95<sup>th</sup> birthday before he passed away peacefully on Tuesday 7<sup>th</sup> May.

Harry's wife, Ada.....

Ada was born in Holland. Her father was a school teacher but he was killed in an accident when Ada was 12 years old. The family then moved to Amsterdam and Ada graduated as a teacher. WW2 started two years after her graduation.

Ada married her first husband Henk Schepers. Henk was a carpenter and the couple decided to emigrate to Australia, but this took some time and their first two children were born in Holland. By the time Henk and Ada made it to Australia, 4 of Henk's brothers and 2 of his sisters had already arrived in Australia.

When they first arrived in Australia Henk and Ada lived at The Gurdies. They lived for a short time at Mincha in Northern Victoria, then they went to a wheat farm at Woorak. After 2.5 years at Woorak, they returned to Lang Lang and Koo Wee Rup area where Henk and his brother set up a building business.

In 1965 the family moved to Won Wron where Henk passed away in 1976.

Ada and her first husband Henk had 4 children, Gert, Arian, Helen and Ria.

Ada met Harry Wilson at Church in Yarram about 1970 and they married in 1978.

A funeral service was held for Ada at the Yarram Community Church, 122 Commercial Road, Yarram. She was privately cremated following this service.

The cause of her death was Cancer - breast.

General Notes: Leila had one son, Trevor whose father was said to be an air force pilot from Darwin, but his name was never mentioned to other family members.

Family lore states that when she became pregnant with her second child, the father being Thomas Clarke, the family insisted that they be married immediately. From the memory of Nancye Blackwell (Bonham), the marriage took place in the home of Leila's parents in Footscray (272 Somerville Road Yarraville). According to Nancye, Tom was not a nice character and even stole a specially made brooch from Nancye's sister Lola and had the inscription roughly changed to Leila and gave it to his wife. When this was discovered, he was more or less banned from visiting the Wilson household. Tom was murdered at Mt Martha in 1945.

Thomas Clarke was said to be a soldier at the time, and 25 year. He and two other men (Kevin Joiner and ? Harris) robbed the Maryport guest house in Mt Martha on April 17 1945. After the robbery the proceeds were divided amongst the men. For some reason one of the other robbers shot Thomas and left Thomas's body in a thick tea tree area. According to newspaper reports, Kevin Albert Joiner, thought Thomas looked nervous so he shot him. Thomas was shot several times, in the abdomen and head. One of the shots set Thomas's clothing on fire.

His body was found about a week later by a former police constable who owned the property. Thomas's clothing contained items that were said to have been stolen from the guest house. The police said that Thomas had been last seen in Footscray on the night of 14 April, (Leila and Tom's son Peter was born on 13 April 1945) and then in Melbourne on the 15th of April. A 17 year old man was questioned. When police searched his room, they found items said to have been stolen from the guest house along with a loaded black powder pistol and black powder. Kevin Joiner was charged with the murder of Thomas Clarke and was sentenced to death. This sentence was later commuted to life in prison.

Leila had a child.

I have obtained a copy of Thomas's military records from the National Archives of Australia. It appears he served overseas with the number of VX52266 but was discharged on the 4th December 1942 for misconduct and at the bottom of the Discharge of Proceedings paper it notes "mental retardation", and seems to have re-enlisted in 1943 and been given the serial number VX91891 at that time. Although his previous VX number and service is mentioned on his re-enlistment documents. It seems he spent a lot of time in trouble whilst in the military, with many mentions of AWL and misconduct throughout his records, culminating with him hitting a superior officer. He was discharged from the Army on 23 December 1943 and his file is marked "unsuitable for further military service".

Thomas Clarke  
(Cir 1940)

Thomas's NOK on his military records is given as Gladys McCarter of Geelong. Gladys is said to be his mother. On one of Thomas's records his date of birth is given as 3.1.1914 and on another 3.1.1922, so his date of birth is uncertain.

On the marriage certificate of Thomas and Leila, Thomas gives his father as Thomas deceased, and Mother as Madame De Fay deceased and his place of birth as Geelong although his Army record gives his place of birth as Cope Cope, Victoria. Thomas and Leila were married at 272 Somerville Road, West Footscray and the witnesses were Robert James Attewell or Addewill, and Bessie Eva Lilian Wilson. Thomas gives his occupation as farmer and his usual residence as McLeods Flats, Bacchus Marsh, but present residence RX91891 RRD Royal Park as he was in the Army at the time of their marriage.

On Thomas's death certificate, his parents names are unknown, but he was said to have been born at Bacchus Marsh, Victoria.

### **POLICE QUESTION LAD ON MURDER AT MT. MARTHA**

Early, this afternoon a youth was questioned by detectives investigating the murder of Thomas Charles Michael Clark, 25, whose body was found yesterday in scrub at Mt. Martha.

