Since I have been doing the research I have wondered how different our lives might have been if our ancestors had not chosen the directions that they did. These directions have made us who we are, and landed us in so many different places.

I wonder at the courage of our ancestors - getting on those ships and sailing to far flung foreign lands, with little or no hope of returning to see their families again. How brave they must have been, or perhaps they were just desperate.

We cannot forget those who stayed at home and kept the home fires burning and gave our intrepid travellers a point of reference.

Whether they stayed in places old or travelled to places new, and whatever the reason for their remaining in, or departing from those homelands, we should continue to thank them for being our parents, grandparents and great grandparents and for helping to make us who we are today.

With this in mind, this book is

For my children and grandchildren  
and broader family  
so they know all where we came from.

# Introduction

## **Copyright**

This book has been produced for the express use of family members and should not be reproduced, but can be used for research purposes. However, please respect the privacy of living family by keeping their information confidential.

## **Thank You**

I would like to thank all the members of the family who have continued to supply me with information. There are too many to name, but you know who you are. Without that information, this book would not exist.

Special thanks go to my late aunts, Pax Towt (Blackwell) and Eve Johnson (Blackwell) and my mother Nancye Blackwell, without whose collaboration, enthusiasm, encouragement and advice, I may never have continued with this research.

My research is also interlinked with many other researchers whose families are linked to our own. Thank you to those people who have carried out research into these other family branches. Please see the bibliography and sources at the back of this book for this information. (As a paper saving measure I sometimes omit this information, but it can be supplied on request).

## **Introduction**

Many strange and interesting facts are discovered in the process of family tree research. It can be costly and frustrating, but the results are so worthwhile, all the negatives disappear.

Sadly, there are some facts that will never be known, and a certain amount of supposition then comes into play, but a fact is not a fact without written evidence, so where ever possible, that evidence has been included in the sources section of this book. (As a paper saving measure I sometimes omit this information but it can be supplied on request).

I have carried out this research mostly at my own cost, and in my own time, but I believe that the more people this information is shared with, the longer it will last. I am happy to share this information with the family and I hope that you get some benefit out of my 30 plus years of research.

My motto is "always ask the questions". Sometimes you don't get the answers you want and would like, but if you don't ask, you will never know.

Research can be dry and boring to read and can only go so far, conversations round it all out. Over the years the conversation becomes less and the research becomes greater. It is important to try to have some family stories included amongst the research to make the family seem alive.

DNA has opened up a whole new realm of research and DNA has helped me solve, or put to rest, some family mysteries and dead ends. Without DNA, one entire line of my own tree was incomplete and incorrect. We now know more about our past than we could ever have hoped for. I am sure that DNA research will continue to solve some mysteries, and possibly even create some new mysteries.

I only ask one thing, and that is for all the family to continue to contact me with any information that is missing or incorrect, and that you all continue to contact me regarding any births, deaths and marriages. This is a BIG family, and I can't know it unless you tell me.

This book is a work in progress and will never end, as births deaths and marriages continue down the generations in perpetuity. There are bound to be mistakes in this book and I would appreciate being notified of any alterations or corrections that may be found.

Thank you once again for all your help and please enjoy this labour of love that has taken me more than 30 years to produce.

# Descendants of Elisha HOWELLS

## First Generation

1. **Elisha HOWELLS** [12103], son of **Thomas HOWELLS** [12109]<sup>1</sup> and **Elizabeth** [12110],<sup>1</sup> was born in 1732 in Church Stretton, Shropshire, England, was christened on 15 Oct 1732 in Church Stretton, Shropshire, England,<sup>1</sup> and died in Nov 1806 in Eaton Under Heywood, Shropshire, England,<sup>2</sup> at age 74.

Elisha married **Mary OWEN** [12104].

Children from this marriage were:

- 2 F i. **Martha HOWELLS** [12105] was born in 1754 in Shropshire, England and was christened on 17 Nov 1754 in Hope Bowdler, Shropshire, England.<sup>3</sup>
- + 3 M ii. **Thomas HOWELLS** [643] was born in 1756 in Shropshire, England,<sup>4</sup> was christened on 31 Jul 1756 in Eaton Under Heywood, Shropshire, England,<sup>5</sup> and died in Mar 1840 in Munslow Aston, Shropshire, England,<sup>6</sup> at age 84.  
Thomas married **Mary** [—?—] [644]. (b. Abt 1760, d. 1795)  
Thomas next married **Margaret SOUTHERN** [12088] (b. 1762, d. 1840) in 1797 in Munslow Aston, Shropshire, England.<sup>7</sup>
- 4 F iii. **Mary HOWELLS** [12106] was born in 1760 in Shropshire, England and was christened on 18 May 1760 in Hope Bowdler, Shropshire, England.<sup>8</sup>

Elisha next married **Elizabeth CARTER** [12107].

The child from this marriage was:

## Second Generation (Children)

**3. Thomas HOWELLS** [643] (*Elisha*<sup>1</sup>) was born in 1756 in Shropshire, England,<sup>4</sup> was christened on 31 Jul 1756 in Eaton Under Heywood, Shropshire, England,<sup>5</sup> and died in Mar 1840 in Munslow Aston, Shropshire, England,<sup>6</sup> at age 84.

