Since I have been doing the research I have wondered how different our lives might have been if our ancestors had not chosen the directions that they did. These directions have made us who we are, and landed us in so many different places.

I wonder at the courage of our ancestors - getting on those ships and sailing to far flung foreign lands, with little or no hope of returning to see their families again. How brave they must have been, or perhaps they were just desperate.

We cannot forget those who stayed at home and kept the home fires burning and gave our intrepid travellers a point of reference.

Whether they stayed in places old or travelled to places new, and whatever the reason for their remaining in, or departing from those homelands, we should continue to thank them for being our parents, grandparents and great grandparents and for helping to make us who we are today.

With this in mind, this book is

For my children and grandchildren
and broader family
so they know all where we came from.

Copyright

This book has been produced for the express use of family members and should not be reproduced, but can be used for research purposes. However, please respect the privacy of living family by keeping their information confidential.

Thank You

I would like to thank all the members of the family who have continued to supply me with information. There are too many to name, but you know who you are. Without that information, this book would not exist.

Special thanks go to my late aunts, Pax Towt (Blackwell) and Eve Johnson (Blackwell) and my mother Nancye Blackwell, without whose collaboration, enthusiasm, encouragement and advice, I may never have continued with this research.

My research is also interlinked with many other researchers whose families are linked to our own. Thank you to those people who have carried out research into these other family branches. Please see the bibliography and sources at the back of this book for this information. (As a paper saving measure I sometimes omit this information, but it can be supplied on request).

Introduction

Many strange and interesting facts are discovered in the process of family tree research. It can be costly and frustrating, but the results are so worthwhile, all the negatives disappear.

Sadly, there are some facts that will never be known, and a certain amount of supposition then comes into play, but a fact is not a fact without written evidence, so where ever possible, that evidence has been included in the sources section of this book. (As a paper saving measure I sometimes omit this information but it can be supplied on request).

I have carried out this research mostly at my own cost, and in my own time, but I believe that the more people this information is shared with, the longer it will last. I am happy to share this information with the family and I hope that you get some benefit out of my 30 plus years of research.

My motto is "always ask the questions". Sometimes you don't get the answers you want and would like, but if you don't ask, you will never know.

Research can be dry and boring to read and can only go so far, conversations round it all out. Over the years the conversation becomes less and the research becomes greater. It is important to try to have some family stories included amongst the research to make the family seem alive.

DNA has opened up a whole new realm of research and DNA has helped me solve, or put to rest, some family mysteries and dead ends. Without DNA, one entire line of my own tree was incomplete and incorrect. We now know more about our past than we could ever have hoped for. I am sure that DNA research will continue to solve some mysteries, and possibly even create some new mysteries.

I only ask one thing, and that is for all the family to continue to contact me with any information that is missing or incorrect, and that you all continue to contact me regarding any births, deaths and marriages. This is a BIG family, and I can't know it unless you tell me.

This book is a work in progress and will never end, as births deaths and marriages continue down the generations in perpetuity. There are bound to be mistakes in this book and I would appreciate being notified of any alterations or corrections that may be found.

Thank you once again for all your help and please enjoy this labour of love that has taken me more than 30 years to produce.

Image of marriage Banns Francis Blackwell and Frances Barker (1794)

General Notes: Francis Blackwell and Frances Barker both signed their names in the Parish Registers. Francis and Francis are definitely the parents of John Blackwell. DNA has confirmed their relationship to our John Blackwell, althoughr John always maintained he was born in Higham Ferrers but was apparently born in Nassington and moved to Earls Barton/Higham Ferrers as an adult. His parents and some siblings remained in Nassington and Peterborough. His brother Francis moved to the same area as John.

John Blackwell and Ruth Clarke were married at Wilby in 1817 and Francis Blackwell (Jnr) married Ruth James at Wilby in 1824.

12 Dec 2023: Today I have woken to find several DNA matches with Geoff Blackwell and other descendants of Francis and Frances Blackwell, proving my theory to be correct. After 40 years to find them at last.

[Drakards Stamford News 3 July 1829 page 3](#)

On Tuesday the 16th Ult., as Mr Francis Blackwell of Nassington, Northamptonshire, was going to a wood with his timber carriage and jib, he met with a severe injury, from the imprudence of the boy who had the charge of the horses, in letting the gate close before the whole had passed, by which the jib was caught, and turned over upon Mr Blackwell. The horses were instantly stopped, and he escaped without any of his limbs being fractured, but he was very much bruised; had, however, the horses been allowed to go foreward, the probability is that he would have been killed. His son, who stopped the horses, had also a noarrow escape on the same eveing. He was struck on the head by a lever with which he was removing a tree, and was for 10-15 minutes apparently deprived of animiatnion. He has not since been so fortunate, for on Thursday last he was struck upon the head by a handle of a crane which was out of order and which was directed not to be used, and his skull was bared to a considerably extent. He is not yet out of danger, but hopes are entertained that he may recover. All three accidents occured in the parish of Nassington.

I obtained the death certificate for 1844 which the GRO indexes had listed as the death of Francis Blackwell, but when the certificate arrived, it turned out to be a John Blackwell, a farmer aged 76 years of age, rather than Francis Blackwell as it had stated in the indexes. There is a notation on the side of the entry advising that John should read Francis Blackwell and that the entry was changed in 1844.

On Friday evening the 30th ult. the Nassington carrier (Mrs Blackwell), on her return from Stamford market, was stopped near Whitewater toll-bar by two ruffians who demanded her money! As she happened to have her son (a lad) and another person riding in the cart with her, a dispute and struggle arose with the highwaymen, during which the Newcastle coach was fortunately heard to approach, on which the offenders made off towards Barnack, without having effected a robbery. We understand a warrant has been issued against two persons of Whittering who are suspected of this attack.

John Blackwell Baptism record Yarwell
(1795)

General Notes: NOTE: DEC 2023: I have found a John Blackwell baptised 09 Aug 1795 at Yarwell, Northamptonshire, son of Francis and Frances Blackwell (nee Barker), who is a very likely candidate to be this John Blackwell. I have added them to the DNA tree but I am awaiting confirmation via DNA as to whether they are the likely parents of this John or whether this is not our John's parents at all. John Blackwell and Ruth Clarke were married at Wilby. Francis and Frances Blackwell also had a son Francis who was also married at Wilby a few years after John and Ruth were married there, this has reinforced my thinking that Francis and Frances may be John's biological parents. Francis Jnr and his wife lived in the Earls Barton area until their deaths.

12 Dec 2023: Today I have woken to find several DNA matches with Geoff Blackwell and other descendants of Francis and Frances Blackwell, proving my theory to be 100% correct. It's party time after 40 years to find them at last.

BIOGRAPHY:

John's birth is estimated to be about 1796. All records including death and censuses, indicate birth between 1792-1802. His occupation was shoemaker.

All the children of John and Ruth were christened under the surname of Black, which is why they had not been found. Jan Dabson supplied me with christening details from registers she has in her possession. I have since confirmed all the christening details supplied by Jan.

A Mary Fisher was in attendance at the death of John Blackwell.

John and Ruth's three adult children who died after compulsory registration was introduced, died of Tuberculosis. Tuberculosis is a bacterial infection of the lungs and sometimes other parts of the body, and is spread by droplets in the coughs or sneezes of a person with the disease. Tuberculosis was known as 'consumption' in the 19th century and was a major cause of death in Britain at that time. The disease is still common where there is overcrowding, malnourishment and poor health care.

Tuberculosis, also known as "consumption," "phthisis," or the "white plague," was the cause of more deaths in industrialized countries than any other disease during the 19th and early 20th centuries. By the late 19th century, 70 to 90% of the urban populations of Europe and North America were infected with the TB bacillus, and about 80% of those individuals who developed active tuberculosis died of it.

For most of the 19th century, tuberculosis was thought to be a hereditary, constitutional disease rather than a contagious one. By the end of the 19th century, when infection rates in some cities were thought by public health officials to be nearly 100%, tuberculosis was also considered to be a sign of poverty or an inevitable outcome of the process of industrial civilization. About 40% of working-class deaths in cities were from tuberculosis.

Robert Koch's identification of the tuberculosis bacillus in 1882 helped to convince members of the medical and public-health communities that the disease was contagious. Preventing the spread of tuberculosis became the motivation for some of the first large-scale public health campaigns.

Mortality rates began declining in the late 19th century throughout Europe and the United States. Whether sanitary measures, sanatoria, improved nutrition, or larger epidemiological factors unrelated to human intervention were the cause of this decline remains undecided.

In 1870-72, John Marius Wilson's Imperial Gazetteer of England and Wales described Higham Ferrers like this:

HIGHAM-FERRERS, a small town, a parish, a subdistrict, and a hundred in Northamptonshire. The town stands on a rocky height, near the river Nene and the Northampton and Peterborough railway, 3 miles from the boundary with Beds, and 15½ ENE of Northampton. It was known, at Domesday, as Higham; and it took its after name from the Earls Ferrers, who were its lords. Its site has yielded relics which show it to have been probably occupied by the Romans; and is within 3 miles of the Roman station of Chester.

Noted events in his life were:

- In 1841 he resided at High Street in Higham Ferrers, Northamptonshire, England.⁴²
- In 1851 he resided at 6 Newland Street in Higham Ferrers, Northamptonshire, England.⁴³ Occupation cordwainer.
- He had a residence in Higham Ferrers, Northamptonshire, England in 1861.⁴⁴

On the 1911 Census, Alfred and Ann advised that they had 9 children, 2 of whom were deceased. We only had 7 children recorded, however I have since found Ralph's birth and death. The 9th child still has not been identified.

Beatrice, Ada and Ralph were all christened at Higham Ferrers on 19 Aug 1878 according to the Family Search website.

Witnesses to the marriage of Alfred and Ann were Charles Blackwell and Sarah Groom. Presumably Charles Blackwell was Alfred's brother, and Sarah Groom may have been a friend of Ann's as Ann's sister Eliza had married an Andrew Groom. In the same quarter and year of the marriage entry of Ann and Alfred, is the marriage of a Sarah Bethia Groom to a George Childs.

The family apparently kept in touch with their son William's late first wife's family because in 1911, almost 20 years after Evangaline died, her brother Edgar John Adams was staying with Alfred and Anne Blackwell at the time of the census. William had already emigrated to Australia by this time.

DISASTROUS FIRE AT HIGHAM FERRERS
GREAT DESTRUCTION OF PROPERTY

On Tuesday Higham Ferrers was the scene of one of the most disastrous fires which have occurred of late years in the county of Northampton, and certainly one of the greatest magnitude that is within the remembrance of "the oldest inhabitant" of the particular locality indicated. "Higham", as most of our readers are aware, is one of those ancient places to be found in Northamptonshire of which it may be said that, if its ancient glory is not altogether departed, its relative influence and position are considerably reduced. Still it is a thriving business town. Practically, it consists of one long street on either side of which the houses for the most part are built in a style of architecture peculiar to a period that to the present generation is somewhat remote. In many cases the dwellings are of old material, covered with thatch, and it is to this fact that the alarming extent of the conflagration of Tuesday is undoubtedly due in the main.

The details we have been enabled to glean show that on the afternoon of Tuesday, about twenty minutes past one o'clock, as a man named Mason was returning, during his dinner hour, from his daily employment at Rushden, he when descending the hill entering the town, observed smoke issuing from the rear of the Swann Inn, an old established hostelry, kept by one Host Kilsby, and situate near the site formerly occupied by the now extinct tollgate, on the west side

of the street. Thinking something was wrong, Mason at once made his way to the house, and acquainted its inmates of what he had seen. They, hitherto utterly oblivious of the fact disclosed, immediately made examination of the premises, and discovered that a fire had broken out near the kitchen. Prompt measures were at once taken to extinguish the flames; but, unfortunately, a blustering sou'-wester was blowing hard at the time, and catching hold of the flames, which soon began to leap through the thatch of the building, sent them with startling rapidity in the direction of the adjoining house. This being similarly covered the fire-for it had assumed these proportions in a few minutes-quickly communicated itself, by the aid of the favouring wind, to adjoining houses on the same side of the street, until in a quarter of an hour no less than fourteen adjacent cottages were in flames. The fifteenth house had also a thatched roof, but this, singularly enough, escaped. Not so, however, buildings on the opposite side of the street, as these became ignited from the multitude of sparks which the wind mercilessly drove onto the roofs. Here they soon obtained a firm hold, and by two o'clock -or about three quarters of an hour after the fire was first discovered-there were no less than twenty-five houses on either side on fire, if not roofless. During this time, of course, every effort had been made by the startled inhabitants to check the progress of the flames. Information was conveyed with despatch to the local fire brigade quarters, and their engine, under the command of Captain Shelton, was at the scene of the conflagration by a quarter to two.