A post-mortem examination today disclosed that Clark died of gunshot wounds in the skull, brain and abdomen.

In a room occupied by the youth questioned police recovered property which had been stolen from Maryport-guesthouse on April 17, and also found a loaded, .45 calibre revolver and a quantity of lack powder cartridges. Before the discovery of Clark's body had been reported yesterday detectives R. Burne and G. Pope, from Russell St., stopped youths, aged about 17, in Bourke St. City.

They questioned them about housebreaking's in the country and then allowed them to go. Today Detective Pope went to a house in the city to make further inquiries.

As a result of what he learned, he returned to headquarters and with Senior-Detective Donnelly and Detectives Curren and Burne, went back to the house. They made a search and subjected a youth to further questioning. Police believe that Clark met his death in a dispute after the robbery, and that death was caused by bullets from a revolver fired at short range.

# Descendants of Robert GODBER

One bullet entered Clark's head, three inches behind the right ear. Another entered the left side, passed through the ribs below the left kidney, and emerged about the middle of the stomach. There is evidence that one cartridge fired into the man's left side set fire to his clothing, and that an effort was made to put it out.

Sub Inspector F. Hobley) thinks the powder flash from one of the shots ignited a celluloid exposure meter that Clark had in his left pocket' with other stolen goods, including a powder compact, handkerchiefs. 1 lb.' of butter and a butter knife.

## Doors Chalk-Marked

Police learned today that an other residence belonging to Mr Dowdle was broken into some time between the beginning of Easter week and April 24.

A tomahawk had been taken from the kitchen and was left in a bedroom. During the Maryport robbery a cleaver was taken from the kitchen and left in a bedroom. All doors of bedrooms from which property was stolen at Maryport were marked in chalk with the Cross of Lorraine (the symbol of Free France and Fighting France). Police believe that this sign indicated which rooms the property was in.

## Shot From Back

The Deputy Chief of the C.I.B. (Det.-Inspector W. Davis) said this afternoon that Clark had been shot from the back. One .45 bullet was found lying in a fold of Clark's clothes when Sub-Inspector Hobley examined the body yesterday.

It is believed that this was the bullet that, penetrated Clark's body from the left side. It is also thought that a third shot was fired. The pistol and the cartridges - both live and expended - are now being subjected to tests by ballistics experts. Since late last night dozens of suspects have been questioned by the homicide squad at Russell Street Police Headquarters.

Clark's address and most details of his recent movements are still unknown. He was seen at Footscray on April 14, and was last seen in a lodging house in Melbourne on April 15, but apparently did not stay there.

Police believe that Clark served twice in the military forces - once in Syria, after which he was medically discharged and enlisted again.

Anyone who knew Clark or his movements at any time is asked to communicate with Inspector. Davis at the Homicide Squad, Russell Street. Immediately. All information given will be treated as confidential.

GUNSHOT WOUNDS IN HEAD

Body Found In Scrub

MELBOURNE, Wednesday. A post-mortem to-day revealed that Thomas Michael Clark, 27, whose body was found yesterday in a ti-tree thicket 300 yards from Maryport Guest House at Mt. Martha, died from gunshot wounds in the skull, brain and abdomen. He had been dead about a week.

He had been shot from behind with an old type revolver. Old style black powder set fire to his clothes.

A number of articles reported to have been stolen from Maryport on April 17 were found in Clark's pockets.

Police believe the wound could not have been self-inflicted. There is no suggestion that any attempt had been made to destroy the body by burning after death.

A youth, aged 17 1/2 is being questioned by detectives engaged on investigations into the death of Clark. To-night the youth was taken by detectives to Mount Martha.

## MURDER FINDING AT INQUEST

### Confession Alleged

A finding of murder was recorded yesterday by Mr Tingate, city coroner, against Kevin Albert Joiner, 17½ years, labourer, of McCormac place, Melbourne, after an inquest into the death of Thomas Charles Clarke, 25, soldier. Joiner was committed for trial.

Clarke was found dead in the scrub after a robbery at Maryport guest house, Mt Martha, on April 17, when £250 worth of property belonging to the proprietor, Mr James Eric Dowdle, was stolen.

Det Walter Byrne said that on the night of April 21 he saw Joiner at Russell st. When questioned Joiner admitted having broken into Maryport and having stolen property.

In a signed statement alleged to have been made to the police, which witness read, Joiner said: "The game is up. I shot Tommy Clarke. I shot him because he looked nervous when we were ransacking the rooms at Maryport. I then decided to shoot Clarke, as I was afraid he would squeal to the police.