General Notes: I cannot be 100% certain that the same Thomas Howells who married Mary, then married Margaret Southern, following the death of Mary (possibly Lloyd). However, in view of the fact that the descendants of Thomas's son Elisha (1788-1827 son of Mary) and descendants of Thomas's daughter Mary (Yapp 1807-1892 daughter of Margaret, and half sister of Elisha) have DNA matches in 2020, this is the most likely scenario. The DNA matches on the Mary Yapp line are via Mary's daughter Maria Nicholas (Yapp) son and daughter, Arthur Ernest Nicholas and Emma Edweena Nicholas.

Thomas married **Mary** [—?—] [644]. Mary was born about 1760 and died in 1795 in Munslow Aston, Shropshire, England,<sup>10</sup> aged about 35.

General Notes: Surname is possibly Lloyd. A Thomas Howells married a Mary Lloyd at Condover, Shropshire on 29 April 1778.

There are DNA matches from Thomas Howells to the Australian "Jones" family that would appear to prove that John Jones did change his name from Howells to Jones.

Children from this marriage were:

- 6 M i. **John HOWELLS** [12097] was born in 1781<sup>11</sup> and was christened on 13 Jul 1781 in Diddlebury, Shropshire, England.
- 7 M ii. **Thomas HOWELLS** [12098] was born in 1783 and was christened on 19 Jul 1783 in Diddlebury, Shropshire, England.<sup>12</sup>
- + 8 M iii. **Elisha HOWELLS** [69]<sup>13</sup> was born in 1788 in Munslow Aston, Shropshire, England, was christened on 27 Jan 1788 in Munslow Aston, Shropshire, England,<sup>14</sup> died on 17 Apr 1827 in Munslow Aston, Shropshire, England,<sup>15</sup> at age 39, and was buried in Apr 1827 in Munslow Aston, Shropshire, England.<sup>16</sup>  
Elisha married **Mary GLANVILLE** [68] (b. Abt 1792) on 6 Nov 1820 in Stoke Damerel, Devonshire, England.<sup>17</sup>

Thomas next married **Margaret SOUTHERN** [12088], daughter of **Edward SOUTHERN** [12089] and **Mary** [12090], in 1797 in Munslow Aston, Shropshire, England.<sup>7</sup> Margaret was born in 1762, was christened on 11 Jul 1762 in Alveley, Shropshire, England,<sup>18</sup> died in 1840,<sup>19</sup> at age 78, and was buried on 3 Jun 1840 in Munslow Aston, Shropshire, England.

Noted events in her life were:

- She has conflicting or alternate death information of Oct 1842 and Ludlow, Shropshire, England.<sup>20</sup>

Children from this marriage were:

- + 9 M i. **John HOWELLS** [12091] was born in 1798, was christened on 1 Apr 1798 in Shropshire, England,<sup>21</sup> and died in 1879 in Tugford, Shropshire, England, at age 81.  
John married **Alice SIMCOCK** [12092].
- + 10 F ii. **Ann HOWELLS** [12093] was born in 1800, was christened on 2 Feb 1800 in Shropshire, England,<sup>22</sup> and died in 1875 in Shropshire, England,<sup>23</sup> at age 75.  
Ann married **Thomas JONES** [12094].
- + 11 F iii. **Martha HOWELLS** [12095] was born in 1805, was christened on 10 Feb 1805 in Shropshire, England,<sup>24</sup> and died on 16 Mar 1868 in Shropshire, England,<sup>25</sup> at age 63.  
Martha married **William JONES** [12096].
- + 12 F iv. **Mary HOWELLS** [11381] was born in 1807 in Ludlow, Shropshire, England, was christened on 21 Jun 1807 in Munslow Aston, Shropshire, England,<sup>26</sup> and died on 12 Mar 1892 in Ludlow, Shropshire, England,<sup>27</sup> at age 85.  
Mary married **Richard YAPP** [11382] (b. Abt 1805, d. 1872) in 1830 in Shropshire, England.

## Third Generation (Grandchildren)

8. **Elisha HOWELLS** [69]<sup>13</sup> (*Thomas<sup>2</sup>, Elisha<sup>1</sup>*) was born in 1788 in Munslow Aston, Shropshire, England, was christened on 27 Jan 1788 in Munslow Aston, Shropshire, England,<sup>14</sup> died on 17 Apr 1827 in Munslow Aston, Shropshire, England,<sup>15</sup> at age 39, and was buried in Apr 1827 in Munslow Aston, Shropshire, England.<sup>16</sup> Another name for Elisha was Elijah Howells.

General Notes: On his son's (George Howells/John Jones) marriage certificate John's father was named as Elisha Jones, and his mother as Mary Glanville. Elisha JONES was said to be a Sergeant in H.M. 74th Regiment Foot. England on that certificate. Research was carried out in England in the 1990's and proved that the Regiment was incorrect and also that Elisha was not Jones, but was Elisha HOWELLS.