The news of the outbreak was also telegraphed to Rushden and Wellingborough. The brigade of the former place, under Captain Foskett, was but a few minutes behind the local team; while the Wellingborough Brigade arrived at a quarter-past two o'clock. Each brigade, in fact, displayed the most commendable promptitude in answering the call of duty; while the Police, under Supt. Baillie, of Wellingborough, were by no means behindhand, and lent valuable aid. There being an ample supply of water-thanks to the contents of the moat of the ancient castle, and the numerous wells in the town-the brigades were soon able to get to work in earnest. The scene at this time it is no stretch of imagination to describe as of almost bewildering confusion. The street itself was enveloped in clouds of smoke, so dense in capacity and continuous volume, that many of those who were engaged in the midst of the fire aver that they actually could not see the flames springing from the roofs, though in reality these latter formed a blazing beacon, pointed to the consternation by the inhabitants of Wellingborough and other places for miles around. So rapid, to, did the fire travel from house to house, that, although the furniture of the cottages was hurried pell-mell out of the windows, both upstairs and down, quite indiscriminately, and every possible exertion was made to secure its removal, a very large proportion of it was destroyed by the consuming element; while nearly an equal amount was injured, almost past repair, by the rough handling it received. The density of the smoke before alluded to had one most regrettable effect, it seems that the inhabitants of the houses on the east side of the street, on witnessing the extreme peril in which their neighbours' property was placed, nobly went to their assistance, and it is a fact that while they were helping their friends to subdue the flames and rescue their furniture, their own houses and furniture were at the same time actually being consumed. As an illustration of the intensity of the heat caused by the fire, it may be mentioned that in one of the cottages a couple of fat porkers, weighing some 17 score, which had only been killed the day before, were completely frizzled. Thanks, however, to the united and well-directed exertions of the various brigades, and the welcome assistance of many willing workers, the fire, which at one time it was feared might extend itself to the greater part, if not the whole of the town, was got well under. Still such was the inflammable character of the material the flames had to work upon, that the conflagration was by no means extinguished.

The engines continued for some time playing on the smouldering ruins. Only the bare walls and chimneys of the various dwellings were left standing through the combined effects of the large quantity of water poured upon them and the searching, destructive flames. Shortly after dusk the Wellingborough and Rushden brigades, after doing service which does them every credit, left the town, it being generally believed that what may be termed the remnants of the fire could safely be left to the efforts of the local brigade. The latter, we should add, were most watchful and unsparing in their exertions, members of the brigade being on duty all night for the purpose of extinguishing the flames which, in one cottage after another, fitfully made their appearance for many hours. Fortunately, by these admirable precautions the possibility of a renewed outbreak was prevented.

The fire, it is pretty generally believed, originated in the ignition of one of the huge beams in the interior of the Swan Inn. It is useless to speculate what the fearful consequences might have been had the conflagration occurred during the night; but it may certainly be said it was

fortunate it happened just when it did. At that time the male occupants of the houses were at home, it being their dinner hour, and being thus on the spot were able at once to take prompt action for the preservation of their own property and the extinction of the fire. Though the latter was so extensive, it is pleasing to be able to state that no loss of life was caused, although Mr. S. J. Goll, grocer, sustained somewhat serious injuries, and a young girl named Charlotte Bailey had her eye severely burnt.

One of the most praiseworthy, as it is the most gratifying incidents in connection with an event which has rendered so many families homeless, at least in a temporary sense, was the practical sympathy and help shown by all classes, from the highest to the lowest, for the unfortunate sufferers by the fire. Not only did those who possessed them lend their horses and carts for the removal of furniture and the conveyance of water to the engines, but the clergy and principal inhabitants of the town and immediate neighbourhood were present at the fire, aiding, to the best of their ability, in the work of suppressing it. Nor were they lacking when the immediate danger was passed in extending their assistance to the distressed. The houses of many inhabitants were freely thrown open to afford accommodation. Fortunately, however, it was not found necessary to trespass on their good nature to a very great extent, as it so happened that near the destroyed cottages were a number of newly built dwellings, erected by Mr. Thomas Sanders, which that gentleman kindly placed at the disposal of those who needed shelter, and to those many transferred what furniture they had been able to save, and made themselves as comfortable as their altered circumstances would allow. The Rev. E. Templeman allowed the Bede-house to be used for the purpose of storing furniture, while the Mayor (Mr. J. Higgins) lent the Town Hall, and Mr. T. Sanders, his malt-house for the same object.

The Vicar, The Mayor, and other of the better class of inhabitants, were most liberal in their offers of assistance, While Mr. W. Simpson made it his duty to go round in the evening and satisfy himself, on behalf of those kindly disposed persons, that no distress went unrelieved. It was also decided to hold a meeting in the morning of the magistrates and other benevolently disposed people for the purpose of forming a distress fund. In addition to those gentlemen mentioned, others who were at the fire and who offered kindly assistance were the Hon. T. W. Fitzwilliam, F. U. Sartoris, Esq., Mr. C. Simpson, Mr E. B. Randall, Mr. W. J. Lamb, and many others. The property destroyed, we may add, belonged to the following owners:- The Swan Inn, to Mr Campbell Praed; the two adjoining houses, to Mr. T Saunders; and the remainder to the executors of the Hon. G. Fitzwilliam. The property, we believe, was not insured, nor was any of the cottagers' furniture.

The following is a list of the names of the occupiers of the cottages which have been destroyed:-

- G. Kilsby, wife, six children-lost nearly everything;
- Henry Wright, wife and two children;
- Charles Flawn and wife;
- Mary Miller, infirm widow-lost everything
- Alfred Blackwell, wife, and seven children;
- Elizabeth Blackwell, widow and four children-lost all clothing and most of furniture;
- Charles Groom, wife and two children;
- William Mason, wife (recently confined) and seven children;
- Mrs Park, widow, her grandson and his wife;
- Thomas Pack, wife and one son;
- Thomas Denton (who has been seriously ill for the last twelve months), his wife and three children-lost almost everything;
- Elizabeth and Eliza Parker, and nephew and niece;
- William Pack wife and three children;
- William Wagstaff, wife and son-lost his savings, which were considerable;
- William Riseley (who has been ill for some years), his wife and two children-lost everything;
- William Linnett, wife and eight children;
- James Draper, wife and four children;
- William Warner, wife and four children-lost everything;
- Eli Bailey, wife and seven children-lost almost everything. While Bailey is very ill, and one of his children was removed while suffering from severe illness;
- Edward Scholes, niece and two lodgers-lost everything;
- George Parker, daughter, her husband and two children-lost a lot of machine closer's work, entrusted to him to make up for a London firm for whom he worked;
- Allen Draper, wife and three children;

- Mrs Perkins and her brother (in one part of the house), with John Mayes, wife and four children (in other part), one of the latter very ill-reported loss of £40 cash in house;
- Thomas Randall, wife and four children-lost everything;
- Sarah Kingston, widow, with orphan niece and nephew-lost everything.

Tuesday night, which proved a very boisterous one, passed without any alarm being given of another outbreak. When morning dawned, the sun's bright rays showed with remarkable clearness, the outlines of the smouldering ruins which the fire had caused. A very high wind was blowing, and by many it was feared some of the chimneys, which were exposed with but treacherous support, might be blown down. Up to noon, however, no such thing had occurred. The families who had occupied the houses passed the night fairly well, and were visited this morning by Dr. and Mrs. Crewe, who were solicitous in their inquiries as to the health of the unfortunate people, and careful to observe that the necessitous were duly provided for. The occupants of the houses we may state were a thrifty class. They paid comparatively low rents, but expended considerable sums in improving the property. The losses of some are serious. Thus G. Parker, it is estimated, has suffered to the extent of some £200, a new workshop he had built having been destroyed, together with a large quantity of work he had finished for a London firm, besides the damage to his machine.

James Pack, Charles Groom, too, are others who have also lost what to them is no small sum in the improvements and additions they had made to the premises they occupied. We have remarked above the readiness of the inhabitants generally to assist in extinguishing the fire; but an instance of another kind has been mentioned. It is stated on authority which is beyond question—that as a number of men were unconcernedly looking on at the conflagration, Mrs. Templeman inquired of them whether they were not going to assist in subduing the flames. The answer returned was "who's to pay"? Whereupon the vicar's good lady, remarking that a woman could show a man how to work, took her stand among the ranks of bucket-passers, and did her best to help stop the progress of the fire and at the same time stimulating others to do the same by her example. This instance, however, it is but just to state, is the only one in which we heard of any one showing an unwillingness to give their assistance.

ANOTHER ACCOUNT

"A Rushden Clicker" sends the following account:- At one o'clock everything was as usual, the weather was fine but it was very windy. When Mr. Nicholls's men were going back to work after dinner, at half past one, some of them noticed the roof of the Swan Inn smoking. Dr. Crewe, who was also passing at the time, smelt a strong smell of burning, and went in to inquire if anything was on fire. The thatch then commenced to flare, and although it was then only about as large as a man's hand, the wind soon puffed it into a strong blaze, and in ten minutes the roofs of about fifteen houses on the one side of the street and twelve on the other were all in flames. I had finished my dinner, and was just thinking of getting ready to go back to work, when we heard there was a fire at Higham. I sent out directly, and got there about twenty minutes to two, just when the fire was at its height. I never saw such a big fire in all my life. As far as one could see through the smoke, on both sides of the street, the houses were all one blaze of light. Men were halloaing, women were crying, children screaming, the fire roaring, and the roofs of the houses falling in one after the other. Rushden fire engine soon put in an appearance, and in a minute or two both Rushden and Higham engines were in full swing. Everybody in Higham, and most people in Rushden and the adjoining places, where the news was carried to, gave up work for the day, so there was no lack of hands to work the engines; and when the Wellingborough Brigade appeared upon the scene the place was crowded.

The women who were not employed in removing their own or their neighbours' property, turned out to help the men in handing buckets of water to supplement the efforts of the firemen. Right up the street there was a double line; the men on the one side handing the buckets of water to the scene of action, and the women on the other returning them to be replenished hand to hand. After the fire had been got under the place presented a pitiable scene in the extreme. Twenty seven houses, which two hours before were happy homes, were now completely gutted; while the occupants, some of whom have lost their little all, were turned out into the cold March wind without a place to call their own. One man had only saved his shirt and trousers, while his wife and children had only what they stood upright in. One poor woman, who was confined the day before, had to be taken from her bed and removed to a place of safety. At the Swan Inn there was about forty bushels of potatoes, which were all really "roasted"; and immediately opposite, two pigs that had been killed in the morning met the same fate.

