Since I have been doing the research I have wondered how different our lives might have been if our ancestors had not chosen the directions that they did. These directions have made us who we are, and landed us in so many different places.

I wonder at the courage of our ancestors - getting on those ships and sailing to far flung foreign lands, with little or no hope of returning to see their families again. How brave they must have been, or perhaps they were just desperate.

We cannot forget those who stayed at home and kept the home fires burning and gave our intrepid travellers a point of reference.

Whether they stayed in places old or travelled to places new, and whatever the reason for their remaining in, or departing from those homelands, we should continue to thank them for being our parents, grandparents and great grandparents and for helping to make us who we are today.

With this in mind, this book is

For my children and grandchildren
and broader family
so they know all where we came from.

Copyright

This book has been produced for the express use of family members and should not be reproduced, but can be used for research purposes. However, please respect the privacy of living family by keeping their information confidential.

Thank You

I would like to thank all the members of the family who have continued to supply me with information. There are too many to name, but you know who you are. Without that information, this book would not exist.

Special thanks go to my late aunts, Pax Towt (Blackwell) and Eve Johnson (Blackwell) and my mother Nancye Blackwell, without whose collaboration, enthusiasm, encouragement and advice, I may never have continued with this research.

My research is also interlinked with many other researchers whose families are linked to our own. Thank you to those people who have carried out research into these other family branches. Please see the bibliography and sources at the back of this book for this information. (As a paper saving measure I sometimes omit this information, but it can be supplied on request).

Introduction

Many strange and interesting facts are discovered in the process of family tree research. It can be costly and frustrating, but the results are so worthwhile, all the negatives disappear.

Sadly, there are some facts that will never be known, and a certain amount of supposition then comes into play, but a fact is not a fact without written evidence, so where ever possible, that evidence has been included in the sources section of this book. (As a paper saving measure I sometimes omit this information but it can be supplied on request).

I have carried out this research mostly at my own cost, and in my own time, but I believe that the more people this information is shared with, the longer it will last. I am happy to share this information with the family and I hope that you get some benefit out of my 30 plus years of research.

My motto is "always ask the questions". Sometimes you don't get the answers you want and would like, but if you don't ask, you will never know.

Research can be dry and boring to read and can only go so far, conversations round it all out. Over the years the conversation becomes less and the research becomes greater. It is important to try to have some family stories included amongst the research to make the family seem alive.

DNA has opened up a whole new realm of research and DNA has helped me solve, or put to rest, some family mysteries and dead ends. Without DNA, one entire line of my own tree was incomplete and incorrect. We now know more about our past than we could ever have hoped for. I am sure that DNA research will continue to solve some mysteries, and possibly even create some new mysteries.

I only ask one thing, and that is for all the family to continue to contact me with any information that is missing or incorrect, and that you all continue to contact me regarding any births, deaths and marriages. This is a BIG family, and I can't know it unless you tell me.

This book is a work in progress and will never end, as births deaths and marriages continue down the generations in perpetuity. There are bound to be mistakes in this book and I would appreciate being notified of any alterations or corrections that may be found.

Thank you once again for all your help and please enjoy this labour of love that has taken me more than 30 years to produce.

Willow Grove.

Willow Grove.

At a social held in the Willow Grove Public Hall on the 23rd ult, Mr H. Robins (on behalf of subscribers) presented Mr W. Lamont with a purse of sovereigns. It will be remembered that "Will" had the misfortune to have his left arm badly crushed in a chaffcutter, as a result of which the arm had to be amputated between the elbow and shoulder. A few of his friends then set to work with subscription lists, in order to assist in giving him a fair start in life, and as a result of canvassing, the neat little sum of £65 was collected. This was contained in the purse handed to him at the aforementioned function, which was fairly well attended.

"Will" expressed his thanks to his friends for their kindness and sympathy, while his father (Mr H. Lamont) voiced his appreciation - and also that of his wife and family - of the effort put forth by their friends to assist the afflicted young fellow. Mr Lamont supported the remarks made by Mr Robins as to the aid rendered by Mr Hall, who - by his first-aid work - he believed to have been the means of saving Willie's life. - Dancing was the chief amusement during the social, and was kept up till the wee small hours of the morning. Refreshments (served at midnight) were kindly supplied by the ladies. The music was provided gratuitously, by Messrs W. Burgess (piano) and Westneat and Monger (violin), while Mr B. Cadden officiated as M.C.

DIVISION OF THE NORTH RIDING.

DIVISION OF THE NORTH
RIDING.

(From Our Correspondent).

Descendants of Thomas ROBINS

A meeting of ratepayers was held at Willow Grove on Saturday evening last to consider the above matter.

-Ratepayers were in attendance from Moe, Hill End, Yarragon (Cr. O'Toole), and Willow Grove, **Mr H. Robins**

(Willow Grove) presiding.-Mr W. H. Burrage, Junr. was appointed secretary.-Mr D. S. Espie moved, seconded by Mr F. Fechner-"That an extra riding in the Shire of Narracan be formed, by a division of the North Riding." The motion was carried, Mr C. Watkins alone opposing it.-

The Secretary read five reasons he had drawn up in favor of the proposal.-

Cr O'Toole advised the forming of a committee to work the matter up a little.-Mr D. Espie asked the Chairman to test the meeting re the formation of a committee, and Mr Warner Burrage subsequently moved "That a committee be appointed to attend to the matter of establishing an additional riding." Seconded by Mr C.H. Williams, and carried.-Mr W. EL Burrage, Senr. then moved, and Mr F. Fechner seconded, " That the following gentlemen constitute a committee, with power to add-Moe, Messrs J. W Dent and Chas. Brock ; Willow Grove, Cr Lamont and Mr H. Robins; Hill End, the Secretary and Mr D. Espie ; Fumina, Messrs Walter Mitchell, J.P., and E. J. Cronin."-Carried.-The matter of deciding on boundaries was then discussed. It was eventually decided not to fix any definite boundary for the time-being, the Secretary being instructed (on the motion of Messrs Anstey and F. Fechner) to send a plan of the suggested boundary, together with a petition, to each of the Committee to obtain signatures, and in that way test the feeling of the ratepayers - The suggested boundary, and there were no dissentients, was as follows:-" Commencing at the railway, following the road north to the main drain (between the properties of Messrs Lloyd and Thos. Gooding), across the main drain east to Miller's road, following Miller's road north (between blocks S and 27 on the west and 22, 23A and 23B on the east), thence in a north-westerly direction to the Trafalgar Willow Grove road [about four miles from Trafalgar-between blocks 34 and 70], along the Willow Grove-Trafalgar road to the Old Melbourne Road and following the latter to the western boundary of the shire."

Local and General News.

We have received a sample of wheat (grain) taken from a crop grown by Mr H. Robins, of Willow Grove. The sample, though perhaps not quite up to the standard of that obtained in the northern parts of the State, is a good one, and suggests the possibility of wheat being cultivated with success in this district. Mr Robins took a sample of the grain to Melbourne on Monday, and intends to obtain the opinion of experts concerning it.

EXTRAORDINARY ELECTION

EXTRAORDINARY

ELECTION

NORTH

RIDING.

POLLING DAY:

TO-MORROW (THURSDAY).

To-morrow (Thursday) the ratepayers of the north riding of the Narracan Shire will be called upon to elect a councillor to fill the vacancy caused by the retirement of Mr. Lamont. The candidates are Mr H. Robins, of Willow Grove, and Mr W. J. Savage, of the Moe Swamp. The supporters of either candidate are sanguine of success, but the fact that the seat has been held by a resident of the Willow Grove district for over 80 years is weighing considerably with ratepayers situated outside the Swamp area, and on this account alone it is felt that a large majority of the votes at both Moe and Yarragon, besides those of the outside districts, will be cast in favor of Mr Robins. The idea of giving one part a representative at the expense of another part is considered to be altogether wrong, and it is felt that if the Swamp area must have a resident representative -its wants have been attended to by the three north riding councillors in the past- it can only be done by a division of the riding. This would meet with the approval of a majority of the ratepayers in the riding, and prove a benefit to all concerned.

WARRAGUL

Despite, the exceptionally inclement weather, a fair muster of delegates was present. Branches represented were:- Moe (**Mr. H. Robins**), Willow Grove (Mr. Burrage), Narrican East (Mr. Geo. Auchterlonie and Mr. Graham), Thorpdale (Mr. C. Mills and Mr. R. Stockdale), Ellenbank (Mr. John Cropley), Lardner (Mr. W. B. Hardie and Mr. Alex. Macfarlane) Tetoora Road (Mr. Jas. Broderick and Mr. Neil Macfarlane), Warragul (Mr. Geo. Southgate),
In his opening address, Mr. H. Robins (president) thanked members for their presence on such a rough day, and considered that delegates would eventually be well repaid for their splendid loyalty to their organisation.

Long discussion took place in regard to the organising of the Walhalla electorate, and it was decided "That an early application be made to Central Council for the services of an efficient organiser Mr. Geo Southgate moved that the system of pre-selection of candidates be reinstated. Carried.

Narrican East:- That this council deplores the serious spread of ragwort in Gippsland, It was decided to place

the matter under the notice of the inspector under the Noxious Weeds Act.

Mr. Southgate moved: - That a combined annual V.F.U". social be held in Warragul under the auspices of the Warragul District Council, each of the local branches contributing its quota towards the cost: the entertainment to be free; delegates to refer to their branches, and advise secretary Warragul branch;- at earliest convenience."

Lardner Branch:- "that this council urges State Country Party members to seek an amendment of the Whole Milk Bill, granting municipal control."

Tetoora Road branch: - "That the Warragul District Council, V.F.U.. urges Country Party members to make representation to the Minister in charge to have amended the Whole Milk 'Bill, based on the finding of the High Cost of -Living Commission, thus guaranteeing the producer at least the cost of production and the consumer milk at its true value under municipal control and the block system of delivery; further, this council urges that the proposals submitted by Mr. Schweiger, secretary Royal Agricultural Society, be adopted."

In moving the resolution, Mr. Neil Macfarlane said he would suggest that the two motion be taken as one. This was agreed to. Continuing, the speaker said the time had arrived when those engaged in the whole milk industry must alter the unsatisfactory conditions obtaining. In regard to local conditions, the producer received 9d per gallon for whole milk delivered at the factory and the consumer in the city paid 2/5 per gallon. The margin between what the producer received and what the consumer paid was a scandal and common sense legislation was essential in the interests of both. The proposed amendment of the Whole Milk Bill would increase the producer's price to at least 1/4 per gallon and reduce the price to the consumer to 2/ par gallon;' That political party was now in power which had always said that if they had the reins of government they would legislate so as to bridge the gulf between the producer and consumer. Now was their opportunity. Mr. Jas. Broderick (Tetoora Road) seconded, and in a vigorous address supported the previous speaker. Also Messrs. Chas .Mills, H. Robins. W.B. Hardie, Alex. Macfarlane, Geo. Southgate spoke in favor. The resolution was carried.

80th Birthday.

80th Birthday.