The research carried out in the 1990's found that Mary GLANVILLE married Elisha HOWELLS a sergeant in the 5th Royal Veteran Battalion. They were married at Stoke Damerel, Devon. Elisha (Elijah) and Mary were married by Banns by John Hawker, curate. Elisha was a sergeant in the 5th Veterans at the time of the marriage and Mary a spinster. Elisha signed the register and Mary made her mark. Witnesses to the marriage were John Glanville who made his mark, and Eliz Johnson, who also made her mark. Unfortunately the parents name were not required or shown in this book.

Elijah (Elisha) was born at Munslow Aston in 1788 (near Ludlow) and enlisted for the 90th Regiment at Milford Pembrokeshire on 30 September 1807 aged 22 and served until 24 Nov 1819, when he was discharged due to reduction in the regiment and chronic catarrh. It is possible that Elisha fought in the Napoleonic wars, as I have found a soldier with the same name in the records of that war. I have both his discharge papers in my possession but they do not mention this however.

He enlisted at Shrewsbury for the 5th Royal Veteran Battalion on 25 Dec 1819 and served to 26 June, 1821 when he was discharged due to disbandment of the regiment and rheumatism. He was 36 years old and died on 17 April 1827 and was buried at Munslow, Aston on 20 April, 1827. On his certificate of discharge in 1819, his statement of service shows that his service was 11 years and 88 days. He was a private for 5 years and 362 days, a corporal for 2 years 26 days and a sergeant for 3 years 65 days. His general conduct as a soldier was "good". On his certificate of discharge in 1821, he had served a further 1 year and 104 days as a sergeant. His general conduct was said to be very good. In the description it states that Elijah is 5 feet 6 inches tall, has fair hair, grey eyes and a fresh complexion.

This information was found in at the PRO in 1994 by Peter Bennett, Researcher of Hampshire, England, pre internet.

Elisha was living at Bache Mill, Devon, and buried at Munslow Aston, Devon, England.

All indications are that as John JONES (George Howells) was born about 1826, and his mother's name was given as Mary Glanville, that he is the son of Mary GLANVILLE and her husband Elijah HOWELLS.

Noted events in his life were:

- Elisha served in the military: early military service in England possibly even Napoleonic wars.

Elisha married **Mary GLANVILLE** [68], daughter of **William GLANVILLE** [1 1040] and **Mary** [1 1041], on 6 Nov 1820 in Stoke Damerel, Devonshire, England.<sup>17</sup> Mary was born about 1792 in Shropshire, England.

# Descendants of Elisha HOWELLS

Another name for Mary was Mary Glanvell.

General Notes: I have found the marriage of a Mary Howells to Richard Yapp in December 1830, but it may have been a sister Mary of Elisha Howells rather than George Howells mother Mary (Glanville). Richard is said to be a blacksmith and although Mary's age does not match Mary (Glanville) currently assumed DOB. Due to several DNA matches with her descendants and Michael Jones found in 2019 it could be Mary, sister of Elisha or Mary (Glanville) wife of Elisha. Unfortunately, as the marriage is pre compulsory registration, it is not easily checked at this point if it is Mary Howells or Mary Glanville Howells.

Mary and Richard had several children

1. Mary Yapp b. 1832
2. Elijah Yapp b. 1837
3. Margrett Yapp b. 1838
4. Emma Yapp b. 1845
5. Elizabeth Yapp b. 1847

Richard Yapp died in 1872  
Deaths Mar 1892 Yapp Mary 80 Ludlow 6a 494

There are 2 possibilities, Mary Howells who married Richard Yapp may be the Widow of Elijah Howells or may be the sister of Elijah Howells, as previously stated, there are several DNA matches with current generations, so it could be either.

I have recently found a marriage of a Mary Howells to a James Jones in Wales in 1836.

This MAY be the correct Mary Howells, but it is unlikely this can be proven, but may also account for George Howells using the surname Jones later in life.

Mary married **Richard YAPP** [11382] in 1830 in Shropshire, England. Richard was born about 1805 and died in 1872 in Ludlow, Shropshire, England, aged about 67.

## Fourth Generation (Great-Grandchildren)

**14. Thomas HOWELLS** [5961] (*Elisha*<sup>3</sup>, *Thomas*<sup>2</sup>, *Elisha*<sup>1</sup>) was born about 1823 and was christened on 17 Aug 1823 in Munslow Aston, Shropshire, England.<sup>30</sup>

Noted events in his life were:

- He had a residence in Stockton, Shropshire, England in 1861.<sup>31</sup>
- He had a residence in Norton, Stockton, Shropshire, England in 1871.<sup>31</sup>

Thomas married **Mary** [11802].<sup>31</sup> Mary was born in 1821 in Pattingham, Staffordshire.<sup>31</sup>

Children from this marriage were:

- 23 M i. **William HOWELLS** [11798]<sup>31</sup> was born on 5 Mar 1845<sup>31</sup> and was christened on 6 Apr 1845 in Worfield, Shropshire, England.<sup>31</sup>

**15. John JONES** [46]<sup>32</sup> (*Elisha*<sup>3</sup>, *Thomas*<sup>2</sup>, *Elisha*<sup>1</sup>) was born about 1825 in England, was christened on 11 Sep 1825 in Diddlebury, Shropshire, England,<sup>33</sup> died on 8 Nov 1898 in Swan Hill, Vic, Australia,<sup>34</sup> aged about 73, and was buried on 10 Nov 1898 in Balranald, NSW, Australia. The cause of his death was Intestinal obstruction and exhaustion. Another name for John was George Howells.