A DISTRESS FUND FORMED

A public meeting was held in the Town Hall on Wednesday morning, for the purpose of establishing a fund for the relief of the distress caused by the disastrous fire. There was a good attendance, and a noteworthy fact was that several gentlemen were present from neighbouring villages. The Mayor (Mr. W. J. Higgins) was voted to the chair, and among those in attendance were the Rev. E. Templeman, Hon. T. W. Fitzwilliam, F. U. Sartoris, Esq., Mr. Campbell Praed, Spencer Pratt, Esq., Mr. Wetenhall (Stanwick), Mr. W. A. Pope (Stanwick), Mr. H. Packwood (Rushden), Dr. Crewe, Mr. Thompson, Mr. W. Simpson (deputy recorder), Mr. J. Saunderson, Mr. C. Simpson, Mr. E. B. Randall, Mr. S. Whyman, Mr. J. Lamb, Mr. G. Shelton, Mr. H. Saunders, Mr. T. Saunders, Mr. A. Groom, Mr. W. Spong, Mr. J. Spicer, Mr. J. Sargeant, Mr. B. Flintham, Mr. C. Parker, Mr. F. Turner, Mr. S. J. Joll, &c.-The Mayor explained that the object of the meeting was to take into consideration what relief could be given to the sufferers through the destructive fire of the day before. That the case was one of the greatest urgency he need not say, and he therefore hoped, as many gentlemen were present, speakers would be brief in their remarks, so that they might commence their task in earnest, with as little delay as possible.-Rev. E. Templeman remarked that the ruined walls and roofless cottages spoke more eloquently than any words of their own in support of the object they had met to promote. There had been a great calamity in the place, and their object was to remedy the distress and suffering it had caused as well as they possibly could.

With this end in view, he proposed "that the following committee be appointed for collecting and administering the funds for the relief of the sufferers by the fire of yesterday, with the power to add to their number:- The Mayor, Mr. W. Simpson, Mr. E. B. Randall, Mr. G. Shelton and Mr. T. Saunders; and that the following ladies be asked to assist the committee in its work, viz:- Mrs. Templeman, the Mayoress, Mrs. Simpson, and Mrs. Crewe." The rev. gentleman went on to say that he did not think they could decide exactly what had to be done at the present moment, as it would be necessary for them to go minutely into the circumstances of the persons who had suffered from the fire. One thing was quite certain-they would want money, but how much they did not know. In such a position it was only natural they should look for some assistance to a gentleman, who, directly he received the news announcing that the town was on fire, ordered a special train, and arrived on the spot with the greatest promptitude. (Hear, hear) He referred, of course, to the Hon. T. W. Fitzwilliam (applause), who represented the owners of nearly the whole of the property in Higham Ferrers. They were quite willing to do their part in carrying out the details of the work, but they must look to him to help them peculiarity in the matter. He (the speaker) had brought a bag with him in which to receive contributions, and had placed in it as his humble subscription to the Distress Fund.-Mr. W. Lamb seconded the motion.- Mr. F. U. Sartoris read a letter he had received from Captain Arkwright, stating his regret at being unable to attend, and his willingness to help the fund which was being formed.- Mr. Campbell Praed wished to know if the losers by the fire were to be fully compensated, or only temporarily relieved?-Rev. E. Templeman said he did not think they could undertake to compensate all fully; but that would depend upon the amount of money subscribed.-Mr. Praed supposed, then, that any one who was not in impoverished circumstances would not be compensated.-Rev. E. Templeman replied that the fund was purely a charity.-Hon. T. W. Fitzwilliam observed that any compensation that was given would depend on the amount raised. If they were able to place the people in the position they occupied before the fire, they would be only too pleased to do so; but to do that it would be necessary to raise a considerable sum. As far as the Fitzwilliam property was concerned, he was not in a position yet to state what would be done, but he was sure the Marquis of Bristol (one of the trustees of the estate) would be glad to meet the matter in a liberal way. (Hear, hear) He had no authority to pledge the Marquis, as he had not had an opportunity of communicating with him. He would, however, write him that night, and communicate his answer to the Mayor as soon as he could. (Hear, hear)- Mr. F. U. Sartoris suggested the advisability of those present guaranteeing a sum of or so that the committee might draw at once and proceed with their work of relieving the distressed.

The only doubt in his mind was whether they should do this, or put their names down for a definite sum at once. In any case, however, he thought an appeal might be made to the neighbouring villages for assistance. (Hear, hear)-Rev. E. Templeman said his idea was that they would require money at once, and that was the reason he hoped they would subscribe something at once.- Mr. W. Simpson said it was absolutely essential the committee should have funds at once. There were many cases in which the people were absolutely destitute. They had nothing whatever but what they stood upright in, and therefore the committee, to be of any service, should have funds at its disposal at once. (Hear, hear) As to how far the compensation would go, that was a matter which could only be decided when the committee

knew what funds they had to dispose of. The previous evening he had spent several hours in ascertaining what the loss the people affected by the fire had sustained, and he discovered that they had saved very little indeed, and but a very few had saved anything considerable out of what they had. Therefore, he believed they would require a large sum, but he did not despair of seeing it raised. The people of Higham Ferrers were quite prepared to do their duty in the matter, and he did not think it would appeal to others who lived in the county to help them in vain. That this expectation would in all probability be fulfilled was strengthened by the fact that several gentlemen from neighbouring villages were present at that meeting to show their practical interest in the matter in hand. This disaster was too great for Higham to cope with alone and unaided, but they had every confidence in the liberality of outside people.

The speaker (who, we should explain kindly acted as secretary,) then invited gentlemen to subscribe, observing that no doubt the Corporation would like to contribute something.-The resolution having been carried, alderman Randall proposed, and Alderman Saunderson seconded, that be paid out of the Corporation Fund towards the list of subscriptions.-This having been agreed to, the subscription list was circulated, and after a short interval showed a total amount subscribed in the room of The chief contributors were:-The Corporation Mr. Campbell Praed, Mr. F. W. Sartoris, the Mayor Hon. T. W. Fitzwilliam, Mr. W. A. and Mrs. Pope £10 each; Mr. Wetenhall, Mr. Spencer Pratt, Rev. E. Templeman, Messrs. Ward and Sheffield (Earl's Barton), names of the Rev. E Templeman, Hon. T. W. Fitzwilliam, and Mr. Campbell Praed were added to the committee; and, on the motion of the Chairman, a hearty vote of thanks was accorded to the gentlemen who had so liberally responded to the appeal which had been made.-Mr. H. Packwood (Rushden) suggested that the religious bodies of the neighbouring villages of Raunds, Irthlingborough, Finedon, Rushden and Wellingborough should be asked to allow collections at their services in aid of the Distress Fund. He felt certain there were any comparatively poor people who would be glad to show their sympathy to the distressed by subscribing their pence or their sixpences; and speaking for his own little place (the Union Church), he could say they would be only too pleased to have one, or even two collections in aid of the fund next Sunday. (Hear, hear)-On the motion of the Rev. E. Templeman, seconded by Mr. F. Turner, a hearty vote of thanks was conveyed to the Mayor for presiding, and the proceedings terminated.-Subsequently the committee met and requested the ladies to visit the distressed during the day and relieve the cases of necessity. In the evening another meeting was held in order to take the various cases into consideration.

FROM THE RECOLLECTIONS OF ROBERT BERNARD BLACKWELL IN 1987 (GRANDSON)

I've just picked up a letter from the ex Ivy Kemshead, Ivy Smith and she gives a bit of information here about Dad's family. She said to Gilbert, "Do you want to know who Grandma Blackwell's mother was. She was a Miller. I don't know if you remember Uncle Jim that lived under the old walnut tree, he was Grandma Blackwell's brother. Then there was Nell Johnson and Jane Burdett, two sisters and I think there was another brother but cannot call to mind at the moment." She said mother used to take us visiting her grandmother. They lived up on old (yard?) .. Well I can't remember Uncle Jim, I was too young. Anyway that was part of it. They came from the bottom end of Higham where there was the old village green that they used to have years and years ago..... Usually a triangular strip of ground with a road running along one side and two on an angle leading to another street out the other end. Well that's where they lived. The main road to London went past the front and then there was the one angled on the left hand side, one on the right, they angled.....,made like an equilateral triangle and down where the two other roads these very narrow lanes met they entered a road which went down to the river and ?????????????? but anyway that's where they lived. And there was this enormous walnut tree, it was an enormous thing, I think hundreds of years old, been there for god knows how long. With a great triangular strip of ground, it grew in the middle and these houses ran down there. There was about five houses on each angle. Old stone houses with thatched roofs. The Council there had occasion one time to dig up this green, put a trench across it and we kids of the village were in our element. We went down there, and I know I bore in triumph home to my mother a human skull, minus the bottom jaw, but it had the top jaw in with the teeth, and Gilbert he had a leg bone, finger bones and that sort of thing. We thought they were great. Mother chased us out of the house, threatened she'd damn well tan our backsides if we didn't take them back and put them where we got them. Anyway we took them back, we didn't like doing it but we had to. Took them back there and there was a great stack of them; skulls, leg bones, thigh bones, anything you could mention, it was all piled there in a heap. The story went around that it had been a battlefield a couple of hundred years ago, but I think more than likely it could have been an old grave yard, I don't know Geoff. Anyway, the bones were all decently re-interred into a fresh spot. But I'll never forget that, all these white bones, all sorts. Well these old thatched cottages, well that's where I think the Millers lived, down there that was the bottom end of Higham [Ferrers] . But as I say, I was so young when I lived in Higham, when we left there I was barely 8.....so my memory of things is not really brilliant and the relations, I

do know Geoff that in Higham, practically every second person that we met was a cousin or a relative by marriage of some kind, there was dozens of them there. But I never met I was too young to know and even to be interested.

William Blackwell b. 1867

The family story was that William left England around 1909 on the ship Arawa and travelled to Melbourne, Vic, Australia, where he found work and earned enough money to send for his family about 2 years later. It was thought that William's intended destination was Western Australia, but it now appears that story was inaccurate.

We now know that William Blackwell left London, England on the ship the Arawa which sailed on the 3rd of September 1910 and arrived in Hobart on the 15th March 1911. How and when he arrived in Melbourne is unknown. It is not known if the Arawa docked in Melbourne and William disembarked, or if he went to Hobart and somehow made his way to Melbourne at a later time.

Ada Primrose left England on 9 October 1911 on the Ship Demosthenes on a 54 day voyage to Melbourne, Vic, Australia, to meet her husband. With her were her step daughter, Inez, 19, and children Doris 15, Gilbert 14, Bernie 11, Vincent (Toby) 9, Ethel 8, Douglas 6, and Phyllis 3.

William met his family in Melbourne. He was share farming at Allambee at the time. As there was no work at Allambee for Inez, she remained in Melbourne. The remainder of the

family travelled to Allambee with William. Some time later, William was seriously gored by a bull at Allambee and was unable to return to work on the farm, so after approximately 2 years at Allambee, the family moved to Nar Nar Goon, Vic, Australia, where William opened a boot makers shop. Robert Bernard Blackwell recounted how Allambee was totally covered by huge redgums and the family would lie in bed at night and hear the trees cracking and falling down in bad weather. One of the jobs on the farm was to clear the gum trees.

Inez had a dispute with her step mother a few years later and was never seen or heard from by the family again. I was finally able to trace Inez in early 2012.

William married **Evangeline ADAMS** [1296], daughter of **Frederick Augustus ADAMS** [1320] and **Sarah ALLEN** [6642], on 5 Oct 1890 in Northampton, Northamptonshire, England.²⁶³ Evangeline was born on 21 Mar 1867 in Long Buckby, Northamptonshire, England,²⁶⁴ was christened on 18 May 1879 in Higham Ferrers, Northamptonshire, England,²⁶⁵ died on 17 May 1892 in Higham Ferrers, Northamptonshire, England,²⁶⁶ at age 25, and was buried on 21 May 1892 in Higham Ferrers, Northamptonshire, England.²⁶⁷ The cause of her death was Idiopathic anemia syncope. They had one daughter: **Inez Beatrice**.

General Notes: Evangaline's father's occupation was given as grocer on her birth certificate and on her marriage certificate his occupation was given as railway guard.

It is possible that Evangaline was raised by her Aunt and Uncle Thomas and Maria Draper. There is an Eva Adams in the 1871 Eva Adams is said to be a "visitor" and 1881 census she is

recorded as "niece" and is living with the Drapers at 3 High Street, Higham Ferrers. Both the Drapers worked in the shoe industry. The age and place of birth matches that given in the 1891 census after Evangaline married William Blackwell.