Heartiest congratulations are extended to Mrs. Robins, senr., of Erica, who celebrated her 80 th birthday on Wednesday, July 15. Mrs. Robins is well-known and highly esteemed throughout this district, as for many years she resided at Willowgrove and Moe.

In a family of eight (six girls and two boys), Mrs Robins was the third child of the late Mr. and Mrs Aaron Cole, and was born at Alma, near Maryborough, in 1862. The other surviving, members of the family are Mrs P. Cole and Mrs E. Miller, of Kiata, and Mr T. Cole, of Bannockburn.

Until she was 15 years of age, Mrs Robins lived at Chinaman's Flat, and then went with her parents, brothers and sisters to Kiata. On February 26, 1884, when she was aged 21, she married Mr Henry Robins, third child of George, and Susanna Robins, at Kiata East. Their first home was at Gerung Gerung, after which they lived in Kiata until 1896, when they went to Yerong Creek, in New South Wales. They spent three years there, then moved to Hopetoun and Kiata for a few months, and came down to Seville, where they spent twelve months.

From Seville, Mr and Mrs Robins went to a farm at Willowgrove, where they resided for 21 years before coming to Moe-to the farm now owned by Mr J. S. Rees, from whence they shifted to a home (afterwards purchased by a son, Bert) in Moore Street, Moe.

During the twelve years spent in Moe, Mrs Robins lost her eldest son, Les., who, for about 21 years, had been employed on a station at Nullagine, in Western Australia. He died on January 10, 1929,

Descendants of Thomas ROBINS

and little more than a year later (on February 26, 1930-the 46th , anniversary of their wedding-day) Mr Robins passed away.

It was on September 8, 1934, that Mrs Robins left Moe for Erica, to reside with her, youngest daughter, Miss Ivy Robins, who is in charge of the office at The Purvis Stores. For some time, she also carried out the duties of postmistress, but of more recent years - since Erica grew and her bookkeeping duties increased - she has done any relieving work, and is night telephonist during alternate weeks.

Of her family of eleven, Mrs Robins still has ten living, and also has 23 grandchildren and three great-grandchildren.'

Her family comprises -

Stan. (Trafalgar),

Syd. (Willowgrove),

Lilian (Mrs G. A. Marshman, Erica),

Sylvia (Mrs F. Wilson, Trafalgar) 4

Roy (Yarragon),

Hedley (A.I.F.,overseas),

Bert (Erica),

Harold (Salisbury,; near 1 Nhill),

Wally and Ivy (Erica).

About six weeks ago, the eldest daughter (Mrs Marshman), who had been living at Ouyen, and whose husband and two sons are in the Forces, one son having recently returned from overseas, came to reside with her mother and sister at Erica.

To mark the occasion of Mrs Robins's 80th birthday, a family party was arranged for Sunday, 12th July. Among the 17 present were Mr and Mrs Syd. Robins and their son (Harry), Mr and Mrs Roy Robins, Mrs F. Wilson, Mr and Mrs Stan Robins and three children (Nell, Pat and Ray), Mr and Mrs Wally Robins and their infant son (Bryson), Mr Bert Robins, Mrs Marshman and Miss Ivy Robins. Mrs Robins received several letters and telegrams of congratulation, also a cable from her soldier son, Gunner Hedley. Robins, who was in the Middle East when last she" heard from him. During afternoon-tea, Mrs Robins cut the lovely pink iced birthday-cake, made and decorated by Mrs Wally Robins and given by little Bryson to his grandmother. The candles were lit by the youngest member of the family, Miss Ivy Robins.

Except for rheumatics in a knee, Mrs Robins enjoys remarkably good health, and has led a very active life. Her chief interest has always been the Methodist Church, and she still knits socks for her sons. During the last war, she did a lot of work as a member of the Red Cross. Her late husband was keenly interested in the Victorian Farmers' Union when it was first formed, and Mrs. Robins took a leading part in the women's section. Her many friends wish her continued good health and many more happy - birthdays. <https://trove.nla.gov.au/newspaper/article/264507425>

Noted events in her life were:

- From 1903 to 1927 she resided at almost certainly prior to 1898 but electoral rolls start in 1903 stating they lived in Willow Grove, Vic, Australia.
- From 1927 to 1935 she resided at Moore Street in Moe, Vic, Australia.⁶⁸

General Notes: Family lore says that Leslie died during a heatwave when his motorcycle broke down in WA. He was possibly travelling to the gathering of a search party for Lasseters reef. It is thought that he may have been a camel boy for Lasseter. On Leslie's death certificate it states that he had lived in Western Australia for 21 years. His occupation is given as Carpenter. Leslie died at the AIM Hospital at Marble Bar Western Australia. Although he died on 10 January 1929, it states that the Dr, Albert P Davis MBBS (Melb) last saw him on 11 January 1929. Leslie was buried at Marble Bar by L E Saville, a Presbyterian Minister and witnesses to the burial were T R Pernie and R Thompson. The Informant on the death certificate was A B Melrose, Police Constable of Marble Bar.

MR. L. C. ROBINS.

MR. L. C. ROBINS.

The news of the death of Mr Leslie C. Robins (eldest son of Mr and Mrs H. Robins, of Moe) came as a severe blow to his parents, the family and relations, and was most unwelcome tidings for his 'many friends and acquaintances in this and neighbouring districts.

About 21 years since, "Les" - then 23 years of age - left Willowgrove to try his luck in W.A. Entering the employ of a station-owner, he spent several years at Port Hedland. Not so very long ago, at his employer's request, he took charge of a station at Marble Bar.

On one occasion - when at Port Hedland, we understand - he met with an accident, a blow from a windlass handle causing him to lay up for a time.

Recently, when writing his parents, "Les." referred to an injury to an eye, saying that he was under surgical treatment and did not anticipate that the sight of the eye would be affected.

In sending Christmas greetings, he expressed his intention of visiting his parents during the present month.

Such, however, was not to be, as quite recently he entered a hospital at Marble Bar, and, after a brief illness, passed away quietly on the 10th inst. A post-mortem examination revealed the cause of death to be cerebral haemorrhage. This information was supplied by the hospital authorities, in response to an enquiry made by the parents of deceased.

In their sad and sudden bereavement, the bereaved parents and family have the sympathy of a wide circle of friends.

Local Soldiers Entertained.

Local Soldiers Entertained

As usual, there was a big attendance at the social in honor of two members of the A.I.F., Private Fred. Piera (elder son of Mr and Mis C. A. Piera, Moe) and Gunner Hedley Robins (son of Mrs Robins, of Erica, formerly of Moe and Willowgrove), on Friday night last.

Items were interspersed with the dancing, music for which was provided by Miss Florence Smith, at the piano, assisted by Mr Baillie, with his banjo. Miss Jean Craton sang "Street Song" and "Love is All," and Miss Greta Keily rendered "Here in the Quiet Hills" and "I Passed by Your Window." Both soloists were accompanied by Mrs Maddison. The chairman (Mr H. Margin) invited the guests of -the evening to seats on the stage, which, incidentally, had been artistically decorated with dahlias, gladioli, colored Easter Daisy and pretty gum-tips by the secretary (Mrs F. C. Robinson).

Mr Martin said that once more they had met to honor two old district residents who had joined the Forces and would be going overseas.' On behalf of the citizens of Moe, he welcomed them, and also heartily welcomed their relatives.

Most of those present knew the two guests of honor a great deal better than he did,

Hedley George Robins
(Cir 1945)

Descendants of Thomas ROBINS

although he had known them for quite a while. They did not know where they were going; but, wherever it was, it would be well in a very great danger zone.

The activities of the war were spreading. While they anticipated this would happen before it was all over, none realised how far it was going to extend. They now had troops in Africa, Europe and Asia, and also Canada, which was a training centre. However, they still hoped to soon see the end of it. Each conflict in this war had been sharp and sudden.

Fortunately for our troops, the losses in lives were very small, compared with the gains. The results were remarkable, considering the small loss of life, which was very different to the last war. The two soldiers they were entertaining had been residents of the district for many years.

Mr Martin congratulated them on the step they were taking. A number of others had gone to take part in other war activities, but would not be leaving our shores. None the less, they provided tools of offence, and were probably more important than any taking part in the war - more so in this war than in any previous war.

This was a machine war, and they must congratulate those who were providing the fuel for the A.I.F. Mr Martin then called on Mr T. Drew to speak on behalf of the Returned Soldiers' League. Mr Drew apologised for the absence of the president of the local branch (Mr Bloye).

On behalf of the Returned Soldiers' Association, he would first of all like to congratulate "Hedley" and "Fred." on their enterprise and patriotism, in the step they had taken. As Mr Martin had said, they did not know where they might be going, but it looked as if, at last, they would be getting into grips with the Huns. They would then know they had been fighting. Australian troops were acknowledged by all as excellent fighters, and the present troops would uphold the traditions of those in the last war - and, if anything, enhance that name.

As soon as members of the forces left for overseas, they automatically became members of the Association.

They, therefore, had a very strong organisation looking after their interests, and those of their dependants while they were away. Mr Drew concluded by wishing the two guests a happy and successful voyage over and a safe return.

He felt sure that when they were welcomed back they would say it had all been worth while. The Chairman here apologised for the absence of Cr. E. Hunter (who was' slightly indisposed that night), Mr and Mrs H. Robinson, and Mr and Mrs G. McDonald. Mrs Purvis handed to each of the "boys" a parcel from the Country Women's Association. She understood Private Piera was a married man, but did not know if his wife would be living in Moe. If she did, she would be welcomed into their C.W.A. Branch, as all soldiers' wives were made honorary members. Mrs Purvis wished each guest the best of luck and a safe return.

On behalf of the citizens of Moe, Mr Martin then presented to each soldier a wallet, and read the inscription thereon. From his own experience, he knew a wallet was a useful article. Each wallet contained a £1 note. Mr Martin expressed the hope that it would bring them luck, and remind them of their friends in Moe. He trusted they would come back safe and sound.

The Chairman said there were four other residents - members of the A.I.F. - who had had leave. He understood some had actually sailed. Either from bashfulness or other reasons, they had not advised anyone and the committee was not aware of their movements. Wallets would, therefore, be forwarded to Privates Don. Clegg, "Bill" Blair, and "Mick" Spittall, and Signaller Jack MacRae. They were sorry not to have had the opportunity of entertaining, them at a public gathering, such as -the one that night. However, they could not recall them, and could only wish them the best of luck and a safe return, and that there would be a quick cessation of hostilities.

Gunner Hedley Robins said all he could do was to thank everyone for all they had done,

Descendants of Thomas ROBINS

and for the presents.

He concluded by referring to his companion, and saying - We can take it, can't we. Fred!"

Private Piera thanked all for the evening and presents. They would help to remind them of the Moe citizens when on the other side, and to get through their job.