General Notes: Also known as George or possibly John HOWELLS. According to John's death certificate he had lived in Victoria for 55 years and NSW for 1 year. If that information is correct it would make his arrival in Australia approximately 1842 and his date of birth approximately 1823. It also says that John was born in Saltash, Cornwall, England. On his son's death certificate John's name is given as John George Jones.

After much searching I was unable to find the entry into of Australia of John Jones. I put this down to the fact that there were so many John Jones's and I could not pick which one he may have been. John's occupation was recorded as brick maker on his marriage certificate in 1859, in 1885 and 1895 his occupation was recorded as woodcutter. His marriage certificate stated that his parents were Elisha JONES a sergeant in the Army and his mother Mary GLANVILLE. I decided to research this information in England and hired a researcher in 1994. He was unable to find any Elijah JONES in the regiment stated on his sons marriage certificate, or in fact any soldier by that name.

Many years ago I had been told a story by Lorna GIBSON (Nee JONES). She told me that her father, George, had told her (more than once) that the family name was not JONES at all, that was as she remembered it, OWL and that the family was Welsh.

My research commenced in the 1980's pre Internet and so all research had to be undertaken by researchers in various countries who made contact via snail mail. Back in the early 1990's I was using a researcher in England to assist in the search for information. When the researcher drew a blank looking for JONES, this story came back to me and I contacted him again suggesting he look for the marriage of Mary GLANVILLE to a soldier whose surname was something like HOWELL.

This he did and amazingly, he found what we were after. He found the marriage of Elisha HOWELLS to Mary GLANVILLE at Stoke Damerel, England on 6 November 1820. John was born c. 1826 and Elisha died on 17 April 1827 and was buried on 20 April 1827 and had been living at Bache Mill. Elisha was 39 years of age when he died and was a retired Army Officer. It is assumed therefore, that John was his son. The English researcher then set forth to find John's birth, but alas, he turned up no births to Mary GLANVILLE and Elisha HOWELLS, but found one baptism, that was George HOWELLS who was baptized on 11 September 1825, son of Elisha and Mary HOWELLS, Diddlebury, Labourer.

**In April 2013 I was going through some old research information and discovered that John's son, John Elijah (Elijah John) named one of his daughter's Harriet Howell Jones, and another one Olive Charity Glanville Jones. It would appear that the story that was passed down over the years is in**

# Descendants of Elisha HOWELLS

**fact true, and that John Elijah knew this as he used Howell (His father's REAL surname and his grandfather's surname) as the second name for one child and Glanville (his grandmother's surname) as a third name for another child. This would seem to confirm my hypothesis of earlier years.**

It is assumed that George HOWELLS and John JONES are in fact the same person, although this will probably never be confirmed. The reason he felt it necessary to change his name at all will probably also remain a mystery. We are perhaps fortunate that he passed on the fact that he had changed his name to his sons and grandchildren or we would never have got past the assumed name, John Jones at all.

Research ceased in England due to the difficulties in finding any further information in the mid 1990's. But assuming that Elisha and Mary HOWELLS are the correct parents I have obtained their marriage certificate and also Elisha's army records.

I was in contact via E-mail from 1997-2000 with Richard Howells, of Sandbach, Cheshire, England who is a relative of Elisha Howells and Mary Glanville. He has also tried to find a connection, but has been unable to do so but agrees with me regarding the relationship.

John and Mary were married at the residence of the of the Congregational or Independent Church Minister in Melbourne, Thomas O'Dell. The witnesses to the marriage are almost indecipherable, but may be John Witing and May Kovacs.

In view of the death certificate that indicates that John had lived in Victoria for approximately 55 years at the time of his death, I have searched for a George Howell/s arriving in Australia and have found a George Howell who was tried for larceny in Lancaster on 2 March 1841 and was sentenced to 7 years transportation. He arrived in Van Diemen's land on the Ship Barrosa. By 1849 George is listed as "free" and this is a possibility. These details were found on Findmypast.com.au.

There is also a George Howell who arrived as an unassisted passenger in Geelong on 24 Dec 1849 on the ship the Andromache which sailed from Plymouth. Unfortunately there is no age or any other details which might help identify this as the correct person.

Mary's death certificate in 1899 states that John and Mary had 2 deceased male children and 1 deceased female child. Of these children, only Mary is known, though birth or death records have not been found. The 2 male children have not been traced to date.