In 1891 William and Evangaline were boarding with Thomas and Maria Draper and Maria's father David Allen was also living at the same address. This proves that Eva Adams, who had lived with the Drapers since she was at least 4 years of age, is the correct person, and that Ann Maria (Maria) Draper was Ann Maria Allen, the sister of Evangaline's mother Sarah Allen.

Witnesses to Evangaline and William's marriage were Beatrice Adams and Henry Garwood. Maria Beatrice also recorded as Beatrice Maria Adams was Evangaline's sister who later married Henry Garwood in 1891.

In 1871, Eva's mother, Sarah, was living with her parents and there is no mention of her husband Frederick Adams. She has two children living with her at this time the youngest is Beatrice who was 4 months old at that time. In 1881 Frederick Adams living in Nottinghamshire, occupation is pilot guard (rail). At the same census there is a housekeeper, Ann Wallis and her son Augustus Wallis and 10 children recorded with the surname Adams. All are listed as Frederick's sons and daughters. These 10 children include the two who had been living with Sarah in 1871, but there is no mention of a wife, although Frederick's marital status is recorded as married and the youngest child recorded is only 2 years of age. I have found a Sarah Adams who died in 1879 in Shardlow, Derbyshire.

I have now discovered that Eva's father Frederick Augustus Adams married Sarah Allen and they had 6 children of which Evangaline was the eldest. Sarah died when her youngest child was about 1 year old, in 1879. One year later, in 1880, Frederick married a widow, Elizabeth Fritchley (Choulenter) who had 6 children of her own, including a set of twins. It is possible that within a year of their marriage Elizabeth was placed in a lunatic asylum and that is why Frederick had a housekeeper to assist with the children. By 1891, Elizabeth is living with her husband and family at Ashton under Lyne, Cheshire, England. In 1901 Elizabeth is staying with her daughter Ellen Jane Wheeldon (Fritchley) in Long Eaton, Derbyshire, England. I have been unable to find Frederic Augustus Adams in the 1901 census. Frederick is listed as a widow at the 1911 Census and he is living with his son Frederick Allen Adams in Dukinfield, Lancashire, England.

It would appear that Sarah's sister Maria Draper and her husband Thomas had no biological children of their own but took charge of Evangaline's upbringing some time before 1871.

1111531831-**Inez Beatrice BLACKWELL [1555]** (F) was born on 18 Jul 1891 in Higham Ferrers, Northamptonshire, England,²⁶⁸ was christened on 12 Jun 1892 in Higham Ferrers, Northamptonshire, England,²⁶⁹ died on 16 Apr 1979 in Ryde, NSW, Australia,²⁷⁰ at age 87, and was cremated on 18 Apr 1979 in Sydney, NSW, Australia. The cause of her death was myocardial failure, atherosclerotic cardiac disease.

General Notes: On arrival from England, Inez remained in Melbourne as there was no work at Allambee for her. She worked for a Church of England Minister at Malvern. She travelled to Nar Nar Goon from time to time to visit her family. Apparently, Inez's stepmother was very hard on her. One day whilst Inez was visiting her family at Nar Nar Goon, Inez and Ada Primrose had an argument and Inez left.

Inez returned home once and was greeted in an unfriendly manner on the doorstep by one of her half sisters and had an argument with her step mother. At this she turned on her heel and left. By the time her brother went after her, there was no sign of her and she never contacted her family again.

Despite exhaustive searching for details no trace or Inez had ever been found and the family thought it possible that Inez returned to England, however no-one knew for sure.

Inez Beatrice Blackwell
Inez Beatrice Blackwell

In January 2012 I decided to renew the search for Inez and found her in the electoral rolls in 1919 living at 10 Kent Street, Kew, Victoria. Her occupation was listed as confectioners assistant. I then found a marriage of an Inez B Blackwell to Eric W Williams in Sydney, NSW and decided to apply for the marriage certificate. I did a search of the electoral rolls and Inez Beatrice Williams lived at "Kianinni, Cornelia Street, Punchbowl from approximately 1931 although was unable to find that her husband Eric was living at the same address at any time from 1931 onwards. In 1943 her address was listed as 43 Cornelia Street Punchbowl and the address remains consistent until 1968. I searched deaths from 1968 and found the death of Inez Williams in 1979 in NSW and her parents are listed as William and Evangeline. So after all these years we have finally located the missing Inez. Inez husband died after only a few years of marriage and they had no children.

Marriage and death certificates arrived on 16 January 2012. The marriage certificate states that Eric was a Commercial Traveller who lived at Gordon, and that Inez normal occupation was home duties and she was living at Wentworth Falls at the time of the marriage. They were married at St James Church of England in Sydney and the witnesses to the marriage were William H Willington and W Willington.

Inez died in a nursing home at Aurolus Street, Ryde. Her marital status on the death certificate is given as widow, and she was cremated at the Northern Suburbs Crematorium in Sydney. I contacted the crematorium where Inez was said to have been cremated, in 2000s when I discovered what had become of Inez, but they could find no record of her cremation.

There was a death notice placed in The Sydney Morning Herald on 19 of April 1979 from her dearly loved friends, Shirley and Bill and nana to Jill and Sharon. The notice says she was privately cremated. I contacted the crematorium where Inez was said to have been cremated, but they could find no record of her cremation.

Noted events in her life were:

- She had a residence in Higham Ferrers, Northamptonshire, England on 31 Mar 1901.²⁷¹
- Her obituary was published in the Sydney Morning Herald newspaper on 19 Apr 1979 in Sydney, NSW, Australia.

General Notes: Eric died at his residence, Kia-Ninni, Cornelia Street, Punchbowl at the age of 39 years.

William next married **Ada Primrose DARLOW** [1282], daughter of **William DARLOW** [1293] and **Sarah HOLLAND** [1292], on 21 Dec 1893 in Kettering, Northamptonshire, England.²⁷⁴ Ada was born on 5 Mar 1874 in Dearnley Wuerdle, Lancashire, England,²⁷⁵ was christened on 10 May 1874 in Rochdale, Lancashire, England,²⁷⁶ died on 29 Apr 1942 in Pakenham, Vic, Australia,²⁷⁷ at age 68, and was buried on 30 Apr 1942 in Pakenham, Vic, Australia. The cause of her death was Cerebral haemorrhage, arterio sclerosis and vascular degeneration. Other names for Ada were Primrose Blackwell and Primrose Darlow. {WikiTree ID: Darlow-42} They had ten children: **Sarah, Doris Augustus, Gilbert Darlow, Robert Bernard, Hugh Vincent, Ethel Violet, Douglas Lancelot, Phyllis Primrose, Eric William** and **Paul Carlisle**. {WikiTree ID: Darlow-42}

— Ada Primrose Blackwell nee Darlow —

General Notes: Whilst her birth was registered as Ada, she was christened Primrose, and was always known as Primrose, she was born at Dearnley Wuerdle, in the sub district of Wuerdle and Wardle, Registration district of Rochdale, County of Lancaster. Wardle is a village within the Metropolitan Borough of Rochdale, in Greater Manchester, England. It lies amongst the foothills of the South Pennines, 1.8 miles (2.9 km) east-southeast of Whitworth, 2.5 miles (4 km) north-northwest of Rochdale and 12 miles (19 km) north-northeast of the city of Manchester.

Wardle is historically a part of Lancashire, The name Wardle is said to be derived from "Ward Hill", implying "fortified place". Brown Wardle Hill overlooks the village from the north, its name being derived from the Celtic word bron meaning "round".

Wardle, the most northerly settlement in Greater Manchester, encompasses small parts of Smallbridge and Dearnley urban areas contiguous with Rochdale. Lying within the historic county boundaries of Lancashire since the early 12th century, Wardle was anciently linked with Wuerdle, and lay within the township of Hundersfield and parish of Rochdale. Wuerdle and Wardle would later split from Hundersfield to form a township of itself, still within the parish of Rochdale and in the hundred of Salford.

Primrose was christened at St John the Baptist Church in Smallbridge in 1874, the same day as all her siblings other than the youngest who was not born until 1878

In 1870-72, John Marius Wilson's Imperial Gazetteer of England and Wales described Smallbridge like this:

"SMALLBRIDGE, a village and a chapelry in Rochdale parish, Lancashire. The village stands on the river Roch, 2 miles NE of Rochdale r. station; and has a post-office under Rochdale, and numerous factories. The chapelry was constituted in 1844, and curtailed in 1867. Rated property, within the original limits, about £15,000. Pop. in 1861, of the original chapelry, 5,644; of the chapelry as curtailed in 1867, 3,554. The property is much subdivided. The living is a vicarage in the diocese of Manchester. Value, £425. Patron, the Vicar of Rochdale. The church is good; and there are chapels for Independents and Methodists, and a national school."*

It appears that Primrose's parents moved to Lancashire after the 1871 Census. It has recently been found that there was another sibling Charles Henry Darlow, (not known to us until 2013) who was also born in Lancashire in 1872 and died and was buried in Lancashire in 1875. In 1878, the youngest child of William and Sarah Darlow was born in Northamptonshire so presumably they returned to Kettering between 1875 and 1878.

In the 1881 Census Primrose was living at Bridwell Lane Kettering and her occupation was scholar, with place of birth given as Burnley, Lancashire.

At the 1891 Census Primrose was living at 12 Eden Street, Kettering and her occupation was dressmaker with place of birth recorded as Rochdale Lancashire.

At the 1911 census, Primrose was the head of the house, as William was in Australia. She was living at 6 Upper Street, Kettering, and her occupation was given as shoe trade Eyeleter.

Primrose left England on 9 October 1911 on the Ship Demosthenes on a 54 day voyage to Melbourne to meet her husband. With her were her step daughter, Inez 19, and children Doris 15, Gilbert 14, Bernie 11, Vincent 9, Ethel 8, Douglas 6, and Phyllis 3.

The remainder of the family travelled to Allambee. Some time later, William was seriously gored by a bull and was unable to return to work on the farm, so after approximately 2 years at Allambee, the family moved to Nar Nar Goon where William opened a bootmakers shop.

GARFIELD

On Saturday evening two boys, William and George Pettman, were running behind a cart loaded with chaff. The elder, William Pettman, got right under the cart, holding the axle. Being ordered by the driver to shift, the boy ran to the front of the vehicle, and endeavoured to climb on to the load, but lost his balance and fell. The wheel passed over his chest, and slightly grazed his face. The driver carried the boy into the nearest house. He was afterwards examined by Mr. Owen, M.B., who ordered his immediate removal to the Melbourne Hospital.

Service Number - 2419. Bill enlisted at Tynong on 3 May 1915. His parents were living at Bunyip at the time but later moved to North Melbourne. Bill was 5' 8 1/2" tall, 143 lbs and his complexion is described as fair, with blue eyes and brown hair. Bill was employed as an orderly at the General Hospital at Suez for several months in 1915 and arrived in England in 1916 from where he was sent to France. Bill was detached to a Tunnelling for some time. He was reported as missing in action in April 1917 but was later found to be a Prisoner of War in Germany. He was interned at Soltan Hanover in Germany and had been wounded (gunshot wound) when he arrived there. In the paperwork that was recovered from the prison camp, Bill lists his "home place" as Nar Nar Goon and in June 1917 he wrote to his sweetheart at Nar Nar Goon, Doris Augustus Blackwell.

He returned to Australia in 1919 and married Doris Blackwell in September of that year. Sadly Doris died in 1927. Bill remarried in 1932 to Elsie Muriel Robinson. Bill died at Elsternwick in 1952.

Death of Mr G D Blackwell

Mr Gilbert Darlow Blackwell who passed away in the Heidelberg Repatriation Hospital on August 26th after suffering from poor health over the past 12 months, was an old Nar Nar Goon Resident.

He was the eldest son of the Late Mr. William Blackwell, who conducted a boot and repair shop in Mulcare Street, Nar Nar Goon for very many years.

Gilbert Blackwell was born at Kettering, Northamptonshire, In England in 1895, and migrated to Australia with his parents and brothers and sisters at the age of 15 years, arriving in Australia in 1910. [actually December 1911].