"For They Are Jolly Good Fellows" was sung by the crowd. Dancing was continued, mid the evening's program' concluded with the sipping of Auld Lang Syne and the National Anthem. On Saturday night, at a Comforts Fund social at Willow Grove, Gunner Hedley Robins was the recipient of an Eversharp pencil, and, on Monday night, he was tendered an evening at his former place of employment, Mr Amiet's, at Darnum, where he received a wristlet watch. We understand he was being entertained at Trafalgar on Wednesday night.

Presentations to Frank Monro, Ron. McCrorey and Ern. Swingler were made at a social in the Trafalgar Scout Hall last Saturday night. The latter two were also entertained by the Trafalgar East and Yulungah residents, at a social at Trafalgar East.

THE Union Hotel at Netherby, belonging to Mr. J. Franklin, of Lorquon, was completely destroyed by fire on Saturday night. A lamp in a room leading to the bar exploded, and the paper of the walls and ceiling ignited. Though there were over thirty men on the premises, all efforts to stay the progress of the flames were ineffectual, and in less than half an hour the roof fell in. It was with much difficulty that the children, who were in bed, were rescued. The hotel was insured in the Commercial Union office for £1800.

The Horsham Times (Vic. : 1882 - 1954) Fri 8 Dec 1899 Page 2 The Horsham Times.

The following account of a sensational bolt at Jeparit last Monday is given by the Warracknabeal "Herald ":-While the groom (in the buggy) was walking the horses waiting for Mr. James Franklin, of Hopetoun House, the animals became restive, finally getting into a gallop. The groom stuck to the reins, but turning a corner too quickly the vehicle was overturned. In this way the horses continued their career, the buggy being dragged along for a considerable distance on the seat iron. Turning another angle the buggy in an extraordinary manner was turned completely over on to the wheels again. The horses still galloping madly on took their course along a road used for water-carting leading straight into the river. About 30 feet from the river bank, however, a fence has recently been erected, with a slip panel, and which connects a paddock on either side. This, probably, saved the horses' lives, as coming down an incline at a rapid rate, in endeavoring to get through the opening, the vehicle crashed into the post, smashing the wheel to atoms, and temporarily checking the horses, who thus were set free. Had they negotiated the opening safely, they must inevitably have gone into the river, and both probably been drowned. The groom escaped with a severe shaking, but the buggy was considerably damaged.

Mr. and Mrs. James Franklin, of Hopetoun House Hotel, who are leaving Jeparit, for Warracknabeal, were on Wednesday evening entertained at a farewell social in the Mechanics' Hall, when Mr. Franklin was presented with a eulogistically-worded valedictory address and Mrs. Franklin with a handsome silver card tray.

Melbourne, to-day Dimboola to Rainbow, and Warracknabeal to Hopetoun, are the only railway lines remaining interrupted. It is not anticipated that these two services will be restored until Saturday. Among the poor families at Horsham many are without a stick of furniture, and others have only the clothes they are wearing. Both banks of the Wimmera River have been damaged, and the water is pouring through the breaches. Unless it subsides soon it is feared that the weir will give way.

Mr. G. Coop, of South Brighton, near Horsham, had his sheep washed from one paddock to another, and only saved 60 out of 300. Mr. R. Mills lost 160, and Mr. McGee lost a great number. The funeral of Mr. James Franklin, at Warracknabeal, was carried out under difficulties. The flood being at its height on the cemetery road, the cortege was compelled to go through private property to escape the on-rushing waters.

Dimboola to Rainbow and Warracknabeal to Hopetoun are the only railway lines remaining interrupted. Amongst the poor families at Horsham many are without a stick of furniture, and others have only the clothes they are wearing. Both banks of the river have been damaged, and the water is pouring through the breaches. Unless it subsides soon it is feared that the weir will give way.

Mr. G. Koop, of South Brighton, had his sheep washed from one paddock to another, and only saved 60 out of 300. Mr. R. Mills lost 160, and Mr. McGee lost a great number.

The funeral of James Franklin, in Warracknabeal, was carried out under difficulty, the flood being at its height. On the cemetery road the cortege was compelled to go through private property to escape the onrushing waters.

The cemetery at Kerang was saved after continuous work.

The damage by floods at Horsham is estimated at over £5000. Some of the flooded cottages present a pitiable sight, many of them having been inundated to a depth of 5ft. The walls have been denuded of paper, the furniture has ruined, and in some instances the weight of water has broken through the weatherboards. Many of them are dangerously undermined.

MAN FALLS THROUGH ROOF

HOPETOUN, Friday - a fire occurred at Franklin's Club Hotel Hopetoun, yesterday afternoon, with the result that 16 rooms, the wooden portion of the building, were completely destroyed. The fire brigade did splendid work in saving the two story brick portion adjoining. A very hot wind was raging. The building destroyed was one of the oldest in the town.

George Glare fell through the roof of the verandah, and was rendered unconscious for a time. Dr Campbell found that his spine and pelvis were injured.

Several firemen had narrow escapes. The building and contents were insured, but the amount is not ascertainable. The damage is estimated at about £1,500.

smoke, and now we have another blaze to record. About 2 a.m. last Saturday the shire capital was aroused by the clang of the firebell, and the Club hotel was the scene of action. One of the upstairs rooms was ablaze, but the firemen promptly got the danger over. As might be expected, water did some damage, but taken all together, the brigade proved just the thing. The cause of the outbreak is supposed to have been an electric iron from which the power had not been switched off. Not only damage to the house, but a waste of electric energy.

APPEALS FOR REDUCTIONS
REFUSED.**

At the Licensing Court, Warracknabeal, before Mr. K. Harrison, P.M., Mrs. Franklin, licensee of the Club Hotel, Hopetoun, sought to have the valuation of the property reduced to £190.

A similar application was made by Miss Brown, of the Commercial Hotel, Hopetoun, to have the assessment of the property reduced to £ 170.

Mr. Pitcher appeared for the licensees.

Inspector Riley opposed the applications, and at the outset raised two objections, first that the valuation must be determined at the annual sitting of the court which this year took place on December 1st, and that the necessary notice Under the Act had not been given, and, second, that similar application had previously been adjudicated upon by the court, and that if there was to be a re-hearing it must be before the magistrates who occupied the bench in the first instance.

Mr. Pitcher submitted that this was new business, which could be brought forward at an adjourned sitting of the court. The magistrate said there was difficulty in regard to the notice, but decided to hear the evidence.

Mr. Pitcher said that during the past year there had been a considerable falling off in business. This was shown in the declarations for compensations. The appellants were paying a licence fee of £50, which was as much as was paid by many hotels in large centres, and the amount was excessive. Another matter was that the hours of trading had been curtailed. Statements were submitted certifying that the Shire of Karkarooc valued the Club Hotel at £190, and the Commercial Hotel at £170.

Edward Franklin, manager of the Club Hotel, said the last year had been a bad one for business, and the hotel had practically been run at a loss. The major part of the hotel was new, having been built two years ago, and owing to adverse conditions, the return had not been adequate for the outlay. He did not consider the property was worth more than £4000 at the present time.

Inspector Riley - If you were to lease the hotel what would be fair ingoing for five years.

Witness - It would not pay to lease the property at present owing to the effect of war-conditions and restrictions under the act. It would pay better to keep it than sacrifice it for five years.

What would be the rent of the hotel if let to-morrow? - I don't think it would bring more than £4 a week.

Replying to further questions, the witness said he had been four years in the hotel, and had only paid a licence fee of £50 during the last two years, since the new buildings were erected. With the exception of the Woomelang Hotel, the whole of the valuations in the Corong district were under £200.

Inspector Riley mentioned that the shire had reduced the valuations of a number of Hotels in the district, but had left the assessment of the Lake Corrong Hotel Hopetoun at the same amount as last year, viz., £130.

The witness said he considered the hotels referred to wore previously overrated, and that the valuations were now about right, taking into account the depreciation in values.

The magistrate - Was last year anything like an average year in Hopetoun.

Witness - It was very much under the average ; not more than half.

Descendants of Thomas ROBINS

Harry Brown gave evidence with regard to the Commercial Hotel, urging that the falling off in business justified a reduction of the valuation.

The magistrate decided to refuse the appeals. He upheld the inspector's objection that notice had not been given in time, and he found against the appellants on the facts, remarking that, it was singular that the shire, while reducing the assessments of a number of hotels in the district, had left the valuation of the Lake Corrong Hotel unaltered.

OVERALL - ROBINS.

As briefly mentioned in a previous issue the marriage of Mr. Henry Overall and Miss Avie Robins took place on July 25, at the residence of the bride's step-father (Mr. Geo. Glare), the guests being relatives and intimate friends. The ceremony was performed by the Rev. Vineer.

Afterwards at the wedding breakfast the customary toasts were honored. The bride, who was given away by her stepfather, was beautifully arrayed in ivory taffeta and crepe de chene, richly embroidered and finished with-silk stitchery.

The customary veil drawn over the hair and encircled with a bandeau of orange blossom completed a very pleasing attire. The bride was attended by her cousin, Miss May Robins, who was very prettily attired in ivory crepe de chene, trimmed with silk lace and cable stitching and wore a gold pendant brooch, the gift of the bridegroom. Little Topsy Roberts, after the ceremony, placed a lucky horse shoe, trimmed with-satin streamers and orange blossom, on the arm of the bride. The bride's travelling dress was a brown costume with a nigger-brown hat and wore a set of black furs, the gift of the bridegroom.

 Obituary.

MISS JEAN ROBINS.

We have to announce, with much regret, the death of Jean, second eldest daughter of Mr. and Mrs. Stan. Robins, of Trafalgar, which occurred at the West Gippsland Hospital, Warragul, on Sunday night last.

Miss Robins would have been 16 years of age in January, 1940. About two and a half years ago, when her brother (Leslie) passed away as a result of pneumonia, she, too, had the same complaint. She had since had indifferent health, although she was for some time employed in a Trafalgar bakery; but when her employers left Trafalgar, she remained at home.

About ten days, prior to her death, this young lady became seriously ill, and it was feared that she was suffering from infantile paralysis. She was admitted to the West Gippsland Hospital. She failed to improve, and succumbed to the effects of meningitis on Sunday night.

Much sympathy for the bereaved parents, sisters (Sheila, Nell and Pat.) and brother

Descendants of Thomas ROBINS

(Ray) is expressed. As the funeral left her parent's home, on Tuesday afternoon, the hearse was preceded by members of the Trafalgar Girl Guides and Brownies, in which the late Miss Robins had taken a prominent part. On the edge of the town, they formed a guard of honour, through which the funeral cortege passed on its way to the Trafalgar Cemetery. The service at the graveside was read by Mr. J. G. Irons (Presbyterian Minister). There were many beautiful floral tributes. Mr. R. S. Robertson had charge of the funeral arrangements. Miss Robins was a grand-daughter of Mrs. Robins, of Erica (formerly of Moe and Willow Grove), who since this bereavement has gone from her son's home in Trafalgar to another son (Roy), at Yarragon. He is seriously ill as a result of war injuries, and quite recently was in the Caulfield Military Hospital.