John married **Mary CRONAN** [45], daughter of **Timothy CRONAN** [71] and **Margaret CONNELL** [70], on 5 Oct 1854 in Melbourne, VIC, Australia.<sup>35</sup> Mary was born about 1810 in Cratter, Ireland, died on 28 Jan 1899 in Balranald, NSW, Australia,<sup>40</sup> aged about 89, and was buried on 31 Jan 1899 in Balranald, NSW, Australia. The cause of her death was senile debility and exhaustion. Another name for Mary was Mary Cronin.

General Notes: Domestic Cook  
lived Yanga Lake Balranald.

On Mary's marriage certificate she gives her age as 24 which would make her YOB 1830, on her death certificate her age is given as 90 years which would make YOB 1809, on John Elijah's birth certificate in 1857 her age is given as 26 making YOB 1831 and on Michael's birth certificate in 1858 age is given as 50 making YOB 1809.

Mary's death certificate indicates she had 2 deceased male children that have not been found, as well as 1 deceased female, named Mary a birth or death of any of these children has not yet been found.

Cronan has also been spelled Cronin. Mary Cronin from Tipperary is recorded in the shipping records as being able to read and write and was 21 years of age. She sailed on the "Confiance" from Liverpool on 8 December, 1852 and arrived at Geelong on 12 April, 1853. She was engaged to work for Mr.G.Reid of Spring Street and disembarked with 3 months rations.

On the marriage certificate with John Jones, neither John nor Mary could write and signed the certificate with an x. They were married at the residence of the Minister Melbourne, according to the Rites of the Congregational or Independent Church.

### **The Bendigo Independent (Vic. : 1891 - 1918) Tue 16 Jun 1891 Page 2 HUSBAND AND WIFE. HUSBAND AND WIFE.**

#### **WHAT CONSTITUTES LEGAL CRUELTY?**

At the City Police Court yesterday, before Mr. Patterson, P. M., and Mr. McGowan, J.P., Ellen Jones proceeded against her husband, John Elijah Jones, a well-to-do farmer and grazier, living at Mystic Park, between Kerang and Swan Hill, for maintenance.

Mr. Kirby, for the plaintiff, said that his client had been treated in such a manner that she was afraid of him, and had left the house.

Mr. Tatchell, for the defendant, remarked that the husband was willing to take her back to her home and treat her in a proper manner; therefore the case must be dismissed. The defendant was then placed in the witness-box, and stated that he was willing to take his wife and three children back to his home, which was a comfortable one.

Cross-examined by Mr. Kirby: The house - a four-roomed weatherboard one - had no fireplace, but there was one 19 yards away. He told her, after she had done the "disappearing trick so neatly," that he did not want her again, but he wanted the children. He denied having said that if he got her back he would lead her the life of a dog. She had a hot temper, and he had struck her, as she would not "shut up" when he told her.

Mr. Kirby said that the wife was justified in leaving the house, and that the justices could make an order for maintenance provided that they were satisfied that the offer of the husband to give her a home was not a genuine one.

Samuell Mitchell, who had been living at the defendant's house for the last five years as a laborer, swore that after Mrs. Jones left the house, the defendant asked him if he had seen anything suspicious between her and a man named Riley. Witness replied "No," and he then asked him if he had seen or heard anything between him and Mrs. Jones. Witness replied that he had, and the defendant wished him to promise that he would say nothing about his having threatened to shoot her. Witness refused, and said he would tell the truth. The defendant had told witness that if he got his wife back he would "lead her a dog's life." He also said, "Now she's gone she can - well go ; I'll soon get another one here." Witness had heard him tell her to go away, and that she if she paid him the four guineas he paid for her (meaning the marriage fee, etc.). He had never heard the plaintiff use bad language, but they had not lived happily together.

Thomas O'Dwyer, a lad who had been in the employ of the defendant for seven months, stated that he had heard him threaten to blow out his wife's brains. He said he did not want her to return home.

Mrs. Jones, in her evidence, swore that her husband, had treated her brutally. He had on three occasions threatened to shoot her, and on one occasion, a few months ago, struck her behind the ear with his clenched fist. This had caused clotted blood to issue from the nostrils at times ever since. She was now being attended by Dr. McKee. He had compelled her to get up at daylight, and, with a gun, stand all-day in the fields, to keep the birds away from the crops. In addition to this, she had to do her household work but he never appeared to be satisfied. When confined, she was not properly nourished, and had not lived happily with him since he wanted her to mind sheep about five years ago. He had 5000 acres of land, 1400 sheep, also implements, etc.

# Descendants of Elisha HOWELLS

He had acknowledged that she made £70 a year with butter. She denied that she had an open purse, and could spend what she liked. She had to account for every penny, and was compelled to take in washing to raise some money for herself. He even "borrowed" this money from her, and would not return it.

Mrs. Stanley, mother of the plaintiff, who is a young woman, gave corroborative evidence

J. BL Curnow, accountant in Messrs. Connelly and Tatchells office, gave evidence that he interviewed the plaintiff, who refused to go back to her husband.