The family took up farming at Allambee in South Gippsland till 1912 and then moved

to Nar Nar Goon, where Mr William Blackwell purchased the boot business.

Gilbert worked at various occupations (farm work etc.) around Nar Nar Goon until the out-break of war in 1914, when he enlisted in the A.I.F. and served with the 4th Vickers Machine Gun Battalion in France for the full period to the end of the War in 1918.

Whilst awaiting repatriation to come back to Australia, he spent leave in England and returned to the place of his birth, Kettering and married a former school pal. He brought his bride back to Australia in 1919 and took up residence at Ormond. He was engaged in the trade of coach painting and sign writing in which he was a top class tradesman, for many years and he took over the business of Grant Bros. body works, coach painting and sign writing in Station Street, Malvern, which he conducted successfully till he retired in 1965. (Additional to this article:- from the family..... He took over the business of Grant Bros Body works, coach bulding and sign writing in Station Street Malvern, he conducted a successful business until in the 1950's the building was sold. His son in law and he then purchased a service station in East Kew, where both he and Annie resided until they went under. They then purchased a house behind the shops in Shepardson Avenue Carnegie.

Whilst he resided in Ormond (and Carnegie) he and his wife were actively associated with sporting bodies (especially cricket).

His greatest love was his Church, and he was very active in the Church of Christ in North Road, Ormond, from 1922 till his death. He served in every conceivable way - Sunday School teacher, Bible classes, secretary, superintendent - he was indeed a very Christian man which was shown by the huge attendance at the Church service and the wonderful tributes paid him by the Minister.

Mr Blackwell's wife predeceased him two years [actually five years] ago after a marriage lasting 50 years. He is survived by two married daughters - Mrs M Knee, of Ormond, and Mrs J MacMillan [sic] of Yarra Glen; sisters, Miss Phyllis Blackwell, Nar Nar Goon, Mrs E Jones, Dandenong, brothers Mr R Blackwell, Clayton, Mr P Blackwell, Dandenong, and Mr E Blackwell Nar Nar Goon.

Mr Blackwell always kept in touch with all the local doings and up to his illness, always came up to Nar Nar Goon at every opportunity. His passing will be a sad loss to all as he was always a cheery and happy gentleman."

At 2.15pm on July 26, 2022 the world lost a very special person. This person was our beautiful, courageous , strong and brave daughter Laura.

Right from her first breath to her last she was our gorgeous baby girl. We were so proud of what she achieved in her short life. She lived it to the full and for the past 8 years shared her love of travel and adventure with her wonderful husband Marco.

3.5 years ago she was diagnosed with aggressive breast cancer and fought a hard fight then but was getting back to enjoying life doing the things she loved. Both she and Marco were back home in Australia in March excited making plans to come home to live in the near future. We were all very excited. Not to be tho. Her cancer returned in April and after a very hard and courageous fight she lost her battle.

Her 3 brothers flew over and we had some good times together as a family. Then her 4 best friends flew over and she was able to spend some time with them.

Sadly she deteriorated slowly each day then very fast the last 24 hours. We have lost my best friend, my confidant and one of the most loving and fun loving girls you could imagine and to me the most beautiful girl in the world. Laura and Marco were the perfect couple. They were both full of love for each other and life in general. They would pack their van and head off wherever with their two beloved rescue dogs Bailey and Cleo. I will never forget the most beautiful, gentle and caring way Marco looked after his beloved wife right to the end. He was and is amazing. We love him so much for that.

Laura may be physically gone from us but her spirit and memories will last forever. Our hearts are total broken.
Sleep peacefully my baby girl. You are no longer in pain.
We love you forever. Xxxxxxxx

The Weekly Times 27 January 1917 page 37 FROM ENGLAND TO AUSTRALIA. Ethel Blackwell who lives at Nar-Nar- Goon, writes. - Dear Aunt Connie-since we have been in Australia we have been taking "The Weekly Times," and I enjoy reading the Childrens page very much. Before we came to Australia we lived in England. This is the first time I have written to you, and I hope I shall be accepted as one of your nieces. I will take for my subject "When we first came to Australia". When we left Kettering, which is the name of a place where we lived, we travelled to London by train, we then took a boat from the wharfs and sailed to Teneriffe, where we stayed for a few hours. We then went to Cape Town, where we stayed a day. We arrived at Melbourne on the 6th of October, after being on the water for five weeks. The first place we went to was Allambee, which is very hilly, and it seemed so quiet up in the country after being so used to a town like Melbourne. We now live at Nar-Nar-Goon, and are now quite used to the country. My father is a bootmaker. My age is 13 years 11 months. I will close, wishing the Young Folks page every success. Please may I write again? [Yes Ethel, I will have you for a niece and you may write again-Aunt Connie]

Douglas Lancelot Blackwell
(1 May 1926)

General Notes: Christened at St Andrews Church, Kettering.

Douglas and his brother Paul married cousins, Theadora Morgan-Dawes and Alma Rose Dawes. Douglas and Dora lived in Dandenong for a short time after their marriage, but later moved to 52 Garfield Road, Garfield to the home of Dora's parents Alfred Dawes and the Morgan sisters to look after them in their old age. They probably had at least 2 children when they returned to Garfield, D. Geoff was born in the house at Garfield so they were certainly living in Garfield by 1933. Dora inherited the house at Garfield when her father died.

According to Douglas's brothers and those that knew him, he was a very intelligent man who was very good at fixing things and working things out. One of the Weatherhead's used to say that Douglas was the cleverest person he had ever met.

In 1937 Dora was expecting her 5th child and her health was not good. Douglas and Dora decided to hire a housekeeper in the short term to assist with domestic duties. They hired Cecilia Ryan, mother of the infamous Ronald Ryan (The last man hanged in the State of Victoria). Pearl Madden recounted a story of the time when Cecilia's Husband Jack came to the house at 52 Garfield Road, Garfield and knocked on the front door asking to talk to his wife. Mrs Ryan did not want to talk to her husband, but he forced his way into the house and, armed with a bread knife, chased Cecilia around the kitchen table trying to stab her and shouting abuse. Pearl Blackwell grabbed her 2 younger brothers, Cliff and D. Geoff and run to the bedroom where the children hid under the bed until the commotion died down. I am uncertain if the police were called or if Jack Ryan simply calmed down and left. Allan Blackwell was born in 25 September 1937 and it is thought that Mrs Ryan left Garfield sometime after that time.

Douglas was blinded in one eye following a childhood accident. He was a dragline/dredge operator and during WW2 he worked for the State Rivers and Water Supply Commission and lived and worked away from home a great deal of the time. He began work at the State Rivers in approximately 1935 and was employed for 1 1/2 years as Fireman on Steam Boilers and then as Operator in charge of Caterpillar Diesel Engine Excavator. In 1939 Douglas began a correspondence course with the "International Correspondence School (A/sia) Pty Ltd. The course was on Diesel engine maintenance and repair which he continued until his death in 1942. There are many "percentage Certificate"s for this course and the lowest mark he ever obtained was 96% which was on the first paper he completed.

In October 1940 Douglas was working at Wodonga, on the Hume Weir. He joined the Federated Engine Drivers and Firemen's Association of NSW and had been a

member of that Union's Victorian Branch up until 12 October 1940. His last letter to Dora from Wodonga was dated December 5 1940. In March 1941, Mr F Honeychurch of the State Rivers and Water Supply Commission at Koo-Wee-Rup wrote to Douglas offering him a position as a second Machine operator. It is assumed that Douglas took up this offer as there is a letter dated 23 December 1941 from the SR & WSC, East Melbourne, Koo-Wee-Rup branch signed by the District Officer introducing Douglas to the Captain Superintendent of Training at the Flinders Naval Depot at Crib Point (now known as Cerberus) and another letter dated 1942 from the Department of Defence, Flinders Naval Depot in the form of a Pass in and out of the depot. There is a letter from Douglas to Dora from the Flinders Naval Base is dated Jan 10th (1942). His next letter is c/- the Country Roads Board and is almost certainly sent from Fulham where he worked for a time. His letters continue to say c/- CRB until May 11th, 1942, when the heading changes back to SR&WS, and the location changes to Sale from May to September 1942. He was working on the sewerage system in the area. After the Sewerage was completed it is thought that Douglas worked on the construction of the Sale RAAF Base, as there is a Special Pass dated 6 July 1942 for the hours of 0730 -1800 hours daily for the purposes of working. It is possible that Douglas worked on this project for the entire time he was in Sale. Douglas left Sale and went to Townsville via Brisbane.

From the website Airforce.com.au establishment of RAAF Base East Sale "The East Sale aerodrome was named after its location on the eastern side the town of Sale. In 1942, the Commonwealth selected 1,186 acres of land at East Sale for No. 1 Operational Training Unit and a mixture of facilities were constructed between 1942 and 1944. To camouflage its purpose, given its coastal location, East Sale was planned as a village scheme with dummy paths, gardens and dull painting. East Sale Aerodrome was formally established on 22 April 1943." <https://www.airforce.gov.au/about-us/history/our-journey/establishment-raft-base-east-sale#:~:text=East%20Sale%20Aerodrome%20was%20formally,Battles%20and%20a%20Tiger%20Moth.>

There are several references in Douglas's letters to Dora to Sid Black and his wife. Sid Black was a Power Shovel Driver who also worked for the State Rivers and in 1942 was living at 77 Stawell Street, Sale. Douglas sometimes stayed with Sid when he returned to Sale from home at Garfield and then went out the works camp at Sale the following day. Sid's wife sometimes forwarded Douglas's pay to Dora. It is thought Sid's wife's name was Sheila.

There is an enlistment record on the National Archives of Australia website for the Allied Works Council, Civil Construction Corps Register noting Douglas's enrolment to serve from 4 June 1942 as a Drag Line Operator. The records states that Douglas was 5 feet 6" tall and weighed 9 stone 5 lbs. It noted that he had a weak right eye and on 11 September 1942 was ex State Rivers Sale to Brisbane. Under the general remarks section it states 17/9/1942. Wire from Brisbane re destination (see file Maries) deceased see fileeligible for 2 days service leave.

On the 3rd of September 1942 Douglas received a letter from the SR&WSC Melbourne advising that the Allied Works Council was considering sending operators from Machine No's 21 and 27 to North Queensland and asking if Douglas would be interested in travelling up to his machine. His reply is unknown, but his next letter to Dora dated September 13th is from Brisbane. He spent some time at the Allied Works Camp at Chernside in Brisbane.

He left Brisbane to travel to Townsville on the evening of 1 October 1942 and arrived in Townsville at lunchtime on the 3rd of October and were sent out to "The Black River Camp" about 12 miles out of Townsville on the 5th of October. When he arrived at the camp he decided to try to locate the machines he was supposed to be operating. He found the machines at the Main Roads Camp and was upset to find that they had any number of operators for the machines and felt that his trip to Townsville was a wasted one so he went and spoke to the Engineer. The engineer advised that he would have "them" (Douglas & Frederick Ernest Maries of Shepparton) sent back to Melbourne. Douglas's last letter to Dora from the

Townsville camp was dated October 7 1942. His service number was CV26213.

Douglas was in his tent at the Bohle River Civil Construction Corps Camp on the evening of the 9th of October 1942. He and his tent mate Frederick Ernest Maries were to leave the camp to return to Melbourne on the 10th of October. At around 6pm on the 9th, a blast went off from the nearby quarry. Maries was standing at the door of the tent watching the blasting and talking to Douglas about it, and when he did not receive a response from Douglas he (Maries) turned around and saw Douglas lying on his stretcher with a wound to his head. He got help and an ambulance took Douglas to the Townsville General Hospital, but he died from his injuries at around 4.30 am on the 13th of October 1942.