At the Willow Grove Hall on Friday, 29th ult., a very enjoyable social evening, to celebrate the marriage of Mr S. Robins, third son of Mr and Mrs H. Robins, of Willow Grove, to Janet, second daughter of Mrs Farquhar Lamont (who at one time resided in this locality), was held.

Mr W. H. Burrage, junr. acted as chairman in his usual efficient manner, and the duties of M.C. were in the capable hands of Mr V. Gibson.

The toast of the evening, "The Bride and - Bridegroom, was proposed by Mr F. Halden in his usual able- manner.

Mr Thompson (on behalf of the Bride and Bridegroom, who had left earlier for Lakes Entrance), in a very humorous speech,

responded. The toast was enthusiastically received by the audience.

Mr A. Arnott, who was entrusted with the next toast, "The Parents," expressed the pleasure derived by all present in attending such a function. (Applause).

Mr J. Balfour, in supporting the toast, made a very fine speech, vividly portraying the responsibilities one enters into on marriage. Mr Balfour's remarks were listened to with rapt attention, and, apart from being well received, were the theme of many complimentary references.

In replying, for himself and on behalf of Mrs Robins, Mr Robins thanked the speakers for their very kind remarks. He said that he thought it would be "a good thing to have a pool," as he still had six more to go. (Loud laughter).

Mr Geo. Needham, responding on behalf of Mrs Lamont, said that, with the marriage of Miss Janet Lamont, all of Mrs Lamont's sons and daughters had entered the bonds of matrimony. (Applause).

At this stage, Mr Robins thanked his many friends for their attendance, and particularly those who had assisted with the programme and supper.

Messrs Standeven, Chas. Webb and Thos. Webb supplied the music in a very satisfactory manner. Items rendered during the evening were as follows :- Song, "Let the Rest of the World Go By," Mr V. Gibson; duet, "Beautiful Ohio," Mrs F. Lamont and Miss Boxall; recitation, "The Inspector," Miss Greta Hume; comic song, "Let Me Sing," Mr Thompson; dance (Highland Fling), Miss Greta Hume; "Tiny and Tich" in patter songs, Messrs Stratton.

ORANGE BLOSSOMS.

MARSHMAN - ROBINS.

On Wednesday, 29th March, a very pretty wedding was celebrated in the Willow Grove Public Hall, the contracting parties being Mr George Alexander Marshman (youngest son of Mrs J. J. Marshman, of Brim) and Miss Lillian Alma Alison Robins (eldest daughter of Mr and Mrs Henry Robins, of Willow Grove). The officiating clergyman was the Rev. Trigge (Methodist minister), of Warragul. The hall was very tastefully decorated for the occasion by friends of the bride, a liberal use of tree fern fronds being made. Immediately before the stage, carpet was laid, which connected with carpet extending to the entrance of the building. An improvised fern bower was erected, suspended from which was a wedding-bell, and beneath the latter of which the young couple "plighted their troth."

The bride, who was given away by her father, was charmingly gowned in pale pink chiffon voile, with overdress of white ninon, trimmed with lace. She also wore the orthodox wreath and veil, and carried a handsome bouquet of roses and maiden-hair fern, with white streamers attached. Misses F. Bannerman and L. Robins (cousin of the bride) officiated as brides maids. The former was attired in white embroidered voile, with tulle veil and

Lily-of-the-Valley wreath, and carried a bouquet composed of roses and maidenhair fern, with white streamers. The latter wore a pale blue crepe-de-chine Eton costume, and ninon blouse, with tulle veil and Lily-of-the-Valley wreath, and carried a bouquet of roses and maidenhair fern. Mr T. Hood acted as best man, and Mr S. Robins as groomsman.

The ceremony over, an adjournment was made to an ante-room, where a sumptuous repast had been prepared. The tables were most daintily laid, and the guests - of whom there was quite a large gathering - having partaken of the good things provided, the usual toast-list was disposed of. The toasts honored were :- "The Bride and Bridegroom," proposed by the Chairman (the Rev. Triggs), and responded to by the Bridegroom; "The Bridesmaids," proposed by the Bridegroom, and responded to by Mr Hood ; "The Parents of the Bride," proposed by Gr W. H. Burrage, J.P., and replied to by Mr H. Robins; "The Mother of the Bridegroom," proposed by Mr Stan. Robins, and responded to by the Bridegroom ; "The Farming Industry," responded to by Mr C.H. Williams ; "The Press," proposed by Mr W. F. Parker, and replied to by Mr D. Bennett. The presents received were both numerous and costly. The Bridegroom's gift to the Bride was an aquamarine necklet ; Bride to Bridegroom, pair of gold sleeve-links ; Bridegroom to Brides maids-First bridesmaid, gold spray, set with pearls ; Second bridesmaid, pearl and turquoise star necklet.

At the invitation of the parents of the bride, a large number of guests attended a social held in the Public Hall the same evening. A very enjoyable time was spent in dancing, interspersed with vocal items, and in view of the excellent opportunity afforded recruiting addresses by Sergeant Fisher, Cr. W. H. Burrage, J.P., and Mr H. Robins (already reported in these columns). The music for the dancing was supplied by Mr J. Rees (piano), assisted by Miss Bannerman, while Mr A. Harris (Trafalgar) performed the duties of M.C. to the satisfaction of all present. Refreshments were served at about midnight.

During the evening, the following vocal items were rendered, and well received:- "Till the Boys Come Home," Mr J. Rees ; "Agatha Green," Miss Bannerman ; "It's a Long Way to Tipperary," Mr G Wilson ; "The Deathless Army," Mr Horder ; "Wattle Bloom," Miss Hitchins ; "Every Ship will Find a Harbor," Mr W. F. Parker ; "Dreamland," Miss Bannerman ; "Some Hearts will be Joyful," Mr J. Rees ; "When the Boys of the Bush Come Home" (composed and written by the singer), Mr .T. WILSON - ROBINS.

A very pretty wedding was celebrated on Wednesday, 26th ult, at the Willow Grove Mechanics' Institute, when Mr Frederick A. The Rev. H. G. Trebilco [Methodist minister] was the officiating clergyman. The bride, who was dressed in ivory Japanese silk, trimmed with net, guipure insertion and tassels, and who also wore the orthodox wreath and veil and carried a handsome shower bouquet, was given away by her father.

Miss Robins and Miss Ivy Robins (sisters of the bride) officiated as bridesmaids. Miss Robins was dressed in a maize-coloured voile, over ivory silk, trimmed with ivory silk insertion, and fringe and girdle. She also carried a bouquet of pink roses, white marguerites and asparagus fern. Miss Ivy Robins wore a dress of ivory silk, trimmed with cream lace, and relieved with pale blue ribbon. The latter also carried a crook decorated with white and pale blue ribbon. "Mr Bert. Wilson (brother of the bridegroom) acted as best man. The hall was very taste-fully decorated by friends of the bride, ferns, laurels, ivy and mistletoe being used for the purpose. The ceremony over, about 30 guests sat down to a sumptuous repast, which was prepared in first-class style. The usual toast-list was disposed of. The Rev. Mr Trebiico, in proposing the toast of "The Bride and bridegroom," said that he had known the bride and bridegroom, for some time, and held a high opinion of them both. He wished them long life, happiness and prosperity. The bridegroom (on behalf of the bride and himself) thanked their many friends for their kind expressions and good wishes, also quaintly remarking that if it had not been for himself and his bride they would not be present. (The Chairman created some amusement by remarking that if it had not been for Mr and Mrs Robins, Mr Wilson would not have been there).

The bridegroom then proposed the toast of "The Bridesmaids," which was responded to (on the bridesmaids' behalf) by Mr Bert Wilson. Mr H. Lamont proposed "The Parent-" and mentioned that, he had known them for some considerable time. He could testify as to the very high esteem in which they were held by those with whom they were acquainted.

The Rev. Mr Trebilco, in supporting Mr Lamont's remarks, said he had known Mrs Robins and her family at Nhill, and paid a high tribute to her parents, whom he said were foremost in anything affecting the welfare of all. During his recent acquaintance with Mr and Mrs Robins, and Mr and Mrs Wilson, he had formed a very high opinion of them. Mr Robins, in thanking the speakers for their complimentary remarks, said that he had been fortunate in making many sterling friends in Willow Grove. He naturally felt sorry to lose his daughter, and hoped that the young couple would not regret the step they had taken.

The assistance rendered by Mrs Turnbull, Mrs H. Lamont and Miss Mavis Lamont was greatly appreciated by the parents of the bride.

At the invitation of Mr and Mrs Robins, over 100 friends assembled in the evening, when a Social was held in honor of the occasion. Dancing (interspersed with songs, recitations, and speeches) was the order of the evening. Messrs H. Magnusson [piano] and F. Turner (violin) supplied excellent music.

Mr Albert Harris [Trafalgar] filled the position of Master of Ceremonies in a very creditable manner, the energetic way in which he kept things moving adding greatly to the evening's enjoyment. Mr W. H. Barrage, junr. [on behalf of those present] thanked Mr and Mrs Robins for the very enjoyable evening they had had. In doing so, he wished the Bride and Bridegroom long life, health and happiness, saying that if they accepted Mr and Mrs Robins as their model they would not go far wrong. The speaker concluded by calling on those present to sing "For he's a jolly good fellow," which request was responded to right heartily.

Mr Wilson, in responding, thanked one and all for their very kind wishes, and said he hoped that before long some more of those present would be in the same pleasant position as himself- Mr Robins, in a few well chosen remarks, said that Mr Robins and himself were pleased to think that everyone had enjoyed themselves so much, and were delighted to see such a gathering. He also hoped that it would not be long before some of their young friends would find themselves in the same position as Mr Wilson. [Cheers].

Conspicuous among the many useful and ornamental presents was a handsome cruet, from the members of the Tangil Rifle Club, of which Mr Robins is captain; and a lamp, from the members of the Moe Rifle Club, of which Mr Wilson is a member.

During the evening. Miss D. McLaren sang very nicely "The Roses" and "Oro Pro Nobis." Mr F. Wilson's song ["Loch Lomond"] was greatly appreciated- Mr J Franks, who is a decided acquisition to the district, was heard to advantage in "Thora," "True till Death," and "Asleep in the Deep." Mr Walter Rees sang, with his usual vim, "Once more good-bye, Nellie darling." Mr Burgess gave "Where the River Shannon flows" in his usual effective style.

Mr Harris's recitation, "Old Walhalla," was splendidly received. Mr D. Espie's recitation, "A bush christening," was loudly applauded. Mr Lee was heard to advantage in a humorous recitation, "I've been there before." Mr F. Turner caused considerable amusement by his exceedingly humorous recitation, "The Rider and the horse."-Communicated.

ROBINS- CHINNOCK.

The marriage of Thelma, eldest daughter of Mr. and Mrs. A. G. Chinnock, of Ararat, to Walter, youngest son of Mrs. S. J. Robins, of Erica (formerly of Moe), was celebrated at the Church of England, corner of Dandenong and Warrigal Roads, Oakleigh," on Saturday, September 7. Rev. Thomas Garr performed the ceremony.