"I asked Clarke to come for a walk when we got outside the building. I did that so as I could get him away from the boy. As we walked towards the scrub Clarke was a little ahead of me. I fired a shot into his back. He half turned and ran into some scrub. As he ran he screamed out, 'Don't do it, Jack.' "I then fired another shot at him. He fell into the bushes. I walked over to him. I put the gun to his neck and fired again. His sleeve was burning from the effects of the shot, so I put out the flames and then walked away. Shortly afterwards I returned to the body, and felt it. It was still, so I knew that Clarke was dead."

## YOUTH'S STORY

John Thomas Harris, 15, of Rodney place, Carlton, now an inmate of Royal Park Boys' Home, said he knew Clarke a week before his death.

He met Joiner at Royal Park about three years ago. On April 16 he was in the city when he met both Clarke and Joiner, who said, "I have a big job to do at Mt Martha."

Witness did not want to go at first, but later changed his mind. After travelling to Frankston they boarded a bus for Mt Martha. They entered Maryport through the kitchen. They entered several rooms, taking clothing and valuables from each. Just before leaving the house Joiner chalked the Cross of Lorraine on the door and floor.

After leaving the house Joiner and Clarke were a few yards ahead of witness when he heard a shot fired. It was fired by Joiner, as he had the gun all the time.

Later Joiner said to witness: "You needn't worry, I am not going to shoot you, Titch

### CHARGED WITH MURDER AT MT MARTHA

#### Youth on Trial

An admission that he had shot Thomas Clarke because he had looked a bit nervous was the allegation made by the Crown in the Criminal Court yesterday, when Kevin Albert Joiner, 19, of McCormac place, Melbourne, appeared before Mr Justice Lowe and a jury on a charge of having murdered Thomas Charles Clarke, 25, soldier, at Mount Martha on April 17,

In opening the case for the Crown, Mr R. M. Nolan, said that on April 17, accused, with Clarke and a lad named Harris, had broken into the Maryport guest house, Mount Martha. After having placed the spoils of the robbery in four suitcases they divided the contents outside. Harris was left with the suitcases, and Clarke and Joiner went down towards the Esplanade. Joiner said to Clarke "Go and see what time the bus will be passing for Frankston." As Clarke went Joiner fired into his left side, and again fired to the right. After Clarke slumped into the scrub accused went over to him and fired into the back of his head from a distance of about three feet. It was alleged on behalf of the Crown that Joiner had admitted that while they were in the guest house he had noticed that Clarke looked a bit nervous, and he decided to shoot him.

The hearing is unfinished.

Mr R. M. Nolan prosecuted for the Crown. Mr J. P. Bourke (instructed by Messrs O'Donohue and Green) appeared for accused.

MT MARTHA MURDER

Death Sentence

After retirement of about an hour, jury in the Criminal Court yesterday returned a verdict of guilty against Kevin Albert Joiner, 19, labourer of McCormac place, Melbourne, on a charge of having murdered Thomas Charles Clarke, 25, soldier, at Mt Martha on April 17. Mr Justice Lowe pronounced sentence of death on Joiner.

Detective Walter Byrne in his evidence stated that Joiner had not shown the slightest sign of remorse when questioned by the police concerning the tragedy. Witness stated that Joiner admitted having shot Clarke so that he would not "squeal to the coppers." Joiner had said that he did not like the look of "Tommy" after they had robbed Maryport guest house at Mt Martha on the night of April 17. Witness said that when he had warned Joiner before asking him to make a statement Joiner replied that he wanted to get it off his mind.

In opening the case for the defence Mr Bourke submitted to the jury that the shooting of Clarke had been accidental or that it was done while the youth was temporarily insane.

Mrs Violet Evelyn Joiner, of Windsor, mother of accused, gave evidence of violent ill-treatment by her husband before the birth of the boy. She then separated from her husband. When the child had been born he was very backward, and was not able to speak until he was five years. He suffered an impediment to his speech until he was 13. Following frequent periods of truancy the boy had been claimed by the Children's Welfare Department as a neglected child. In a short statement from the dock accused in a halting and subdued voice told the jury that he had never had a chance in life. For the last few years he had fits of dizziness and bad headaches. He had not intended to kill Clarke. He had remembered the police asking him a lot of questions and he agreed to anything they said.

Mr. R. M. Nolan Prosecuted. Messrs J. P. Bourke and V H. Belson (instructed by Messrs O'Donohue and Green) appeared for accused

Albert Ronald Gibson married Elva Joyce Casbolt, so I suspect this is the correct Albert Gibson. Elva died in 2013. Elva Joyce Casbolt was the daughter of Stanley Edward Casbolt, brother of John James Casbolt who married Eva Annie Gibson Casbolt (nee Wilson), who was Albert Gibson's mother. Albert Gibson and Elva Casbolt would have been step cousins.