The Bohle River Civil Construction Corps Camp where Douglas was staying was in close proximity to a quarry where blasting was undertaken on a regular basis. It appears that for some time there had been problems with stones from the blasting flying into the camp area and the powder monkey had reduced the charge to try to stop this happening, and discussions had also been held on moving the camp. According to the "powder monkey", Mr Arthur Hill, the camp and quarry were only about 150 yards apart as the crow flies. The powder monkey allowed 15 minutes prior to lighting the fuse and word of mouth and a whistle sounding was used as a warning of the impending blast. The police officer who attended the scene, Arthur Vincent Moylan advised that the tent in which Douglas was located was about 300 yards from No 1 quarry. The stone that was picked up near the tent was weighed and found to be 2lbs 3 ozs. This is thought to be the stone that hit Douglas in the head and caused the holes in the tent.

Dora received a telegram notifying her of Douglas's death. A second telegram was said to have been sent requesting Dora's decision as to whether Douglas's body was to be shipped back to Victoria for burial or whether he should be buried in Townsville. Dora never received this telegram and consequently the authorities buried Douglas in an unmarked grave in the Townsville cemetery. The existence of this telegram is quite uncertain, particularly in view of the fact that McKimmins Undertakers of Townsville buried Douglas at the New Cemetery in West Townsville on the 14th of October, the day after he died. Mr James Henry Joseph Kelly, the Officer in charge of personnel of the Allied Works Camp in Townsville advised that he sent at least three separate telegrams, to the Police at Garfield, the Deputy Director of Personnel in Melbourne and the Assistant Director of Personnel in Brisbane.

Ironically, all of Douglas's brothers served during WW1 and WW2 and all survived, but Douglas who was in the Civil Construction Corp was killed.

Douglas is buried in the Belgian Gardens Cemetery in Townsville. Many years later, family friends, Hector and Jessie Elliot of Pakenham travelled to Townsville and Hector constructed a concrete headstone at Douglas's grave. Douglas's wife Dora was expecting her 7th child when he died. In 1963 Theadora Fenn (Blackwell) paid the Townsville Cemetery Trust to purchase the plot at the Townsville cemetery where Douglas was buried. She paid 10 pounds for the grave number 3, allotment 387, section F, and 2 pounds 2 shillings for the permit fee. This may have been to allow the headstone to be legally constructed, although this is uncertain.

In the Bunyip and Garfield Express during 1938 there are many letters to the editor from Douglas Blackwell and Arthur Fenn against the comments of a Mr Jeffers. This battle seems to have raged for some months and further research will be necessary to understand the story. As digitisation of the Bunyip and Garfield Gazettes from 1938 to 1948 has been completed at the end of 2024, further research will be done as soon as possible.

CCC FATALITY

Struck By Stone

BRISBANE, Tuesday. At the Coroner's inquest into the death of Douglas Blackwell, married, of Victoria, a member of the CCC, held this afternoon, the evidence revealed that deceased on October 9 was sitting in a tent during blasting operations at a quarry 250 yards away. When a companion came into the tent later he found him lying in bed with head injuries. He was taken to hospital, where he died. Police investigations revealed a rent in the fly of the tent and it was apparent deceased had been struck by a piece of blue granite metal. The death certificate showed that death was due to cerebral lacerations and compound fracture.

A coroner's inquiry was held on Tuesday afternoon before Mr. R. H. Allen, Coroner, into the cause and manner of death of Douglas Blackwell, who died at the Townsville District Hospital on 13th. October from injuries received at a Townsville district camp on October 9 during blasting operations. The evidence showed that the deceased had been sitting on the side of his bed whilst blasting operations were being carried out 250 yards away. When a companion entered the tent, he found deceased lying on the bed, with extensive head injuries, and he was conveyed to the hospital. When the police made investigations they found a rent in the fly in the centre and three or four punctured holes in the tent itself. It was apparent that the deceased had been hit by a piece of blue granite metal. Deceased was a married man, from Victoria, and was employed by the C.C.C. A certificate showed death was due to cerebral lacerations, and a compound fracture of the skull. The inquiry, conducted by Sergeant Purtell, was adjourned to a later date, owing to the inability of one witness to attend.

On Tuesday afternoon Mr. R. H. Allen, Coroner, concluded the inquiry into the circumstances surrounding the death of Douglas Blackwell at the Townsville District Hospital on October 13 last. Death was due to injuries received at a camp on October 9, during blasting operations, J. J. Kelly, of the Allied Works Council, gave evidence as to having taken a statement from F. Maries, at the time of the accident. In his statement, Maries stated he, with the deceased, arrived back from town on October 9 at about 5.45 p.m. and were relaxing in their tent. About 5.50, blasting operations were in progress, about 200 yards away. He got off his bed to have a look, and then called out to Blackwell to come and have a look. One blast had blown half the limbs off a tree. Blackwell did not come. Then he heard a thud, and, looking around, he saw the deceased on his bunk, with blood pouring from his ears. First aid was quickly available and the injured man was conveyed to the hospital. The witness stated Maries was not available to give evidence. This concluded the inquiry, which was declared closed.

marriage

Douglas married **Theadora MORGAN DAWES** [241], daughter of **Alfred Thomas DAWES** [1278] and **Frances Mary Ann MORGAN** [1288], on 1 May 1926 in Bunyip, Vic, Australia.³⁵⁰ Theadora was born on 1 Jan 1906 in Iona, Vic, Australia,³⁵¹ died on 21 May 1979 in Warragul, Victoria, Australia,³⁵² at age 73, and was buried on 23 May 1979 in Bunyip, Vic, Australia.³⁵³ The cause of her death was cancer - Dehydration, subacute intestinal obstruction, carcinoma of caecum with secondaries. Dora Fenn (Blackwell nee Dawes)
(Cir 1967)

Marriage Notes: St Thomas's Church. Douglas's occupation given as fireman and Dora's as Home duties. Witness to the marriage were G D Blackwell and A Blackwell.

General Notes: Birth registered as Morgan. Always known as Dora.

Dora lived at Iona with her family and started school at the Iona State School in about 1913. They lived about 1/2 a mile from the Iona Post Office. They moved to Garfield in about 1916 and she attended Garfield State School Number 2724 until at least 1919.

After Dora and Douglas married, they lived in Dandenong for a short time, but returned to the Dawes family home where Douglas and Dora lived at home with her parents and cared for them until their deaths. She continued to live in the house that her father built, at 52 Garfield Road following her marriage and until her death in 1979. Her son, D Geoff, was born in that house in 1933. This house was sold following the death of Dora in 1979 and has since been renovated and sold several times. The original property was several acres, but part of the land was sold separately to Ken Towt, Dora's son-in-law. This piece of land was sold and a house was later constructed on it. Dora's house was situated at 52 Garfield Road Garfield, her son Geoff's house at what is now 46 Garfield Road, Garfield, Cliff's house at 42 Garfield Road, Garfield, Pearl's across the road on the corner of Barkers Road, and Garfield Road, and Beryl's later homes were in Archer Road in Garfield. Pax

lived in Beaconsfield, Eve in Warragul and Alan at Beaconsfield, Upper Pakenham, and later in Drouin, whilst Geoff moved to Wonthaggi in 1973, he has continued to own the house at Garfield as well.

Dora was very family oriented and her home was always the hub of family visits, by both the Dawes and Blackwell families. Even after the death of her husband Douglas, Dora and the Blackwell family kept in touch with each other.

In 1937 Dora was expecting her 5th child and her health was not good. Douglas and Dora decided to hire a housekeeper in the short term to assist with domestic duties. They hired Cecilia Ryan, mother of the infamous Ronald Ryan. Pearl Madden recounted a story of the time when Cecilia's Husband Jack came to the house at 52 Garfield Road, Garfield and knocked on the front door asking to talk to his wife. Mrs Ryan did not want to talk to her husband, but he forced his way into the house and, armed with a bread knife, chased Cecilia around the kitchen table trying to stab her and shouting abuse. Pearl Blackwell grabbed her 2 younger brothers, Cliff and D. Geoff and run to the bedroom where the children hid under the bed until the commotion died down. I am uncertain if the police were called or if Jack Ryan simply calmed down and left. Allan Blackwell was born in 25 September 1937 and it is thought that Mrs Ryan left Garfield sometime after that time.

According to the book "The Hanged Man: The life and Death of Ronald Ryan by Mike Richards, published by Scribe Publications Melbourne in 2002, Cecilia had a son George b. 1915 by her first husband, George Thompson, she and George Thompson separated and she lived with John Ronald Ryan, known as Jack who was the father of Ronald, b. 1925, Violet b. 1927 and Irma b. 1929. Cecilia and Jack married in 1929 and Gloria was born in 1931.

Jack and Cecilia were both alcoholics and Jack was prone to bouts of violence whilst drunk and the children were neglected. Ronald was taken into care in late in 1936 and the 3 girls were taken into care in June 1937.

Following is an excerpt from the book from pages 25 and 26:-

"After losing all her children [Ron, Gloria, Irma and Violet] to wardships, Cecilia [Ryan] made a brave attempt to improve her situation. She had left Jack [Ryan] at Mitcham and taken a position as housekeeper with Douglas and Theadora Blackwell and their family at Garfield in Gippsland on the Princes Highway, some 80 miles south east of Melbourne. Cecilia moved back to Melbourne, where she took a further position as housekeeper for a man named Croaker living at 29 Park Street, Abbotsford. With her living conditions thus improved, Cecilia sought to have her children returned to her, as she had first done whilst at Garfield. In a plaintive letter to the secretary of the Children's Welfare Department, John Henry, Cecilia pointed out that Croaker was willing for her to have all her children with her, as she had been 'caring for his four little children so well':

Mr Croaker here has plenty of furniture and accommodation and as it is better for me to be earning my keep here and having the use of everything I thought I would write and ask if you would please let me have my children now. If not all of them at once surely you will give me little Gloria as she has such a terrible time with abscesses and I know it is only through fretting over me and she will never be well until you let her come to me.

I am away from my husband and got a good position and home and can give you good references from both the people I worked for at Gippsland and this man here to say how well I looked after both homes and children during the mother's absence....."

Mrs Ryan gave Dora and Douglas Blackwell a photograph of herself, Jack, George, Irma, Violet and Gloria, taken prior to the 3 girls being taken into care. Towt - Blackwell

Fortune smiled and the sun shone for the wedding on Saturday of Pax, eldest daughter of the late Mr D Blackwell, and of Mrs Blackwell, of Garfield, and Kenneth, only son of Mr and Mrs P Towt of Bunyip.

The bride who was given away by her grandfather, Mr Blackwell, of Nar Nar Goon, wore a long-sleeved dress of fine french wool with three parallel rows of white embroidered flowers. Her extensive tulle veil was held with fresh flowers matching those that formed her bouquet and trail.

She was attended by Misses Pearl Blackwell and Angela Connelly, who were charmingly frocked in blue net the short veils being held with head-sprays of deep pink rose-buds, carnations and blue hyacinths. The bouquets matched the head-sprays and were finished with wide blue ribbon. Both wore pearls.

The best man and groomsman were Messrs Morris Lobb and Ian Forte respectively, and the service was taken by the Rev. N McLean, who later presided when the guests were entertained to a sumptuous banquet in the Garfield Hall. The bridal party left for Warragul, where the wedding photos were taken in the studio of Mr Frank Prinn.

The many friends of the popular young couple wished them every happiness for future years, when they wil make their home at North Bunyip.

Christopher Madden

General Notes: Chris was a happy healthy little boy. At the age of about 4 years he was visiting his Grandmother with his family and had a fall and broke his leg. Unfortunately it took some time for the family to realise that he had also suffered a blow to his head during the fall and had developed a clot on his brain. Doctors at the time advised that he was too young to have an operation and would have to wait until he was 7-8 years old for the clot to be removed. The family followed the doctors advice and the clot was removed when Chris was about 7 years of age. Sadly, he suffered complications and brain damage. He remained at home for many years but as his parents aged they decided it would be best for him to be placed into institutional care. He spent many years at the Janefield Centre, in Melbourne. When this centre was closed he was then placed in residential care in Cranbourne.

Pearl and Jim had their home at Garfield modified to make Chris's visits easier. Chris came home regularly on weekends, and holidays, and was always happy to see the extended family when they visited. He always knew who his cousins were, and never batted an eyelid when they came in with a new baby, but would always know who that baby was as the years passed, even though he saw them only occasionally.