Walter Clifford Robins
(Cir 1945)

Mr. Chinnock gave his daughter away. Her ivory satin frock had a lace yolk, and the long sleeves had pointed lace-tops. The bodice had satin buttons down the front, and the fully-flared skirt fell into a pointed train. The finger-tip length tulle veil was caught to the head with a wreath of orange blossom, and a bouquet of pink rhododendrons was carried.

The bridesmaids were Miss Dorothy Chinnock (sister of the bride, who made all the frocks), of Windsor, and Miss Dorothy Edwards, of Hawthorn (a friend of the bride), who wore similar frocks of eau-de-nil taffetta, with matching shoulder-length tulle veils. Each carried a bouquet of red rhododendrons, and wore the bridegroom's gift - pendants set with their respective birth-stones, pearl and amethyst.

Mr. Eric Gaul, of Yallourn, was best man, and Mr. Bert Robins (brother of the 'groom) was groomsman.

The reception, held in the Parish Hall, was presided over by Mr. Robbins (a relative of the bride). The bride's * mother favored a navy costume, with matching accessories. Several telegrams were read, and the usual toasts honored. The beautiful two-tiered wedding-cake was made by the bride's brother, Frank.

When leading for the honeymoon, which was spent at Healesville, the bride wore a blue suit, with navy accessories. The bridegroom's gift to her was a navy, expanding suit-case, and hers to him a chrome wrist .watch.

Mr. and Mrs. Robins' future residence will be at Morgan's Mill, Erica. Many valuable presents were received.

It will be remembered with pride that Lieut. Lawson, with his troop of Rupanyup Light Horse, were in the first expeditionary force in 1914 to leave Australia for active service at the front. After some months' training in Egypt the Light Horse were ordered to the Peninsula as infantry, and Mr Lawson was "promoted from 2nd to 1st ' lieutenant. He and his company, "many of whom, alas, have been killed and others wounded or incapacitated through illness, have had six months of solid trench: fighting in the-front firing line, with only four days' leave during, that period; and it is with pride we record his recommendation for promotion to captain, which will be equally rejoiced' in by his troops; at the front, with whom he particularly popular and by our local soldier boys.

Our Boys In Egypt.

Captain James Lawson of the 4th Light Horse writing from Heliopolis, Egypt, encloses a programme with the results of a tourney by the Third Australian Light Horse Brigade and Fourth Light Horse Regiment to commemorate Australia's Anniversary Day, January 26, 1916, at Heliopolis. It will be remembered that when the Fourth Light Horse (of which the Rupanyup troop were a part) were in camp at Egypt going into active service on the Peninsula, they were successful in almost every competition against the other troops in camp.

It is pleasing to note that after the rigors of the Gallipoli campaign our boys, are still fit and more than held their own out of a camp of over 4000 troops in the tourney on Australia Day-securing first and second in the rescue race; first and second in the Anzac Sheffield second in the obstacle event; first in tug-of war (bare back); first wrestling on horse back (bare back); and fourth in sections of four race.

The following letter was received during last week from Sergeant Burton of the Fourth Light Horse, who is in hospital at Ghezireh, Egypt, concerning Captain James Lawson " Being on the Peninsula six months under Captain Lawson we had many opportunities of witnessing the great work done by him, the coolest of cool under fire, nothing daunted him-it was this that made us all have such implicit faith in him-for when things looked blackest he never failed us. He was an officer who would stick to his men, lead them, cheer them when things, looked hopeless and praise them, when success was attained. We all hope he will be spared to return, receiving the praise he richly deserves, and would like all the boys at home to know what a great name Captain Lawson has made for himself amongst the boys who served under him on the heights of Gallipoli."

Lawson, James (1884-1965)

by J. P. Haldane-Stevenson

This article was published:

in the Australian Dictionary of Biography, Volume 10 , 1986

James Lawson (1884-1965), stock and station agent and soldier, was born on 16 February 1884 at Halifax, Yorkshire, England, son of James Lawson, police officer, and his wife Elizabeth, née Dickinson. Educated at Heath Grammar School, Halifax, he became a clerk at the Todmorden branch of the Manchester and Liverpool Bank. He came to Australia in 1905. Fair-haired, of powerful build and commanding presence, he had the traditional Yorkshireman's directness of manner and character and a dry sense of humour-qualities liked by his neighbours in the Wimmera district of Victoria. By 1912 he was a hotelkeeper at Rupanyup, and that year on 6 March he married Effie Maude Franklin at St Peter's Church, Melbourne.

In England Lawson had served in the Duke of Lancaster's Own Imperial Yeomanry and in 1912 he was commissioned second lieutenant in the 19th Australian Light Horse Regiment, Victorian Mounted Rifles. On 20 August 1914 he joined the Australian Imperial Force in the same rank and embarked for Egypt with the 4th Light Horse Regiment. They served dismounted at Anzac from 20 May 1915 until the evacuation; Lawson had been promoted lieutenant in February and in January 1916 in Egypt he became commander of 'C' Squadron. In 1916-18 his regiment served with the Egyptian Expeditionary Force under General Sir Edmund Allenby in Sinai and Palestine. Lawson was promoted major in May 1917 and from then commanded 'A' Squadron.

On 31 October 1917 Allenby, planning his main advance through the heavily fortified Gaza area, made a diversionary thrust at Beersheba. British infantry on the south-west formed the guard, while Australian cavalry charged the Turks from the south-east. Lawson's squadron and a squadron of the 12th Australian L.H.R. led the attack, storming the enemy trenches with wild and spectacular success; the official historian, (Sir) Henry Gullett, noted that the 'enemy had been beaten rather by the sheer recklessness of the charge than by the very limited fighting powers of this handful of Australians'. Lawson's leadership and personal valour in this key operation won him the Distinguished Service Order. After the fall of Gaza his regiment joined Allenby's advance into Syria, linked up with a force under Lawrence of Arabia and took part in the capture of Damascus in September 1918. Lawson was mentioned in dispatches twice in 1917-18.

He returned home in January 1919 and his A.I.F. appointment ended in April. He became a stock and station agent at Rupanyup, reverting to part-time soldiering with the Australian Military Forces as a major in the 19th L.H.R.; he was promoted lieutenant-colonel and commander of the regiment in 1927. In 1931-33 he commanded the 5th Cavalry Brigade as a temporary colonel and in 1929 received the Volunteer Officers' Decoration. During World War II, with the acting rank of brigadier, he held administrative command of a training brigade based at Geelong. He was placed on the retired list, A.M.F., as an honorary colonel in November 1943.

Never a man to pull his rank, Lawson was active in civic affairs, was master of his Masonic Lodge in 1922-23, sat for many years on the Wimmera League Football Tribunal and supported the local Anglican Church and volunteer fire brigade. In 1952 he retired to Melbourne where he was a member of the Naval and Military Club. Survived by his wife, son and daughter, Lawson died on 29 September 1965 at his daughter's home at Brighton and was cremated. He is depicted in George Lambert's painting of the battle of Beersheba at the Australian War Memorial, Canberra.

Jim Lawson

Wing Commander James Franklin Lawson, O.B.E. (1913- 2003) was born at Warracknabeal in Victoria on February 8, 1913.

His father was commissioned in the Army in 1912, and fought in World War I in the 4th Light Horse Regiment of the A.I.F. Major Lawson led the famous cavalry charge at Beersheba in October 1918, was mentioned in despatches and awarded the D.S.O., although he was in fact recommended for the Victoria Cross.

Jim went to Ballarat Grammar School, where he did very well and was primed to metricmatriculatetudy law at university. However, the onset of the Great Depression made it necessary for him to abandon that plan and leave school early. Instead, with characteristic determination he studied accountancy by correspondence and, not surprisingly, came top of the state. Jim then worked as an accountant for various local councils in country Victoria, and for the City of Hawthorn in the eastern suburbs of Melbourne.

In 1935, the Royal Australian Air Force advertised for officer recruits. Jim was one of only five successful applicants, something that must have made his mother and father very proud. He rose rapidly in the R.A.A.F., in due course attaining the rank of Group Captain.

During World War II, Jim was involved in the Empire Air Training Scheme, which made such a crucial contribution to allied victory, and in 1943 served on the staff of the R.A.A.F. Allied Air Liaison Office in Ottawa, where he played tennis with Princess Juliana of the Netherlands, among other distinguished V.I.P.s temporarily sheltering at Rideau Hall.

The journey by ship to Canada was dangerous, and the risk of encountering enemy ships and submarines in the Pacific Ocean was high. In June 1944, with the rank of Wing Commander (N.W. area H.Q.), he was made an officer in the military division of the Order of the British Empire.

In November 1958, Jim left the Department of Air and the R.A.A.F., and joined Hawker Siddeley, the large British firm of aeronautical engineers and defence contractors. He worked for Hawker in Australia, and in England.

Earlier in the same year, Jim met John Borthwick in Melbourne. In about 1963, Jim and John travelled extensively in England, Ireland, France, and Greece.

Settling in England in the 1960s and 1970s, towards the end of which time John was working for the Wend End antique dealer Roy Barling, Jim and John lived variously in a

Descendants of Thomas ROBINS

sixteenth-century thatched cottage at Welford-on-Avon, at a partly restored fortified castle in Hunsdon, a flat in Porchester Place, Mayfair, a cottage near Cirencester in the Cotswolds, and, later on, above another antique business (called Grace and Favour) which John ran for Lady Joseph in Bute Street, South Kensington. At times, Jim assisted Barling with his considerable accounting skills.

In the 1980s, when semi-retired, they spent the northern winter months in Cannes, in the south of France, where after several years Jim's appalling French showed no signs of improvement.

They returned to Australia in 1969, purchased and ran a motel and restaurant in Coffs harbor, aiming to bring French Provencal cookery to the northern coast of New South Wales.

When in England or France, Jim and John entertained many visiting Australians with supreme generosity, including many members of both their families. We remember those visits, which were frequently hilarious, with immense gratitude.

John's nephew, my brother Simon, recalls Jim enthusiastically suggesting to him and Mary Ann, on the occasion of their first visit to London in 1984, that they attend a soccer friendly between Tottenham Hotspur and Liverpool at White Hart Lane. John was somewhat less enthusiastic.

In any event, during the game a riot took place, and Simon and Mary Ann barely escaped with their lives. Jim was unapologetic, observing cheerfully that this would for them be an unforgettable experience of daily life in the capital.

Jim was naturally gregarious and, at other times, to the mortification of young or merely shy companions, he did not hesitate to strike up conversations with complete strangers at the next table, wave his handkerchief to people in the theater, stop London traffic by holding out his walking stick, and sing songs.

Jim and John finally returned to Australia in 1988, and lived for some years in Sydney and Melbourne.

In 1996, Jim entered the War Veterans' Home at Myrtle Bank (in Adelaide) as a patient and, though frail, remained mentally alert. No-one who knew them in happier times can easily forget the great care and devotion with which John looked after Jim in those last years, and with which Jim's niece, Ann Pietsch, looked after both of them in Adelaide.