In conclusion, Mr. Patterson, briefly said: It's a very serious thing. Jones makes the offer that he will treat her properly, and if he does not behave properly to her she will have to take other steps. The case is dismissed.

### **TOPICS OF THE DAY.**

Dr Madden made an application to Mr Justice Webb in the Practice Court this morning upon behalf of John Elijah Jones, of Mystic Park, near Kerang, farmer, for a writ of habeas corpus directed to Helen Jones, requiring her to bring before the Court their three children for the purpose of having them restored to the applicant. It is alleged that on the 15th of May, 1891, Mrs Jones left her husband's place with their three children without permission, and had remained away at her parents' place near Bendigo, refusing to return home or give up the children, though repeatedly requested to do so. His Honor granted the application, and made the writ returned on Wednesday next.

John died in 1913. An inquest was held into John's death. John had been in poor health for many years. He was sitting on his front verandah at Swan Hill on the evening of his death. A man he knew, Thomas Butterworth, walked past and John invited him to come and have a chat. John's wife came onto the verandah and gave John some medicine. He then fell over backwards and said he needed a doctor. John and Ellen's son in law, James Attrill was also present at the time. Thomas Butterworth claimed that John said "I'm poisoned", however, Thomas admitted that he knew John had been taking this medicine for a couple of weeks. His wife explained that he had seen a Chinese doctor who had prescribed the herbs which she brewed and John drank daily. The concoction was sent to a pathologist, who subsequently analysed same and found it to be a herbs that resembled those used by the Chinese for medicinal purposes and stated that he found no substance of a poisonous nature. Unfortunately the last page of Ellen's evidence to the court is missing.

The inquiry was held into John's death, at Swan Hill on 4 February, 1913 before John Ramsay JP, Deputy Coroner.

### **FOXES AND THE SMALL MAN.**

Mr J.E. Jones, of Howell Farm, Balranald, referring to Mr W. J. Gallagher's letter concerning foxes in the Mudgee district, gives his personal experience of the past. Quote:-

Last year I lost about 30 lambs through the foxes, so this year I thought it well to lay a few baits before lambing time, hoping to get three, or at most four, of the vermin.

I killed a sheep, drew the paunch and laid baits about four chains apart. Next morning I got two. Every morning afterwards for three weeks I went round the trail laying fresh baits of fat and during that time I secured 45 foxes. All these were caught in one paddock of 500 acres with station country adjoining on both sides ; and still they come! I asked the manager of the station to allow me to poison on his paddock adjoining, but he refused. All the squatters about here harbor them, saying they do no harm; but it is the small man who suffers all the time. The squatter may not miss, a thousand or two lambs, but it is different with the small man with his little flock of 300 or 400 sheep. The foxes will be as great a curse as the rabbits in time if steps are not taken to stop the increase. I remember some years ago a man giving a pig for twenty rabbits to turn out on his paddock, and he would prosecute anyone caught, killing one. To-day that man would give more than twenty pigs to get rid of the rabbits. So it will be with the foxes. Later on they will go in packs and kill all before them.

THE FOX PEST.

Mr. J. E. Jones, of Howell Farm, near Balranald, writes to say that since his last letter on the subject of foxes he has taken out of his sheep paddock 105, and yet they seem as thick as ever. This lot was taken out of 600 acres of box country. I also note in the 'Farmer and Settler,' says Mr. Jones, that foxes are taking the tongues out of sheep and that they had even tackled calves. They will do the same here soon, as they are very numerous; and I think the government or the p.p.board should make it compulsory upon every one to kill his share. Yet we hear some people still declaring' that the foxes do no harm, and only kill rabbits!

SEARING LAMBS' TAILS.

Mr. **J. E. Howell**, of Howell Farm, near Balranald, N.S.W., kindly writes:

-My cousin, Mrs. Margretta Dore, of Cottesloe, sent me a copy of the "Western Mail," and I see that "New Chum" is asking for information re searing lambs' tails. I will give "New Chum" my experience, which gave very little trouble, and no loss of lambs. I just cut the tail off as usual, but had two pieces of bent hoop-iron in a fire, and, as I cut the tails, off, I just put the hot iron on the .vein under the tail, alt does not take a second to do, and it will suit any man with a small mob of lambs. Of 300 lambs done this way there was not one lost, and in the yard that held them there was not a cup of blood ; besides, the lambs showed no effect after they were done, being just as lively as when put into the yard. Also, if any of your subscribers desire any information on different sorts of wheat, I will be glad to give it to them, as I am a grower of different sorts, which I sent over to Mr. H. I. Ranford this season, and he has them on view at his office. Later on I will tend you a method of stopping a mare from slipping her foals, as I have bred a good many horses, and this treatment may be handy to some of your subscribers.

Memorial: Jerusalem Memorial

Son of Helena Hartwell (formerly Jones), of Swan Hill, Victoria, Australia, and the late John E. Jones. Native of Mystic Park, Victoria

# Descendants of Elisha HOWELLS

The Jerusalem Memorial stands in Jerusalem War Cemetery, 4.5 kilometres north of the walled city and is situated on the neck of land at the north end of the Mount of Olives, to the west of Mount Scopus. The cemetery is found on Churchill Blvd, sandwiched between Hadassah Hospital and the Hyatt Hotel. An Australian Memorial is opposite the cemetery entrance.