As his parents health deteriorated it became more and more difficult for him to visit his home and in later years only day visits to his parents home were possible. Whilst he was unable to speak following his operation, he could certainly get his message across. He loved to work in the shed making things, and had a very large collection of keys. His favourite thing to do when he visited home was to watch he Three Stooges and he was extremely fond of sponge cake.

Approximately 10 years before his death he suffered a fractured hip from a fall, and was confined to a wheelchair. His health deteriorated rapidly and he died in 2008, just 2 years after his mother and one year after his father's death.

DouglasHarold Maxwell Blackwell and Michelle Jones (1983)

General Notes: Douglas worked at various occupations on leaving school, including for Smith and Nephew at Wonthaggi and Containers Ltd at Dandenong. He gained employment as a communications technician installing radio equipment and towers for PG Wallace until late 1988. He was living in Glenhuntly, Victoria. He then got a position for another communications firm installing car telephones and the like. He had only been working at the job for two weeks and was on his way to work on his motorbike about 2kms from his home when he hit a speed hump in the road and was thrown into a fence. The accident occurred in Lyons Street, Glenhuntly at the edge of R M Lord Park or Koornang Park. Douglas sustained serious injuries and was transported to the Alfred Hospital where he remained in a critical condition for one month where he died as a result of his injuries. Douglas did not marry or have any children.

Douglas was the second child and only son of D. Geoff Blackwell and Nancye (Bonham). He lived at Garfield, Victoria, Australia, until he was 14 years old, when his family moved to Wonthaggi, Victoria, Australia. Douglas spent some time unemployed after he finished school, and later worked at Smith and Nephew in Wonthaggi and at Containers Limited, a packaging factory in Dandenong, driving from Wonthaggi to Dandenong daily. He moved to Glenhuntly in approximately 1985 where he had obtained a job working for P.G. Wallace and Co, a Prahran based company, who installed, serviced and maintained communications antennas. He worked all over Victoria installing these towers, but most of the work was carried out in the Melbourne area.

Douglas was an early adopter of computer technology and was adept at computer programming. He was also an amateur (ham) radio operator and enthusiast. He assisted in the early stages of organising and installing equipment for the formation of a local radio Station in the South Gippsland area, now known as 3MFM. He was undertaking a course in electronics at the Swinburne Institute of Technology.

The Rialto Towers (often The Rialto) is the second-tallest reinforced concrete building and the tallest office building in the southern hemisphere, when measured to its roof (several other skyscrapers in Australia are taller if their spires are included, as are some other structured in Australia such as communications masts and observation towers). The building is located at 525 Collins Street, in the western side of the central business district of Melbourne, Australia.

The Rialto Towers featured Melbourne's first skyscraper public observation deck which operated between 1994 and 31 December 2009 It was also the location of Melbourne's first Tower running event.

At the time of its completion it was the 23rd tallest building in the world and the 2nd tallest outside of the United States (behind First Canadian Place in Toronto, Canada). Construction of the Rialto Towers was completed in 1986.*(Wikipedia Feb 2012)

P G Wallace and Company installed the communications towers on the top of the Rialto building. Douglas, who was initially very unhappy working at height, soon got used to it, and would proudly recount the fact that he and his workmates used to fly paper aeroplanes from the roof of the Rialto building during its construction and the installation of the communications towers.

Douglas left this job with P.G. Wallace and Co in mid 1988 and commenced working for a company called Australnet Communications that installed car telephones that operated from Mount Waverley. This was an infant industry at the time.

In his younger years Douglas played the cornet in the Wonthaggi Citizens Band, and played competition table tennis at Wonthaggi. He also enjoyed archery. As a child and into adulthood he built and flew model planes, eventually branching out into radio controlled equipment including planes, cars and boats. He competitively raced radio controlled sailing boats on the Albert Park Lake in Melbourne.

As children, Douglas and his sisters learned to ride motorbikes, which were ridden at Garfield on Theadora Fenn's land which was about 6 acres. Eventually Douglas obtained his motorbike licence and rode his bike to work in Melbourne trying to save fuel costs. He had purchased a 125cc racing motorbike which he was preparing to race in 1989.

Douglas was on his way to work at his new job at Australnet Communications, where he had been working for only 2 weeks, when his motorcycle hit a speed hump in the road, only about 2 kms from his home in Glenhuntly. He lost control of the machine and was critically injured and taken to the Alfred Hospital in Melbourne, where he remained in a critical condition for one month, but finally succumbed to his injuries on the 5th of December 1988.

Douglas did not marry or have any children but loved his nieces and nephews dearly.³⁷⁸

I received a message from Malcolm Rigby in February 2025, the son of Jenny's sister Doreen. Malcolm wanted to share his story of Jenny's death here.

The following story is well known in the Rigby family, but not to the wider relations of Aunt Jen.

The events are recorded as true and correct. I offer it so it may be shared with others and they can be comforted in the way she died as the experience comforted me.

Psychic connection with the death of my favourite Aunt Jennifer, 31st Oct 1983, I loved her very much.

BLACKWELL (Johnson) On Oct 31 at Royal Melbourne Hospital, Jennifer Rose Kate. Late of 42 Garfield Road. Garfield. Dearly loved wife of Cliff. Loved daughter of Stella and the late Chris Johnson of Bunyip. Loved Sister of Noel and Lurlene, Doreen, Barbara and Les, Joe and Beryl, Colin and Eve. Loved daughter-in-law of the late Thea Fenn (nee Blackwell). Loved sister-in-law of Pax and Ken, Pearl and Jim, Geoff and Nancye, Alan and Val, Beryl and Don. Aged 39 years. A wonderful wife, safe in God's care.

On 29th of Oct 1983 I was asleep in my barracks in HMCS Stadacona, Halifax Nova Scotia. I was an exchange Submariner part of HMCS Ojibwa's ships company and 17,582 Km from Bunyip. We were to leave port the next morning and go on a

NATO patrol in the North Atlantic, (see analysis 1).

I had a dream of Aunt Jen that night. It was a vivid dream and in colour. I saw Aunt Jen's face and she was trying to say something to me, but struggled to get the words out. Her face was strange to me, one side had loose skin with an eye drooping like a Salvador Dalí painting. She spoke like you would if you had your jaw numbed by a dentist. I kept asking what was wrong and I got this feeling of pain in my head. Then without warning the whole scene went bright white and Aunt Jen's face was as clear as I remember with her smiling at me. She said "that's better now, no more pain. I'm happy, don't cry". With that, her image drifted away and up until it was all white.

I woke immediately and was really disturbed by the dream and how clear it was to me, even now after all these years. It was early morning in Halifax, 31st Oct and late evening 1st Nov in Melbourne. I rang Mum (Doreen Rigby) from a pay phone (no mobile phones back then). On pick up by Mum, I asked "was everything OK at home?". I didn't want to mention the dream in case it had some truth to it. Mum responded, "I have been trying to send a message through the Navy to you. Your Aunt Jenny died yesterday. She had a massive stroke and they couldn't do anything for her". Wow, it hit me like cold water shock. I cried and mumbled a bit about the dream, but I had to ring off, I was running out of money and it all became a bit of a blur.

I slow walked down to the boat (Ojibwa) holding my emotions in check. Not long onboard I was called to the wardroom by the Captain. He showed me a signal from Australia via HMAS Waratah in Washington DC, to notify me that my Aunt had died. Mum had got her message through just before I rang. LtCMD Nicolson had empathy for me, he could see the news was upsetting and asked if I wanted to stay ashore. I said, "no there was nothing that could be done now, I'm better off working". But I thought of that dream and Aunt Jen's words and although sad I felt comforted and strengthened by that experience. Little did I know how I would have to rely on that feeling during this patrol.

On my return to Australia, 6 months later, I went to see Nan (Stella) in Bunyip (April 1984) and told her the story, one to one. She cried, she smiled, we hugged and she thanked me. I loved Nan just as much, I wanted her to know Jen (Kate) was happy and I believe had no pain at the time of her death.

My Aunt Jen loved me unconditionally and I loved her. I believe she is safe in God's care. Our loved ones are never gone, if their name is spoken by the living they instantly return to life. I have thought of her often over the years, I hope those who loved her as I did also gain comfort from this story. I visit the cemetery from time to time.

About Jenny

Jenny was a natural left hander, but attended school at a time when left handed writing was frowned upon and discouraged. She was therefore forced to use her right hand for writing.

When she was an adult she wrote letters with her right hand and ALWAYS swapped the pen to her left hand to write numbers.

Jenny was an accomplished musician who played the clarinet, saxophone and drums. In the late 60's early 70's, Cliff and Jenny formed a small band who played at local dances. Cliff played the bass guitar.

She loved camping, travelling, fishing and golf. Jenny was an accomplished golfer, who won many competitions and trophies locally. A tree was planted at the Garfield golf club in memory of Jenny following her death.

Successful Sunday School Concert

Successful Sunday School Concert

A very successful concert was held in the Garfield Hall on Friday last, in aid of the Church of England Sunday School.

The programme was arranged by Mr. Parish, and evoked much enthusiasm from the large audience.

Every child in the Sunday School was represented in an item. Their names, and the parts they played are as follows :

"Nursery Rhymes" Set to Music: **Beryl and Evelillith Blackwell**, Jill Bassed, Margo Salter, Dorothy Petty, O'Halloran, and Jim Pumphrej" .

"The Biscuit Factory": A short burlesque by the Boys' Class, with John Salter, Bruce Bassed, John

Phillips, Barry Miller, and Clem Mason, as the "black-boys." The Misses Judith O'Halloran, and Margo-Mason were the lady inspectors in the act. -

Another sketch was amusingly acted', by three girls — Phyllis Moore, and Meredith Hodgins were the spinster sisters, while Jill Salter was their mechanical servant. In addition Phyllis Moore sang a solo very sweetly, and while we believe this is her " first concert appearance, we do not think it will be the last;

Other items included solos by Mrs Hill, Mrs. C. Flett, and Mr. Les zjames, also a violin duet by Mrs.McLean, and Miss Cole, of Bunyip. Two sketches were given by the Bunyip Ladies' Guild, and another by the young people of St Mary's Church The latter was presented by Misses Connelly, Marsh, Petty, ;and Messrs.J. Connelly, and L. James. J, - Rev. N. A. McLean compered' the .

show in a witty and efficient manner. -

Great credit, and thanks are due to Mrs. Connelly, who trained the children, and Mrs. Sippo, who worked tirelessly, and was responsible for the many properties which

added so much to the effects. Mrs. Bassed acted as accompaniste.

Eric Blackwell - a tribute by a friend**

In a fine tribute to Eric Blackwell who died on 20 May, well known Pakenham resident, Bunny Drake, described him as "one of nature's gentlemen".

Eric William Blackwell

"We will all miss the kindness, friendship and advice that Eric gave, not by big words but by example." Bunny said. "I cannot recall one mean action by him in all the years I proudly called him my friend."

Born in Berwick in 1915, one of ten children, Eric lived in Mulcare Street, Nar Nar Goon all his life, was a loyal supporter of Nar Nar Goon Football Club, reared eight children and was a skilled Telecom employee at Pakenham where his friendship with Bunny developed.

During World War 2 he served in the 33rd Australian Heavy Anti Aircraft Battery at Milne Bay.

Now, in the sadness of Eric's passing, Bunny looks over those years since the war.

"I was only a casual acquaintance of Eric prior to the war" he says. "I can remember him as a stalwart Nar Nar Goon supporter, hooting Pakenham players whenever they got the ball."

"After the war when he joined us in the P.M.G., now Telecom at Pakenham, my friendship with him grew and so did my admiration of his lovable character."

"He quickly became skilled in the techniques required by postal people and graduated as one of the best cable joiners. It was my pleasure to experience this in the bad old days of blow lamps which always seemed to fail at critical times."

"Such was the skill of Eric that I cannot recall any disasters happening to him. There would be few cable well pits and ducts in South and West Gippsland that escaped the expertise of Eric Blackwell."