Jim Lawson died peacefully on Saturday morning, March 29, 2003. John died in Melbourne three years later.

Private A. V. Franklin, of Hopetoun, writing from Egypt on April 19th, said he was still in the Shuba Hospital 'suffering from enteric fever. He had been close on 11 weeks ill, but was getting better. Private Franklin has had more than his share of illness, as at different times he suffered from frost bitten feet, pneumonia, dysentery, cellulitis of leg, and enteric fever. He was looking forward hopefully to joining his mates in France at an early date.' He says that he supposes there are not many young fellows left here now. If there are, they should be told that they are all I wanted over there.

OBITUARY

The passing of Mr. Jack Byrne at the early age of 28 years came as a great shock to his many friends and relations. His death occurred last Friday morning from heart failure at Hopetoun, the home of his wife's people. Deceased was the eighth son of the late Mr. and Mrs. Luke Byrne, of Byrneville, and was well known in and around that locality. It is only four years since he sold his land at Doon North to his brother Herbert and went further north to seek fresh fields. He finally bought at Beulah and settled there. His brothers George Ott and Billy are well known wheat growers in the Doon North, Byrneville, and Kewell North districts. Two years ago last November the deceased married Merle, the second youngest daughter of Mrs. and the late Mr. E Franklin, well known business people of Hopetoun. The sympathy of friends go out to the young wife in her hour of trouble. The coffin was borne in the grave by five brothers of deceased and a brother-in-law, W. Franklin, and the Rev. Naismith of Warracknabeal performed the last solemn rites. He was buried on Saturday afternoon in the Hopetoun cemetery. The funeral arrangements were carried out by Mr. A. E. Perry, of Hopetoun

General Notes: Gladys lived at Trafalgar until March 1940 and then as per her husband's movements thereafter. She never seemed to mind the constant shifting around.

Family lore states that Gladys and Harold's wedding did not quite go to plan. On the day they were to marry, the Ministers car broke down and he was unable to get to the church to marry them. Wedding photos were taken as everyone was in their wedding gear, but the wedding did not actually take place until the following day. The bridesmaid was Lorna Rodda and the best man was ??? Mick or Mark O'Shea. It is understood that the best man was not able to be present on the actual wedding day due to a previous commitment and Charlie Wallis may have stepped in .

Gladys Bonham (Wilson)
(1996)

Newspaper article from Paper Unknown 1936 (discovered in a box in September 2022 by Coral J Jones)

Bonham-Wilson

The wedding took place at the Methodist Church, Trafalgar on 7th inst., of Gladys Elsie, second daughter of Mr and Mrs F Wilson, Trafalgar, and Harold William, only child of Mr and Mrs John Bonham of Inglewood and Broadmeadows.

The bride, who was given away by her father, wore a gown of her own design, made of white colette, with a full skirt. It had long sleeves shirred at the shoulder and cuffs and was finished at the neck with orange blossom and diamante initials. She wore a coronet of orange blossom and a tulle veil (lent by the brides aunt, Mrs D Wilson), and she carried a bouquet of white and pale pink roses and maiden hair fern.

The bridesmaid, Miss Lorna Rodda, was attired in a frock of white marocain, patterned in autumn tones and finished at the neck with a posy of matching flowers. She wore a large picture hat to match, and carried a bouquet of autumn tinted flowers.

The duties of the best man were carried out by Mr Charlie Wallis of Moe.

After the ceremony, a wedding breakfast was held at the home of the bride's parents.

Among those present were the bride's grand-father, Mr Job Wilson, and her grand-mother Mrs Robins, of Erica. The bridegroom's mother was also present.

Included in the numerous and useful presents received by the couple was a leather bound bible presented by the officiating clergyman, Rev. D Monkhouse.

.....

She was extremely accomplished at many types of handiwork, particularly, knitting, crochet, embroidery and smocking. She would experiment with many types of handiwork. In later life she turned her hand to painting of many kinds. As her eyesight began to fail she had to stop doing much of the finer work that she had previously done.

She was known as Grandma or Nanna to her grandchildren.

Noted events in her life were:

- From 1998 to 2002 she resided at 76 McBride Avenue in Wonthaggi, Vic, Australia.
- In 2002 she resided at Seahaven Aged Care in Inverloch, Vic, Australia.
- From 2003 to 2006 she resided at Armitage House, Wonthaggi Hospital in Wonthaggi, Vic, Australia.

Gladys married **Harold William Slater BONHAM** [244],²⁴⁶ son of **Harold HALSTEAD** [10072] and **Catherine Mary SLATER** [1271], on 7 Nov 1936 in Trafalgar, Vic, Australia.²⁴⁷ Harold was born on 4 Sep 1912 in Carlton, Victoria, Australia,³⁰⁵ died on 4 Jul 2002 in Inverloch, Vic, Australia,³⁰⁶ at age 89, and was buried on 9 Jul 2002 in Bunyip, Vic, Australia.³⁰⁷ The cause of his death was Acute myocardial infarction, ischemic heart disease, heart block, congestive cardiac failure, anemia, aortic stenosis, a. Another name for Harold was Harold William Slater.

General Notes: ur: 78 McBride Ave Wonthaggi. Harold spent only 6 days at Seahaven Hostel Inv. before his death.

According to Harold's mother, he was born with a heart condition and was the first Glaxo (powdered baby food) baby in Australia. He was fed the formula whilst he was in hospital after his birth.

Harold was born prior to the marriage of his mother to John Bonham. On 25 January 2018, with the help of DNA matches with his daughter Nancye and Grand daughter Coral, some good luck and a great deal of research, it has been established that Harold's biological father was in fact a man named Harold Halstead. Further information is being researched at present, but as Coral and Nancye have strong DNA matches with several people down the Wright, Coup and Halstead lines, and Harold Halstead has been placed in the right place at the right time, there would seem no doubt he was Harold Slater Bonham's biological father. FURTHER RESEARCH IS CURRENTLY BEING CARRIED OUT

Harold Bonham
(Cir 1992)

I can remember Harold Bonham's occupations as Fisherman at Lakes Entrance and Corinella, poultry farmer at Garfield, shop keeper at Iona, Pallet maker at Longwarry saw mill, Caretaker of the Cardinia Creek Boat Club near Koo-Wee-Rup. I can also remember him milking cows on his farmlet at Garfield and putting the milk cans out on the side of the road for the milk factory to collect. Other occupations included Truck Driver, quarryman, soldier.

Harold lived at Burnley until about 1919, Campbellfield, Broadmeadows East, Inglewood until 1930, Moe until 1936, Trafalgar until October 1936, in Wangaratta working at the filtration plant in 1937, Garfield until March 1940, Jindivick until June 1946, Corinella until June 1953, Poowong for 5 months in 1954, Fish Creek until April 1954, Fish Creek, Iona until January 1956, Lakes Entrance from 1957 until January 1961, Catani February 1961, Scoresby from 1963 to October 1964, the Iona Post Office from 1964 until July 1968, the farm at 14 Mile Road, Garfield from 1969 until October 1972, The Cardinia Creek Boat Club near Koo-Wee-Rup from 1972 until February 1975, the farm at Garfield from 1975 until July 1987, 18 George Street Warragul from 1987 until Aug 1995, 8 Mary Street, North Wonthaggi from 21 August 1995 and finally 78 McBride Avenue Wonthaggi until the time of his death.

Descendants of Thomas ROBINS

Harold was a very private man. He retired when he was 65 and always had a magnificent vegetable garden wherever he lived. At Garfield, then Warragul, and finally at Wonthaggi.

Despite his heart condition, he enlisted in WW2. He enlisted in the Militia Forces in 1932 and gave his address as Post Office Broadmeadows and his occupation as baker. His Army No was 183946. He enlisted in the regular army 28 April 1941 and his number was VX54407. His address at that time was given as Princes Highway, Garfield and his occupation as Quarryman. He was graded as a Group II baker and was sent to New Guinea, and the Middle East, but suffered from serious bouts of malaria and was eventually returned home and discharged. He would rarely talk about his service in WW2 in the 3/3 RAE, with only very scant details being passed on to his family. He never joined the RSL or participated in their activities. In the years before his death, he lived in a small house in Wonthaggi opposite the Cenotaph. On Anzac Day he would walk out to the fence and watch the proceedings, this is the nearest he ever got to participating in Anzac Day.

He was referred to as Pa by all his grandchildren.

133. Harry Allenby WILSON [3241] (*Sylvia Pearl Victoria ROBINS*⁵, *Henry*⁴, *George*³, *Thomas*², *Thomas*¹) was born on 24 Mar 1918 in Maffra, Vic, Australia, died on 7 May 2013 in Mirboo North, Vic, Australia, at age 95, and was buried on 18 May 2013 in Trafalgar, Vic, Australia.

General Notes: Harry was a very nice little baby and won a baby competition. As a boy the family moved to Mount Speed near Trafalgar.

Later the whole family and the house were moved into Trafalgar and the small three bedroom home now housed two families, his elder sister Gladys and her family were living with them as well. Due to limited space the story has it, that Harry used the bathtub for his bed. During his young adult years, Harry played for Trafalgar local footy club.

Harry used to have a pony called Little Bob to round up the cattle at work. Little Bob preferred to play rather than work which always used to frustrate Harry.

In WW2, Harry wanted to do his army service so he joined the army at age 23 (1941). At Army camp, he and a lot of his army mates got food poisoning from the copper pots they cooked in, and didn't end up going to war. Harry served in World War 2 - WILSON HARRY ALLENBY : Service Number - VX46049 : Date of birth - 24 Mar 1918 : Place of birth - MAFFRA VIC : Place of enlistment - CAULFIELD VIC : Next of Kin - WILSON FREDERICK.

After he was discharged he took up work with his father as a slaughterman at the Trafalgar slaughter yard.

Probably about 1942, the family moved to Somerville Rd in Kingsville to find more work opportunities.

In 1944, Harry married his first wife Violet and they built a house together possibly at 17 Salisbury Street, Yarraville in Melbourne.

Harry often visited his sister Gladys and her family when they lived at Jindivick and shot rabbit, quail and kangaroo. He enjoyed riding motorbikes and had an accident in Melbourne, with a bus which caused him to be out of work for a while. His jaw was wired shut after the accident and he had to be fed through a straw.

After the war, while living in Port Melbourne, Harry tried to teach his nieces and nephew how to swim.

Harry enjoyed travelling and in 1954, after the break up of his first marriage, Harry purchased an around the world ticket and travelled by ship to Europe for first time on his own, visiting London, Rome, Holland, France, Scotland, Ireland as well as New York and Chicago. The first part of the ship's journey from Australia to Rome took 3 to 4 weeks by sea. While overseas, he was always in search of family members he had never met.

Harry and Violet divorced in the early 1960's, possibly about 1962. It appears that Harry may not have been contactable during the divorce proceedings and his mother was subpoenaed to appear at the divorce proceedings.

Harry loved and owned cats throughout his life. He always took in strays and used to bring meat home for the cats and the family from work.