- + 209 F     i. **Coral Janine BLACKWELL** [2]

- 210 M     ii. **Douglas Harold Maxwell BLACKWELL** [1326] was born on 12 Mar 1960 in Warragul, Victoria, Australia,<sup>278</sup> died on 5 Dec 1988 in Melbourne, VIC, Australia,<sup>279</sup> at age 28, and was buried on 8 Dec 1988 in Bunyip, Vic, Australia.<sup>280</sup> The cause of his death was hepato renal failure, multiple trauma including fractured spine received in a motor cycle accident. He had no known marriage and no known children.  
General Notes: Douglas worked at various occupations on leaving school, including for Smith and Nephew at Wonthaggi and Containers Ltd at Dandenong. He gained employment as a communications technician installing radio equipment and towers for PG Wallace until late 1988. He was living in Glenhuntly, Victoria. He then got a position for another communications firm installing car telephones and the like. He had only been working at the job for two weeks and was on his way to work on his on his motorbike about 2kms from his home when he hit a speed hump in the road and was thrown into a fence. The accident occurred in Lyons Street, Glenhuntly at the edge of R M Lord Park or Koornang Park. Douglas sustained serious injuries and was transported to the Alfred Hospital where he remained in a critical condition for one month where he died as a result of his injuries. Douglas did not marry or have any children.

Douglas Harold Maxwell Blackwell and Michelle Jones  
(1983)

Douglas was the second child and only son of D. Geoff Blackwell and Nancye (Bonham). He lived at Garfield, Victoria, Australia, until he was 14 years old, when his family moved to Wonthaggi, Victoria, Australia. Douglas spent some time unemployed after he finished school, and later worked at Smith and Nephew in Wonthaggi and at Containers Limited, a packaging factory in Dandenong, driving from Wonthaggi to Dandenong daily. He moved to Glenhuntly in approximately 1985 where he had obtained a job working for P.G. Wallace and Co, a Prahran based company, who installed, serviced and maintained communications antennas. He worked all over Victoria installing these towers, but most of the work was carried out in the Melbourne area.

Douglas was an early adopter of computer technology and was adept at computer programming. He was also an amateur (ham) radio operator and enthusiast. He assisted in the early stages of organising and installing equipment for the formation of a local radio Station in the South Gippsland area, now known as 3MFM. He was undertaking a course in electronics at the Swinburne Institute of Technology.

The Rialto Towers (often The Rialto) is the second-tallest reinforced concrete building and the tallest office building in the southern hemisphere, when measured to its roof (several other skyscrapers in Australia are taller if their spires are included, as are some other structured in Australia such as communications masts and observation towers). The building is located at 525 Collins Street, in the western side of the central business district of Melbourne, Australia.

The Rialto Towers featured Melbourne's first skyscraper public observation deck which

# Descendants of Robert GODBER

operated between 1994 and 31 December 2009 It was also the location of Melbourne's first Tower running event.

At the time of its completion it was the 23rd tallest building in the world and the 2nd tallest outside of the United States (behind First Canadian Place in Toronto, Canada). Construction of the Rialto Towers was completed in 1986.\*(Wikipedia Feb 2012)

P G Wallace and Company installed the communications towers on the top of the Rialto building. Douglas, who was initially very unhappy working at height, soon got used to it, and would proudly recount the fact that he and his workmates used to fly paper aeroplanes from the roof of the Rialto building during its construction and the installation of the communications towers.

Douglas left this job with P.G. Wallace and Co in mid 1988 and commenced working for a company called Australnet Communications that installed car telephones that operated from Mount Waverley. This was an infant industry at the time.

In his younger years Douglas played the cornet in the Wonthaggi Citizens Band, and played competition table tennis at Wonthaggi. He also enjoyed archery. As a child and into adulthood he built and flew model planes, eventually branching out into radio controlled equipment including planes, cars and boats. He competitively raced radio controlled sailing boats on the Albert Park Lake in Melbourne.

As children, Douglas and his sisters learned to ride motorbikes, which were ridden at Garfield on Theadora Fenn's land which was about 6 acres. Eventually Douglas obtained his motorbike licence and rode his bike to work in Melbourne trying to save fuel costs. He had purchased a 125cc racing motorbike which he was preparing to race in 1989.

Douglas was on his way to work at his new job at Australnet Communications, where he had been working for only 2 weeks, when his motorcycle hit a speed hump in the road, only about 2 kms from his home in Glenhuntly. He lost control of the machine and was critically injured and taken to the Alfred Hospital in Melbourne, where he remained in a critical condition for one month, but finally succumbed to his injuries on the 5th of December 1988.

Douglas did not marry or have any children but loved his nieces and nephews dearly.<sup>281</sup>