"He was a loyal colleague ever ready to help a newcomer and there are many in Telecom today enjoying good positions who owe much of their success to this delightful fellow."

Eric had simple tastes. With eight children he did not have much choice other than to care and provide for his family. He was never in a position to shower money on them but he taught them to make a decent and honest living for themselves.

Always loyal, Eric would arrive by train for work and wait for one to take him home again. Bunny often said "Why don't you shift to Pakenham Eccca? It would be a lot easier for you." But he always replied, "My heart's in the 'Goon Bun. I will put up with the inconvenience to see my days out in the place I love."

And see them out he did. After his retirement, due to failing health, he spent many stints in the Pakenham Hospital and Bunny recalls it was always a pleasure to visit him, to remember the days gone by and never to hear a complaint from him.

He loved his music and a casual drink with his friends, but behind that quiet facade was a strong determination to leave things better for his fellow man than he experienced himself.

"I know I am speaking for everyone when I extend deepest sympathy to his wife, children and other member of his family in their sad and great loss," Bunny said.

Vale Eric William Blackwell you served us well and faithfully.

"BLOCKS ARE QUAGMIRES"

"I wish the Health Officer would take a birds-eye view of the shocking drainage around these parts," wrote Mrs. V. Blackwell, Nar Nar Goon. Paul Blackwell's property had been under water nearly all the year, she declared. The backs of the blocks in Mulcare street were quagmires. It was impossible to walk into the back of any house. There was absolutely no outlet for the water. There was nothing worse than continual dampness to cause T. B., she added. The engineer explained that Mrs. Blackwell's place was further in from the work already done. The fall from Mulcare street was south. The place could not be drained from the end. Cr. Dore moved that Mr. Moore be written to asking if drain were continued, would he be prepared to take the water. Seconded by Cr. M. J. Bourke.- The motion was carried.

St Mary's Church, Higham Ferrers, was the scene of a pretty wedding on Wednesday, when Miss Kathleen Emily Alexandra Sharman, youngest daughter of Mr and Mrs S Sharman, of Lancaster Farm, Higham Ferrers, was married to Ernest Willmott Lack, eldest son of Mr and Mrs E W Lack, of Poplars Farm, Caldecott. The bridegroom is the popular secretary of the Chelveston Football Club.

The Rev B E Owen was the officiating clergyman. Given away by her father, the bride was prettily attired in satin beaute, with an over-dress of georgette, trimmed with pearls and diamante, a bridal veil lent by a friend, with silver shoes and stockings to tone. She carried a bouquet of pink roses, and wore a string of pearls. Miss Ivy Tebbutt (cousin of the bride), Miss Lucy Willmott, Miss Alice Willmott (cousins of the bridegroom), Miss Doreen Munn, and Miss Molly Sharman (nieces of the bride), were the bridesmaids, and they wore dresses of primrose yellow georgette trimmed with green and gold. The elder bridesmaids carried bouquets of pink and yellow roses, and the little ones carried baskets of sweet peas. Mr W Keller, of Rushden, was the best man.

Mr A E Wright at the organ played suitable festal music, and accompanied the singing of the hymns, "Lead us, Heavenly Father," and "O perfect love." The reception was held in the Parish Rooms, Higham Ferrers, and subsequently Mr and Mrs Lack left for Torquay, where they are spending the honeymoon. Mrs Lack travelled in a fawn three-piece suit, and silk coat to tone (the gifts of the bridegroom), and lizard shoes and stockings to match.

About 100 handsome and useful presents were received. Messrs A Abbott and Sons supplied the motors.

Mr. and Mrs. Walker were the recipients of many tangible expressions of felicitations in the shape of handsome articles of silver ware. Councillor Walker is a native of Ringstead, but has resided in the borough for upwards of 40 years, having left his birthplace at a very early age. About ten years ago he was elected, as a Labour member, to the Town Council, in which connection he has done a great deal of useful work, and has earned the high respect and esteem of his colleagues. He has been a member of the Higham Ferrers Boot and Shoe Productive Society for upwards of 16 years. Mrs. Walker is a native of the borough, and a daughter of Mr. and Mrs. Alfred Blackwell, of Town-yard, both of whom are still living, although advanced in years. Mrs. Walker's father is 76 years of age and her mother 74. Both are natives of the borough, and during the whole of their lives have never resided away from the town of their birth. General Notes: In my possession I have a newspaper clipping which is incomplete and undated - this article probably came from a local Higham Ferrers/Kettering English newspaper that Gilbert Blackwell had delivered to Australia regularly. This paper article would have been from around 1971 as Owen was 75 years of age at the time. Owen died when he was 76.

The story relates to the Higham Ferrers British Legion Club and has a photo of Owen Walker sitting with a pipe and a beer at the newly renovated Club. Owen at the time was 75 years of age and had become a member of the club in 1919 when it was known as the Soldiers' and Sailors' Club. Owen thinks the club is one of the best in the area. It gets better and better all the time he says. Owen Walker was living at 5 North End Higham Ferrers and had joined shortly after the club had formed. Owen was described as an ex-foreman clicker who worked at John Whites in the export department when he retired ten years ago and had been a regular member of the Club ever since.

This offensive commenced on the 9th of April 1917 in the area where Charles appears to have been killed on that date.

The Battle of Arras began in a snowstorm on 9th April 1917, when Australian, British, and Canadian Divisions fought on a front from Vimy Ridge in the north (Canadian sector), to the trenches east of Arras (British sector), to Bullecourt in the south (Australian sector). It was hoped that the much-awaited breakthrough might be made here. However, the key purpose of the offensive was to tie down the German army in a joint effort with the French, who were simultaneously attacking on the Chemin des Dames. This latter offensive was a complete and costly failure resulting in mutinies among many French divisions. The Battle of Arras slogged on until mid-May 1917, following a final large-scale attack on 3rd May when casualties were particularly high on the British side. It became the greatest killing battle of the war, with a daily casualty rate even higher than the Somme.

Only an estimated 30% - 40% of the WW1 British military service records have survived due to being destroyed by fire during Second World War bombings, and sadly Charles record appears to be in the 60%- 70% that have been lost.

From the Commonwealth War Graves Photographic Project website, which includes a photograph of the headstone I obtained the following details.

Roclincourt Valley Cemetery (originally called Roclincourt Forward Cemetery No.2) was begun after 9 April 1917 by the units which fought on that day. It was used until the following August when it contained the graves of 94 soldiers, of whom 40 belonged to the 51st Division. These form Plot I, Rows A to E and part of Row F. The cemetery was enlarged after the Armistice when graves, almost all of April 1917 and mostly from the 34th and 51st Divisions, were brought in from the surrounding battlefields and from certain smaller cemeteries, including:- KING CRATER CEMETERY, ROCLINCOURT: a mine crater, it contained 99 burials in five big graves, made by the 34th Division in the middle of April 1917, all dating from 9 April. All but two belonged to the Tyneside Brigades of the Northumberland Fusiliers. KITE CRATER CEMETERY, ST LAURENT-BLANGY, contained 53 burials of 9 April 1917 in five big graves, mainly of the 34th Division. RABS ROAD CEMETERY, ST LAURENT-BLANGY, contained 20 burials of 9 or 13 April 1917, 16 belonging to the 15th or 16th Royal Scots. ROCLINCOURT LONG CEMETERY (called at one time Roclincourt Forward Cemetery No.3), contained 68 burials of 9 April 1917, all 51st Division. THELUS ROAD CEMETERY, ROCLINCOURT, was made by the XVII Corps and contained 42 burials of 9 April 1917, 51st Division. The cemetery now contains 518 burials and commemorations of the First World War. 83 of the burials are unidentified but there are special memorials to four casualties known, or believed, to be buried among them. The cemetery was designed by Sir Reginald Blomfield. (information from Commonwealth War Graves Commission).

KENNA'S EMPIRE MINSTREL CO.

The first performance of Kenna's Empire Minstrel Company, given in the School of Arts Hall, was most successful and received the hearty and enthusiastic appreciation of the audience who demanded the reappearance of many of the performers

From first to last the performance went with a swing, and some of the items of the programme were of the highest order. The performance opened with a full appearance of the company in 'Our Social Party.' a portion of the entertainment that was well appreciated.

The second part consisted of selections by Miss Gertie Mason, who succeeded in pleasing the audience to quite the same extent as in the first part. Then followed Miss Smile Lazern in a really admirable sleight of hand entertainment, which kept the audience thoroughly interested and amused. Mr. Steve Adson followed in his own special line of business, and was twice recalled for his really humorous work.cont

The films presented by Mr. Black are always high class, but on Saturday night he came to the fore with a programme brimful of gems, including two "exclusive photo-plays, "When Pierrette Meets Pierrot" and "A Gipsy's Kiss." Great interest was sustained by - these two pictures, but the applause was no less pronounced when the latest was budget was screened. Mr. Black adhered

to his recent announcement of getting the best of vaudeville turns for his entertainment, and it was in consequence that Mr. Frank Sidney and company were secured at great expense. -They pleased the audience with their sensational act, "A Morning in a Sportsman's Garden." The same may be said of- Miss Gertie Mason, an American dancer, and Breeches, a humorous comedian. The two old favorites. Gale and Sadie, will appear on Tuesday night;

The last mention I can find of Gertie Mason in Australian newspapers is an advert in The Register Adelaide Sat 3 Jan 1920 page 2 advertising.

According to his New York, USA Naturalization Record, Joseph Jaschek was born 15 Jan 1887 in Vienna Australia and departed Sydney Australia arriving in the USA in 1921. He applied for naturalisation on 19 Jan 1921 and sailed on the ship Sonoma. I presume that Florence Gertrude left Australia with Joseph at that time.

Florence married **Andrew FARQUAHARSON** [13341] on 15 Jul 1896 in Sydney, NSW, Australia.⁵²⁴ Andrew was born in 1878 and died in 1903 in Sydney, NSW, Australia, at age 25.

General Notes: at the 1861 census, Isaac John Goodyer was living with his Grandfather and father at St Mary's Street Boongate, Peterborough and his occupation is listed as baker His place of birth is given as Peterborough. I have been unable to find Isaac John Goodyer after this census

There is a John Goodyear at the 1911 census John was living at Old House Cottages Whittington Worcester, his occupation is given as Waggoner on farm he is married, his wife is Annie and there are 7 children living with them at the time. The census states they had been married for 18 years with 9 children, 8 of whom were still alive at census. Several of this persons children's marriage certificates give their father's name as Isaac John so it may be the right person. At the 1911 census his age is given as 40 and he would have been 66 in

1911, so probably not the right person.

The John in the 1901 and 1911 censuses gives his place of birth as Willoughy, Warwick. I think this unlikely to be the correct person

TRAGIC DEATH AT PETERBOROUGH

A septuagenarian Inn-keeper's midnight fall

Mrs Caroline Sarah Dimbleby, landlady of the Royal Arms, Broad Street, possibly one of the oldest license holders in the City of Peterborough, and conducting one of the oldest inns - a flourishing business in the old days of the Nene River Traffic, when Simpsons's Packet and other boats with scores of barges regularly ran from Peterborough to Wisbech - died on Sunday from the effects of an accident. The old lady was a septuagenarian - 74 in fact, and had been somewhat feeble for some time; but although she had a son in Birmingham, preferred to preserve her independency and continue in the business she had so long been connected with. On Friday night she was seen by the maid to have retired to rest for the night, but a couple of hours later, a loud crash awakened the household. It was surmised that the mistress had fallen down stairs, and the fact of her being found huddled up at the bottom rather supported this view. It seems, however, that the old lady whilst, as she said, "looking for matches" must have gained the bottom of the stairs and in trying to push open the door the latch caught and in the rebound she fell, and in the fall, broke a rib, which penetrated her left lung. She remained in a critical condition until Sunday when she died; her son happily being at the bedside whilst his mother was yet living. It is a melancholy coincidence that 40 years ago the deceased's husband met his death by drowning.