Around the mid-1950s, Harry and his brother Ken rented a farmhouse on the farm next door while building a 3 bedroom shack on the bush block brought by Harry in Carrajung Lower with nephew Max Bonham. Harry drove every 2 to 3 weekends in his Chrysler ute from Melbourne to Carrajung Lower until the shack was built.

While living with his brothers, Ken and Eric, their niece Nancy Bonham was married in 1957. The three brothers brought Nancy a wedding gift but made sure the appliance was well run in

(Mar 2012)

before Nancye received the gift. This gift was an electric frypan.

Harry eventually sold the bush block and moved to Hedley with Ken to a share farm. Harry continued to work part-time as a slaughterman for a local butcher in Foster and travelled all over South Gippsland region as well as working on the dairy farm.

In the mid 1960s, Harry and Ken brought a farm together on Billy Creek Road in Stacey's Bridge. In the 1970s they lost the farm to the Federal Government and drought. Harry moved to Devon North in the mid 1970's and worked for the Shire of Alberton until his retirement.

Harry attended Yarram church services and participated in many church events, and in 1970, Harry met Ada, a widow with four children. On the 4th of March 1978, Harry married Ada and moved a Yallourn house to Yarram where they lived for the rest of their years. Gert, Ada's eldest son would regularly spend time on projects with Harry which included the building of two sheds.

Harry loved to tinker in his large shed. He also enjoyed collecting things and regularly visited the "free local supermarket" otherwise known as the local tip, in his ute. The tip also provided the parts for 2 bikes which he made with Ken for Ken's two daughters. He was very resourceful and loved to use the welder. Eventually the local tip changed to a transfer station where items had to be paid for, which made Harry most unhappy. Trash and Treasure was another favourite place to visit while visiting family in Footscray Melbourne.

In 1979, Harry and Ada and two of Ada's children, Helen and Ria went over on a working holiday for a few weeks in England and in 1985 they visited Holland and Ireland together. Ada and Harry would be the support crew for many cycling trips with Ada's family. These bike rides took them to Hall's Gap, across Gippsland, as well as Tasmania and New Zealand, which Harry thoroughly enjoyed.

Harry and Ada, by this time, well into their 80's, purchased a camper van for their annual camping trip with Ada's family. They also visited Corowa, NSW on a number of occasions where Harry's younger brother Eric and his wife ran a motel.

Visits to Ada's children, Gert and Janet on a Sunday afternoon often lead into tea. Harry and Ada enjoyed a game of cribbage and cards, particularly euca.

Harry enjoyed his food and loved to eat. Throughout their marriage, before every meal Harry and Ada would traditionally hold hands, say a prayer and give each other a loving peck before eating. In the last 4 or 5 years, Harry took on the role as head chef in the Wilson household and regularly cooked three meals a day for Ada. Once Ada went into Crossley House, Harry visited her every day to show the deep love and care that he had for her over their 35 years of marriage.

After Ada's death Harry's health deteriorated and Harry moved into the Grand Ridge Aged Care Facility in Mirboo North, where he had many visits from friends and family and celebrated his 95th birthday before he passed away peacefully on Tuesday 7th May.

Harry's wife, Ada.....

Ada was born in Holland. Her father was a school teacher but he was killed in an accident when Ada was 12 years old. The family then moved to Amsterdam and Ada graduated as a teacher. WW2 started two years after her graduation.

Ada married her first husband Henk Schepers. Henk was a carpenter and the couple decided to emigrate to Australia, but this took some time and their first two children were born in Holland. By the time Henk and Ada made it to Australia, 4 of Henk's brothers and 2 of his sisters had already arrived in Australia.

When they first arrived in Australia Henk and Ada lived at The Gurdies. They lived for a short time at Mincha in Northern Victoria, then they went to a wheat farm at Woorak. After 2.5 years at Woorak, they returned to Lang Lang and Koo Wee Rup area where Henk and his brother set up a building business.

In 1965 the family moved to Won Wron where Henk passed away in 1976.

Ada and her first husband Henk had 4 children, Gert, Arian, Helen and Ria.

134. Leila Myrtle WILSON [3244] (*Sylvia Pearl Victoria ROBINS*⁵, *Henry*⁴, *George*³, *Thomas*², *Thomas*¹) was born on 2 Mar 1921 in Trafalgar, Vic, Australia, died on 18 Dec 1991 in Footscray, Vic, Australia, at age 70, and was buried in Dec 1991 in Trafalgar, Vic, Australia. The cause of her death was Cancer - breast.

General Notes: Leila had one son, Trevor whose father was said to be an air force pilot from Darwin, but his name was never mentioned to other family members.

Family lore states that when she became pregnant with her second child, the father being Thomas Clarke, the family insisted that they be married immediately. From the memory of Nancye Blackwell (Bonham), the marriage took place in the home of Leila's parents in Footscray (272 Somerville Road Yarraville). According to Nancye, Tom was not a nice character and even stole a specially made brooch from Nancye's sister Lola and had the inscription roughly changed to Leila and gave it to his wife. When this was discovered, he was more or less banned from visiting the Wilson household. Tom was murdered at Mt Martha in 1945.

Leila Clarke (Wilson)
Leila Clark c. 1988
(Cir 1988)

Thomas Clarke was said to be a soldier at the time, and 25 year. He and two other men (Kevin Joiner and ? Harris) robbed the Maryport guest house in Mt Martha on April 17 1945. After the robbery the proceeds were divided amongst the men. For some reason one of the other robbers shot Thomas and left Thomas's body in a thick tea tree area. According to newspaper reports, Kevin Albert Joiner, thought Thomas looked nervous so he shot him. Thomas was shot several times, in the abdomen and head. One of the shots set Thomas's clothing on fire.

His body was found about a week later by a former police constable who owned the property. Thomas's clothing contained items that were said to have been stolen from the guest house. The police said that Thomas had been last seen in Footscray on the night of 14 April, (Leila and Tom's son Peter was born on 13 April 1945) and then in Melbourne on the 15th of April. A 17 year old man was questioned. When police searched his room, they found items said to have been stolen from the guest house along with a loaded black powder pistol and black powder. Kevin Joiner was charged with the murder of Thomas Clarke and was sentenced to death. This sentence was later commuted to life in prison.

Leila had a child.

I have obtained a copy of Thomas's military records from the National Archives of Australia. It appears he served overseas with the number of VX52266 but was discharged on the 4th December 1942 for misconduct and at the bottom of the Discharge of Proceedings paper it notes "mental retardation", and seems to have re-enlisted in 1943 and been given the serial number VX91891 at that time. Although his previous VX number and service is mentioned on his re-enlistment documents. It

seems he spent a lot of time in trouble whilst in the military, with many mentions of AWL and misconduct throughout his records, culminating with him hitting a superior officer. He was discharged from the Army on 23 December 1943 and his file is marked "unsuitable for further military service".

Thomas's NOK on his military records is given as Gladys McCarter of Geelong. Gladys is said to be his mother. On one of Thomas's records his date of birth is given as 3.1.1914 and on another 3.1.1922, so his date of birth is uncertain.

On the marriage certificate of Thomas and Leila, Thomas gives his father as Thomas deceased, and Mother as Madame De Fay deceased and his place of birth as Geelong although his Army record gives his place of birth as Cope Cope, Victoria. Thomas and Leila were married at 272 Somerville Road, West Footscray and the witnesses were Robert James Attewell or Addewill, and Bessie Eva Lilian Wilson. Thomas gives his occupation as farmer and his usual residence as McLeods Flats, Bacchus Marsh, but present residence RX91891 RRD Royal Park as he was in the Army at the time of their marriage.

On Thomas's death certificate, his parents names are unknown, but he was said to have been born at Bacchus Marsh, Victoria.

POLICE QUESTION LAD ON MURDER AT MT. MARTHA

Early, this afternoon a youth was questioned by detectives investigating the murder of Thomas Charles Michael Clark, 25, whose body was found yesterday in scrub at Mt. Martha.

A post-mortem examination today disclosed that Clark died of gunshot wounds in the skull, brain and abdomen.

In a room occupied by the youth questioned police recovered property which had been stolen from Maryport-guesthouse on April 17, and also found a loaded, .45 calibre revolver and a quantity of lack powder cartridges. Before the discovery of Clark's body had been reported yesterday detectives R. Burne and G. Pope, from Russell St., stopped youths, aged about 17, in Bourke St. City.

They questioned them about housebreaking's in the country and then allowed them to go. Today Detective Pope went to a house in the city to make further inquiries.

As a result of what he learned, he returned to headquarters and with Senior-Detective Donnelly and Detectives Curren and Burne, went back to the house. They made a search and subjected a youth to further questioning. Police believe that Clark met his death in a dispute after the robbery, and that death was caused by bullets from a revolver fired at short range.

One bullet entered Clark's head, three inches behind the right ear. Another entered the left side, passed through the ribs below the left kidney, and emerged about the middle of the stomach. There is evidence that one cartridge fired into the man's left side set fire to his clothing, and that an effort was made to put it out.

Sub Inspector F. Hopley) thinks the powder flash from one of the shots ignited a celluloid exposure meter that Clark had in his left pocket' with other stolen goods, including a powder compact, handkerchiefs. 1 lb.' of butter and a butter knife.

Doors Chalk-Marked

Police learned today that an other residence belonging to Mr Dowdle was broken into some time between the beginning of Easter week and April 24.

A tomahawk had been taken from the kitchen and was left in a bedroom. During the Maryport robbery a cleaver was taken from the kitchen and left in a bedroom. All doors of bedrooms from which property was stolen at Maryport were marked in chalk with the Cross of Lorraine (the symbol of Free France and Fighting France). Police believe that this sign indicated which rooms the property was in.

Shot From Back

Descendants of Thomas ROBINS

The Deputy Chief of the C.I.B. (Det.-Inspector w, Davis) said this afternoon that Clark had been shot from the back. One .45 bullet was found lying in a fold of Clark's clothes when Sub-Inspector Hobley examined the body yesterday.

It is believed that this was the bullet that, penetrated Clark's body from the left side. It is also thought that a third shot was fired. The pistol and the cartridges - both live and expended - are now being subjected to tests by ballistics experts. Since late last night dozens of suspects have been questioned by the homicide squad at Russell Street Police Headquarters.

Clark's address and most details of his recent movements are still unknown. He was seen at Footscray on April 14, and was last seen in a lodging house in Melbourne on April 15, but apparently did not stay there.

Police believe that Clark served twice in the military forces - once in Syria, after which he was medically discharged and enlisted again.

Anyone who knew Clark or his movements at any time is asked to communicate with Inspector. Davis at the Homicide Squad, Russell Street. Immediately. All information given will be treated as confidential.

GUNSHOT WOUNDS IN HEAD

Body Found In Scrub

MELBOURNE, Wednesday. A post-mortem to-day revealed that Thomas Michael Clark, 27, whose body was found yesterday in a ti-tree thicket 300 yards from Maryport Guest House at Mt. Martha, died from gunshot wounds in the skull, brain and abdomen. He had been dead about a week.