It would appear that John had fallen out with his mother before he left Australia but he had nominated her as his next of kin. John appears to have been living at Paika Station, Balranald, where his sister Mary Helen Davis lived. He had allotted his pay to his sister, who claimed it for some time from the Balranald Post Office, however, his mother wrote to the war office in July 1915 and requested that the money be allocated to her as she was a struggling widow. In that letter she advised that her son had been to Swan Hill in April and had seen her at a fete but had ignored her. After John's death many letters went to the War Office from Mary Helen Davis and Helen Jones - Hartwell both claiming they were next of kin and claiming John's money and goods. It would seem that John's mother ended up with his possessions and his medals despite his sisters requests.

More information about John can be found on the Australian Military History of the 20th Century (Desert Column) website:-

JONES.-In loving remembrance of my dear son and our dear brother, Corporal John William Jones, who was killed in action in France on 6th August, 1916.

Often my heart does wander

To a spot so far away,

Where my darling loved one is laid

Just a year ago to-day.

So deeply missed by his loving mother.

-Inserted by his loving mother, Helen Hartwell, and sisters and brother.

JONES. -In loving remembrance of my dear brother, Corporal J. W. Jones, who was killed in action somewhere in France on 6th August, 1916.

His King and country called him,

The call was not in vain;

On Australia's roll of honor

You'll find our brave Jack's name.

I do not forget him, nor do I intend,

I think of him dearly, and will to the end;

One year has passed. still fresh in my mind,

Is my dear brother, so true and so kind.

Out of memory I shall not blot

Those three little words, Forget me not,

JONES.-In loving remembrance of my dear son and step-son, Corporal J. W. Jones, who was killed in action in France on 6th August, 1916.

Thou art not forgotten, Jack,

Nor wilt thou ever be;

With many a comrade brave;

Who, eager and strong, like our loved one,

Now sleeps in a soldier's grave.

She slept in the bed with her parents and was always kept well wrapped up because she was delicate. Her mother always put her to sleep between herself and the wall. The baby woke and was fed at around midnight, her mother moving her into the middle of the bed to feed. Her mother must have fallen asleep without moving the baby back to the other side of the bed and mother woke at around 5.30am and realised there was something wrong. She woke her husband to light the candle and found the baby was dead. Father went to get the Dr, who had already attended the baby twice due to her delicate nature. The Dr found a fold of the shawl the baby was wrapped in was partly over the baby's face and he

BALRANALD POLICE COURT

FRIDAY 11th MAY

(Before the Police Magistrate:)

Frederick George Castle was brought up on remand charged with having improper intercourse with Mary Ellen Jones, a girl under the age of 14 years. Mr. A. J. Robertson appeared for the prosecution.

Senior constable Loomes stated that from information received he proceeded to Yanga Lake and arrested accused on the charge above mentioned. The offence took place on or about the 14th inst. when the girl was 13 years and 11 months of age. He cautioned accused regarding any statement he might make in reply to the charge accused said "I am not going to tell any lies about it, I am guilty, but she is as bad as I am. She came messing about me when I was at my work."

The girl, Mary Ellen Jones, and her father and mother gave evidence which was unfit for publication. Dr. Kelly deposed to having examined the girl and in his opinion she had been eniente for about 4 months. She was well developed for 14 years of age, and he should have thought she was older.

Accused made it statement to the effect that he was sorry for what he had done. He was aware that he had ruined the girl, and he was quite willing to marry her if that would do any good.

Accused was committed to take his trial at the Deniliquin Quarter Sessions to be holden on the 21st of June next.

Frederick George Castle was convicted and sentenced to 18 months imprisonment at Darlinghurst Prison for carnally knowing a female between the age of 10 and 14 years. His mother was a Mrs Wilson who was living at Brookong Station via the Rock according to New South Wales, Australia, Gaol Description and Entrance Books, 1818-1930 for Frederick George Castle Entrance and Description Book Darlinghurst 1900.

Frederick was born in Victoria in 1876 and died at Deniliquin in 1944. He married Eliza Jones in Redfern NSW in 1907. He and Eliza had 3 children.

Named as Mary Helen on her mother's death certificate. From her deceased brothers war records I have ascertained the Mary Helen married ? Davis and was living at Paika Station, Homebush Hotel, Balranald in February 1917.

Mary married **George Robert DAVIS** [6608] in 1904 in Balranald, NSW, Australia. George was born in 1880 in Balranald, NSW, Australia<sup>104</sup> and died in 1942 in Balranald, NSW, Australia,<sup>105</sup> at age 62.

General Notes: In 1930 George's address was given as Yanga Station, Balranald.

Katandra Bride

Wed at St. Augustine's

White magnolia slipper satin composed the charming bridal gown chosen by Miss Moria (Betty) Victoria Woodcock, for her marriage to Laurence Ivan Jones, which was solemnised in St. Augustine's Church of England by the Rev. Mr. Rodda, of Violet Town, last Saturday.

The bride, who was given away by her father, is the eldest daughter of Mr. and Mrs. W. Woodcock, of Katandra West, whilst the 'groom is the third son of Mr. and Mrs. T. Jones, of Footscray.

The bridal gown of rich satin had a long bodice which, was gathered in the front and had three quarter gathered sleeves. The embroidered folds of the beautiful tulle veil (lent by the best mans wife, Mrs. Davis) was caught with a cluster of orange blossom. Her bouquet of white gladioli harmonised perfectly with the gown.

Miss Phyllis Woodcock, who attended here sister, wore a blue crepe gown. The waistline of which featured a fitted band into which the bodice of the gown was draped, and the skirt softly gathered. Her hat of toning tulle straw was trimmed with pink, and her bouquet was composed of pink cacti dahlias. Mr. Reg Davis, of Chelsea, was best man.

Jessie Jones cuts her birthday cake on Tuesday.  
To meet her, you would never guess that Jessie Jones had just turned 99 years old.

Her energetic personality, or how easily she can hold a conversation, points to a much younger lady.

Her easy-to-talk-to nature is possibly why she has formed so many friendships over her life's journey.

Jessie, who has lived in Deniliquin all her life, had more than 40 family and friends gather on Tuesday, her actual birthday, to mark her 99th year with an afternoon tea.

"I've had a wonderful day," said Jessie, who then shared her appreciation of her home town.

"I love Deni and the people in it.

"I've hardly ever left, only to go to Melbourne and to Sydney."

Jessie has worked several jobs throughout her lifetime, which she says has been one of "ups and downs".

"Anywhere I can help, I have done it," she said.

The PASTORAL TIMES reported on Jessie's 90th birthday, referring to her as "an avid bowler".

Her friends of more than 40 years -Tony and Lyn Smith - say she has always been "lively" and "energetic".

Despite breaking her hip one year ago, Jessie still "runs everywhere", Mrs Smith said.

And what was her birthday wish?

"I just wish everybody the best."

Jessie, who never had children with her late husband Ron, announced proudly that she has three nieces. She is looking forward to her centenarian celebrations next year.

FAMOUS BAKER

Len Jones 1987

A Bena Football and Netball Club volunteer and famous Korumburra baker has died.

Leonard George Jones (Pop or Poppy, as he is known to many) was born on December 13 1925 at Bendigo, the second of three children to George and Kath Jones.

Len started school at Red Cliffs primary, then St. Joseph's Catholic school in Red Cliffs until the family moved to Swan Hill.

In his youth, Len was a cub Scout, a roller skater, motorbike and sidecar racer as well as playing harmonica for a regional radio station.

He was even a ballroom dance instructor at a prestigious Melbourne dance academy.

Len left school around the age of 14 and took up an apprenticeship as a baker in Swan Hill.

He continued his apprenticeship in Nhill before finishing up at Kew.

During his apprenticeship year, World War 2 broke out Len enlisted in the Navy.

Len was not taken in, however, as his baker's apprenticeship didn't allow for such under the terms of the Essential Services Act, so he had to stay home and bake bread.

Employment opportunities after the war led Len to Yenda (NSW) where he started his own business as a baker.

He gave this away and followed his father's footsteps, joining the PMG where he worked as a linesman, cable joiner, and jackhammer operator.

It was around this time he met Margaret Sullivan.

Len and Margaret had nine children, Michael, Kathleen, Patricia, Gregory, Susan, Maxwell, David, Fiona and Kellie; then 21 grandchildren, a number which is still increasing.

Len gave away his PMG job in the late 1950's and joined his brother-in-law working on a fruit block at Woorineen, near Swan Hill.

When the block was sold returned his hand back to baking and the family moved to Myrtleford before moving to Korumburra 43 years ago.

Len soon earned fame as the baker at LeGross's in Korumburra, along with his home delivered bread run.

# Descendants of Elisha HOWELLS

Len left the bakehouse and took up farmhand work, milking cows in the district for Walkers (Korumburra), Castles (Bena), Prossers (Loch), and Lupis (Bass Valley) before being forced onto an invalid pension 24 years ago.

At this juncture (1980) the family settled at Korumburra into what at the time was a rather plain housing commission house.

Len's love of gardening saw him transform the appearance with a very well groomed garden.

But it was not only the front garden that was Len's showpiece, he toiled equally hard in the backyard with his veggie patch, fruit trees and orchids.

As his children grew, Len's interest in life followed them.

For many years he helped coach at the Bena Netball Club and was a team manager thirds and fourths teams for the Bena Football Club.

Len also served on the Bena Football Club Committee.

He was also involved in the cricket club at Bena, playing key roles in coaching and team management.

Yet despite all these involvements in things for the kids, Len still managed a bit of time for fishing, cards, a bet or two on the horses, and time to watch the cricket and footy on TV.

After an illness, Len passed away peacefully at Korumburra hospital on April 9, aged 77 years.