He had been shot from behind with an old type revolver. Old style black powder set fire to his clothes.

A number of articles reported to have been stolen from Maryport on April 17 were found in Clark's pockets.

Police believe the wound could not have been self-inflicted. There is no suggestion that any attempt had been made to destroy the body by burning after death.

A youth, aged 17 1/2 is being questioned by detectives engaged on investigations into the death of Clark. To-night the youth was taken by detectives to Mount Martha.

MURDER FINDING AT INQUEST

Confession Alleged

A finding of murder was recorded yesterday by Mr Tingate, city coroner, against Kevin Albert Joiner, 17½ years, labourer, of McCormac place, Melbourne, after an inquest into the death of Thomas Charles Clarke, 25, soldier. Joiner was committed for trial.

Clarke was found dead in the scrub after a robbery at Maryport guest house, Mt Martha, on April 17, when £250 worth of property belonging to the proprietor, Mr James Eric Dowdle, was stolen.

Det Walter Byrne said that on the night of April 21 he saw Joiner at Russell st. When questioned Joiner admitted having broken into Maryport and having stolen property.

In a signed statement alleged to have been made to the police, which witness read, Joiner said: "The game is up. I shot Tommy Clarke. I shot him because he looked nervous when we were ransacking the rooms at Maryport. I then decided to shoot Clarke, as I was afraid he would squeal to the police.

"I asked Clarke to come for a walk when we got outside the building. I did that so as I could get him away from the boy. As we walked towards the scrub Clarke was a little ahead of me. I fired

Descendants of Thomas ROBINS

a shot into his back. He half turned and ran into some scrub. As he ran he screamed out, 'Don't do it, Jack.' 'I then fired another shot at him. He fell into the bushes. I walked over to him. I put the gun to his neck and fired again. His sleeve was burning from the effects of the shot, so I put out the flames and then walked away. Shortly afterwards I returned to the body, and felt it. It was still, so I knew that Clarke was dead."

YOUTH'S STORY

John Thomas Harris, 15, of Rodney place, Carlton, now an inmate of Royal Park Boys' Home, said he knew Clarke a week before his death.

He met Joiner at Royal Park about three years ago. On April 16 he was in the city when he met both Clarke and Joiner, who said, "I have a big job to do at Mt Martha."

Witness did not want to go at first, but later changed his mind. After travelling to Frankston they boarded a bus for Mt Martha. They entered Maryport through the kitchen. They entered several rooms, taking clothing and valuables from each. Just before leaving the house Joiner chalked the Cross of Lorraine on the door and floor.

After leaving the house Joiner and Clarke were a few yards ahead of witness when he heard a shot fired. It was fired by Joiner, as he had the gun all the time.

Later Joiner said to witness: "You needn't worry, I am not going to shoot you, Titch

CHARGED WITH MURDER AT MT MARTHA

Youth on Trial

An admission that he had shot Thomas Clarke because he had looked a bit nervous was the allegation made by the Crown in the Criminal Court yesterday, when Kevin Albert Joiner, 19, of McCormac place, Melbourne, appeared before Mr Justice Lowe and a jury on a charge of having murdered Thomas Charles Clarke, 25, soldier, at Mount Martha on April 17,

In opening the case for the Crown, Mr R. M. Nolan, said that on April 17, accused, with Clarke and a lad named Harris, had broken into the Maryport guest house, Mount Martha. After having placed the spoils of the robbery in four suitcases they divided the contents outside. Harris was left with the suitcases, and Clarke and Joiner went down towards the Esplanade. Joiner said to Clarke "Go and see what time the bus will be passing for Frankston." As Clarke went Joiner fired into his left side, and again fired to the right. After Clarke slumped into the scrub accused went over to him and fired into the back of his head from a distance of about three feet. It was alleged on behalf of the Crown that Joiner had admitted that while they were in the guest house he had noticed that Clarke looked a bit nervous, and he decided to shoot him.

The hearing is unfinished.

Mr R. M. Nolan prosecuted for the Crown. Mr J. P. Bourke (instructed by Messrs O'Donohue and Green) appeared for accused.

MT MARTHA MURDER

Death Sentence

After retirement of about an hour, jury in the Criminal Court yesterday returned a verdict of guilty against Kevin Albert Joiner, 19, labourer of McCormac place, Melbourne, on a charge of having murdered Thomas Charles Clarke, 25, soldier, at Mt Martha on April 17. Mr Justice Lowe pronounced sentence of death on Joiner.

Detective Walter Byrne in his evidence stated that Joiner had not shown the slightest sign of remorse when questioned by the police concerning the tragedy. Witness stated that Joiner admitted having shot Clarke so that he would not "squeal to the coppers." Joiner had said that he did not like the look of "Tommy" after they had robbed Maryport guest house at Mt Martha on the night of April 17. Witness said that when he had warned Joiner before asking him to make a statement Joiner replied that he wanted to get it off his mind.

Descendants of Thomas ROBINS

In opening the case for the defence Mr Bourke submitted to the jury that the shooting of Clarke had been accidental or that it was done while the youth was temporarily insane.

Mrs Violet Evelyn Joiner, of Windsor, mother of accused, gave evidence of violent ill-treatment by her husband before the birth of the boy. She then separated from her husband. When the child had been born he was very backward, and was not able to speak until he was five years. He suffered an impediment to his speech until he was 13. Following frequent periods of truancy the boy had been claimed by the Children's Welfare Department as a neglected child. In a short statement from the dock accused in a halting and subdued voice told the jury that he had never had a chance in life. For the last few years he had fits of dizziness and bad headaches. He had not intended to kill Clarke. He had remembered the police asking him a lot of questions and he agreed to anything they said.

Mr. R. M. Nolan Prosecuted. Messrs J. P. Bourke and V H. Belson (instructed by Messrs O'Donohue and Green) appeared for accused

A charming figure in the frock of Honlton lace covering magnolia satin that was worn by her mother at her wedding 28 years ago, Miss Berta Joan Franklin, only daughter of Mrs. H. R. George, Box Hill, and the late Mr. B. Franklin, formerly of Trafalgar, was given away by her stepfather, Mr. H. R. George, at her wedding to Alfred Voirden, younger son of Rev. and Mrs. G. A. Judkins, at Wesley College chapel on Saturday.

The bridegroom's father performed the ceremony. Misses Joyce George, Jean Ritchie and small Beth Judkins were the bride's attendants; Mr. N. Murt was bestman, Mr D. Lumsden the groomsman. The elder maids wore frocks of old gold velvet and topknots of gold shade flowers in their hair. The little girl's frock was of lemon colored velvet. The reception after the ceremony was held at The Palms.

- 284 M ii. **Douglas Harold Maxwell BLACKWELL** [1326] was born on 12 Mar 1960 in Warragul, Victoria, Australia,³²⁶ died on 5 Dec 1988 in Melbourne, VIC, Australia,³²⁷ at age 28, and was buried on 8 Dec 1988 in Bunyip, Vic, Australia.³²⁸ The cause of his death was hepato renal failure, multiple trauma including fractured spine received in a motor cycle accident. He had no known marriage and no known children.
- General Notes: Douglas worked at various occupations on leaving school, including for Smith and Nephew at Wonthaggi and Containers Ltd at Dandenong. He gained employment as a communications technician installing radio equipment and towers for PG Wallace until late 1988. He was living in Glenhuntly, Victoria. He then got a position for another communications firm installing car telephones and the like. He had only been working at the job for two weeks and was on his way to work on his on his motorbike about 2kms from his home when he hit a speed hump in the road and was thrown into a fence. The accident occurred in Lyons Street, Glenhuntly at the edge of R M Lord Park or Koornang Park. Douglas sustained serious injuries and was transported to the Alfred Hospital where he remained in a critical condition for one month where he died as a result of his injuries. Douglas did not marry or have any children.

Douglas Harold Maxwell Blackwell and Michelle Jones
(1983)

Douglas was the second child and only son of D. Geoff Blackwell and Nancye (Bonham). He lived at Garfield, Victoria, Australia, until he was 14 years old, when his family moved to Wonthaggi, Victoria, Australia. Douglas spent some time unemployed after he finished school, and later worked at Smith and Nephew in Wonthaggi and at Containers Limited, a packaging factory in Dandenong, driving from Wonthaggi to Dandenong daily. He moved to Glenhuntly in approximately 1985 where he had obtained a job working for P.G. Wallace and Co, a Prahran based company, who installed, serviced and maintained communications antennas. He worked all over Victoria installing these towers, but most of the work was carried out in the Melbourne area.

Douglas was an early adopter of computer technology and was adept at computer programming. He was also an amateur (ham) radio operator and enthusiast. He assisted in the early stages of organising and installing equipment for the formation of a local radio Station in the South Gippsland area, now known as 3MFM. He was undertaking a course in electronics at the Swinburne Institute of Technology.

The Rialto Towers (often The Rialto) is the second-tallest reinforced concrete building and the tallest office building in the southern hemisphere, when measured to its roof (several other skyscrapers in Australia are taller if their spires are included, as are some other structured in Australia such as communications masts and observation towers). The building is located at 525 Collins Street, in the western side of the central business district of Melbourne, Australia.

The Rialto Towers featured Melbourne's first skyscraper public observation deck which operated between 1994 and 31 December 2009 It was also the location of Melbourne's first Tower running event.

At the time of its completion it was the 23rd tallest building in the world and the 2nd tallest outside of the United States (behind First Canadian Place in Toronto, Canada). Construction of the Rialto Towers was completed in 1986.*(Wikipedia Feb 2012)

P G Wallace and Company installed the communications towers on the top of the Rialto building. Douglas, who was initially very unhappy working at height, soon got used to it, and would proudly recount the fact that he and his workmates used to fly paper aeroplanes from the roof of the Rialto building during its construction and the

installation of the communications towers.

Douglas left this job with P.G. Wallace and Co in mid 1988 and commenced working for a company called Australnet Communications that installed car telephones that operated from Mount Waverley. This was an infant industry at the time.

In his younger years Douglas played the cornet in the Wonthaggi Citizens Band, and played competition table tennis at Wonthaggi. He also enjoyed archery. As a child and into adulthood he built and flew model planes, eventually branching out into radio controlled equipment including planes, cars and boats. He competitively raced radio controlled sailing boats on the Albert Park Lake in Melbourne.

As children, Douglas and his sisters learned to ride motorbikes, which were ridden at Garfield on Theadora Fenn's land which was about 6 acres. Eventually Douglas obtained his motorbike licence and rode his bike to work in Melbourne trying to save fuel costs. He had purchased a 125cc racing motorbike which he was preparing to race in 1989.

Douglas was on his way to work at his new job at Australnet Communications, where he had been working for only 2 weeks, when his motorcycle hit a speed hump in the road, only about 2 kms from his home in Glenhuntly. He lost control of the machine and was critically injured and taken to the Alfred Hospital in Melbourne, where he remained in a critical condition for one month, but finally succumbed to his injuries on the 5th of December 1988.

Douglas did not marry or have any children but loved his nieces and nephews dearly.³²⁹
